another biography of Rickenbacker's life A list of books of Eddie's military life or his ordeal about being lost 23 days in the South Pacific which I highly recommend reading follows Throughout the book I listed key dates and headlines in United States history in politics sports and entertainment that is intended to serve as a point of reference timeline throughout the Eddie Rickenbacker Era Don't cringe on certain typos I purposely capitalize the R in Race in various places as my way of showing reverence to the Indianapolis 500 Other grammar and punctuation irregularities are my humorous middle finger to those former composition 101 pros who used so much red ink correcting my themes

Wings of War David Fairbank White, Margaret Stanback White, 2022-12-06 The incredible untold story behind the rise of the P 51 Mustang the World War II fighter plane that destroyed the Luftwaffe and made D Day possible Aviation buffs will cheer this high flying saga Publishers Weekly A fascinating book about passion and innovation Walter Isaacson An essential book for those who appreciate tales of military bravery and also for all seeking understanding of decision making under pressure A major contribution E J Dionne Jr When the P 51 Mustang began tearing across European skies in early 1944 the Allies had been losing the air war for years Staggering numbers of bomber crews both British and American had been shot down and killed thanks to the Luftwaffe's superior fighter force Not only did the air war appear grim but any landing of troops in France was impossible while German fighters hunted overhead But behind the scenes a team of visionaries had begun to design a bold new type of airplane one that could outrun and outmaneuver Germany's best Wings of War is the incredible true story of the P 51 Mustang fighter and the unlikely crew of designers engineers test pilots and army officers who brought it from the drafting table to the skies over World War II This is hardly a straightforward tale of building an airplane for years the team was stymied by corruption within the defense industry and stonewalled by the Army Air Forces who failed to understand the Mustang's potential But when squadrons of Mustangs were finally unleashed over Hitler's empire the Luftwaffe was decimated within months clearing the skies for D Day A compelling character focused narrative replete with innovation determination and bravery Wings of War is the never before told story of the airplane that truly changed the course of World War II [FAA General Aviation News](#), 1977 [Amelia Earhart](#) Jane Moore Howe, 2000-09 A biography on the life of Amelia Earhart *My Fellow Soldiers* Andrew Carroll, 2018-02-06 From the New York Times bestselling author of War Letters and Behind the Lines Andrew Carroll's *My Fellow Soldiers* draws on a rich trove of both little known and newly uncovered letters and diaries to create a marvelously vivid and moving account of the American experience in World War I with General John Pershing featured prominently in the foreground Andrew Carroll's intimate portrait of General Pershing who led all of the American troops in Europe during World War I is a revelation Given a military force that on the eve of its entry into the war was downright primitive compared to the European combatants the general surmounted enormous obstacles to build an army and ultimately command millions of U S soldiers But Pershing himself often perceived as a harsh humorless and wooden leader concealed inner agony from those around him almost two years before the United States entered the war Pershing suffered a personal

tragedy so catastrophic that he almost went insane with grief and remained haunted by the loss for the rest of his life as private and previously unpublished letters he wrote to family members now reveal Before leaving for Europe Pershing also had a passionate romance with George Patton's sister Anne But once he was in France Pershing fell madly in love with a young painter named Micheline Resco whom he later married in secret Woven throughout Pershing's story are the experiences of a remarkable group of American men and women both the famous and unheralded including Harry Truman Douglas MacArthur William Wild Bill Donovan Teddy Roosevelt and his youngest son Quentin The chorus of these voices which begins with the first Americans who enlisted in the French Foreign Legion 1914 as well as those who flew with the Lafayette Escadrille make the high stakes of this epic American saga piercingly real and demonstrates the war's profound impact on the individuals who served during and in the years after the conflict with extraordinary humanity and emotional force
