Eight of a Kind SANDI. LYNN, 2022-10-25 It was incredible how one single action could change the balance of a person's life within seconds Nathan I was an artist and one of the best plastic surgeons in Los Angeles My business was thriving and helping people was my specialty Growing up I endured a lot of pain where my mother was concerned After she passed away I still carried that pain and resentment into adulthood My brothers and cousins were in strong fulfilled relationships and I was happy for them But it wasn't something I envied or was looking for I went from meaningless to meaningless relationships over the years My career was too important to me and the only thing I had time for in my life and cared about That all changed the day Mrs Rhodes walked into the conference room where my brothers and I were in a meeting She delivered some news to me that turned my entire world upside down My life wasn't just about me anymore and I didn't know what to do How could I be the person Ella needed me to be when I'd sealed off the part of me that longed to be loved Sofia I'd met Dr Nathan Kind on a few occasions Once I was put in the wrong room at the medical center another time at the grocery store and again when he brought his six year old daughter to my dance class He was sexy and charming and had the attention of every mom who brought their children to dance He flirted I flirted and one night of passion consumed us We were two people whose lives had changed in an instant He'd just found out he had a daughter and I had ended the career I was born for I'd found love for the first time in my life and he was running from it 18 *Statistical Bulletin*, 1989 Annual Report of the Operations of the United States Life-Saving Service for the Fiscal Year Ending ...
