Eight Million Ways To Die:

Eight Million Ways to Die Lawrence Block, 2009-10-13 Nobody knows better than Matthew Scudder how far down a person can sink in this city A young prostitute named Kim knew it also and she wanted out Maybe Kim didn't deserve the life fate had dealt her She surely didn't deserve her death The alcoholic ex cop turned p i was supposed to protect her but someone slashed her to ribbons on a crumbling New York City waterfront pier Now finding Kim's killer will be Scudder's penance But there are lethal secrets hiding in the slain hooker's past that are far dirtier than her trade And there are many ways of dying in this cruel and dangerous town some quick and brutal and some agonizingly slow Eight Million Ways to Die Oliver Stone, Block, Lawrence, 1984 *New York Magazine*, 1986-05-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Being Hal Ashby** Nick Dawson, 2009-04-17 The story of the director behind Harold and Maude Being There and other quirky classics A superb biography of this troubled talented man Tucson Citizen Hal Ashby set the standard for subsequent independent filmmakers by crafting unique thoughtful and challenging films that continue to influence new generations of directors Initially finding success as an editor Ashby won an Academy Award for editing 1967's *In the Heat of the Night* and translated his skills into a career as one of the quintessential directors of 1970s Perhaps best remembered for the enduring cult classic *Harold and Maude* Ashby quickly became known for melding quirky comedy and intense drama with performances from A list actors such as Jack Nicholson in *The Last Detail* Warren Beatty and Goldie Hawn in *Shampoo* Jon Voight and Jane Fonda in *Coming Home* and Peter Sellers and Shirley MacLaine in *Being There* But Ashby's personal life was difficult After enduring his parents divorce his father's suicide and his own failed marriage all before the age of nineteen he became notorious for his drug abuse which contributed to the decline of his career near the end of his life Ashby always operated outside Hollywood's conventions and though his output was tragically limited the quality of his films continues to inspire modern directors as varied and talented as Judd Apatow and Wes Anderson both of whom acknowledge Ashby as a primary influence In *Being Hal Ashby: Life of a Hollywood Rebel* the first full length biography of the maverick filmmaker Nick Dawson masterfully tells the turbulent story of Ashby's life and career Black Psychedelic Revolution Nicholas Powers, PhD, 2025-01-21 How psychedelics can heal historical intergenerational and racialized trauma an Afrofuturistic take on Black psychedelia toward joy and liberation The mainstream has long viewed psychedelic medicine as the purview of people with privilege money to burn time to trip and the social safety to experiment Though psychedelics have deep roots in Black and Indigenous cultures Western psychedelic spaces have historically excluded People of Color but the radical healing of psilocybin MDMA and ketamine aren't just for a

rarefied elite And they re definitely not just for white people Combined with quality therapy safe and equitable access and full scale societal healing psychedelics are a shortcut to liberation dignity and power the Promised Land as envisioned by Martin Luther King Jr Risqu Sure But it s true In Black Psychedelic Revolution Dr Nicholas Powers charts how psychedelics can heal racial pain passed on through generations He shows how this medicine unlocks a return to one s self facilitating an embodied experience of safety peace and being here now otherwise disrupted by whiteness and he explores how psychedelics can catalyze individual wellness even as they transcend it Drugs taken with therapy can heal But drugs taken with a social movement can heal a nation Powers unpacks how the Drug War racist policing mass incarceration and community gatekeeping intersect to sideline POC specifically Black people from the psychedelic movement He asserts the need for a full stop reclamation and revolution one that eschews psychedelic exceptionalism breaks down raced and classed constructs of good vs bad drugs realizes healing and lives into a free strong and independent Blackness **New York**
