## **Eden Roc:**

*Fool's Paradise* Steven Gaines, 2009-01-27 From the acclaimed bestselling author of *Philistines at the Hedgerow* comes a remarkably revealing profile of the Miami Beach no one knows a tale of fabulous excess thwarted power and rekindled lives that will take its place among the decade's best works of social portraiture Created from a mix of swampland and dredged up barrier reef Miami Beach has always been one part drifter mecca and one part fantasyland simultaneously a catch basin for con men fast talk artists and shameless self promoters and a Shangri La for sun worshippers and hardcore hedonists In Miami Beach it's often said that if you're not indicted you're not invited But the city's mad fascinating complexity resists easy stereotyping *Fool's Paradise* is more than just a present day profile of a dark Eden Gaines journeys back into the city's social and cultural history unearthing stories of the resort's past that are every bit as absorbing and jaw dropping as those of its present The book begins with a snapshot of the city's current excess this is after all a sun washed hamlet that boasts on a per capita basis more bars and breast implants than any other place in America then plunges into the Beach's origins chronicling the audacious rise of such hoteliers as the Fontainebleau's Ben Novack and the Eden Roc's Harry Mufson the sharp elbowed tactics of Al Capone and Frank Sinatra and the Mac 10 shooting sprees of the Marielito and Colombian drug lords From there the narrative shifts to two wildly eccentric souls who gave their lives to preserving the city's architectural dazzle and creating its color palette introduces us to the Most Powerful Man in Miami Beach and arrives finally in the modern day where we meet among others a kinky German playboy who once owned a quarter of South Beach and publicly flaunts his sexual escapades a fabulously successful nightclub promoter whose addictive past seems to have given him a portal into the night world's id and a gaggle of young sexy models dreamers and schemers on a mission to achieve significance Evoking the Beach's surreal blend of flashy Vegas and old Hollywood glamour as well as its manic desperation and reckless wealth Gaines persuasively demonstrates that though the Beach is in the words of its most famous drag queen an island of broken toys a place where people get away with things they'd never get away with anywhere else it casts an irresistible spell
