Hale, 2023-07-03 To their disadvantage few school union, 1877 Americans and few in higher education know much about the successes of historically Black colleges and universities How is it that historically Black colleges graduate so many low income and academically poorly prepared students How do they manage to do so well with students as they are even when adopting open admissions policies In this volume contributors from a wide spectrum of Black colleges offer insights and examples of the policies and practice such as retention strategies co curricular activities and approaches to mentoring which underpin their disproportionate success with populations that too often fail in other institutions. This book also challenges the myth that these colleges are segregated institutions and that teachers of color are essential to minority student success HBCUs employ large numbers of non Black faculty who demonstrate the ability to facilitate the success of African American students This book offers valuable lessons for faculty faculty developers student affairs personnel and administrators in the wider higher education community lessons that are all the more urgent as they face a growing racially diverse student population While for HBCUs themselves this book reaffirms the importance of their mission today it also raises issues they must address to maintain the edge they have achieved Contributors Pamela G Arrington Delbert Baker Susan Baker Stanley F Battle T J Bryan Terrolyn P Carter Ronnie L Collins Samuel DuBois Cook Elaine Johnson Copeland Marcela A Copes Quiester Craig Lawrence A Davis Jr Frances C Gordon Frank W Hale Jr B Denise Hawkins Karen A Holbrook James E Hunter Frank L Matthews Henry Ponder Anne S Pruitt Logan Talbert O Shaw Orlando L Taylor W Eric Thomas M Rick Turner Mervyn A Warren Charles V Willie James G Wingate **Teaching** and Learning in Higher Education Beatrice L. Bridglall, 2013-08-28 Concerns with how students are taught and whether and how they learn has become particularly salient in higher education This is evident in growing awareness of increases in time to degree and declines in attainment rates for many students including those who are underrepresented in our nation s community and public and private colleges and universities It is also demonstrated vis vis recent findings that more than a third of college students evinced no noticeable improvement in critical thinking writing and complex reasoning skills after

four years as an undergraduate These findings suggest that while a focus on access to and participation in the nation s colleges and universities remain a prominent goal it is no longer sufficient given persistent disparities in post secondary student learning There are a few models however from which we can distill a set of strategies for promoting not only high achievement but also retention and completion rates This book examines three such models in higher education the Meyerhoff Scholars Program at the University of Maryland Baltimore County the Opportunity Programs at Skidmore College in Saratoga Springs New York and the Premedical Program at Xavier University in New Orleans with a proven record of Personal, Social, Academic and Career Development in Higher Education Arti student achievement and completion Kumar, 2022-04-19 This book is about SOARing to Success a pedagogy that engages individuals in a structured and supported process of personalised learning leading to the development of transferable career management and employability skills The SOAR model as it has come to be known and used provides tried and tested ways for educators to implement Personal Development Planning PDP Career Development Learning CDL and employability agendas The theoretical concepts and practical activities that are interpreted and integrated within SOAR require all learners to make meaningful dynamic connections within and between Self Opportunity Aspirations and Results through inbuilt requirements for self reflection action and interaction research analysis and synthesis Especially relevant for regeneration in the post pandemic world this fully updated edition emphasises and addresses the needs to focus more broadly on multidimensional employability enterprise and entrepreneurship take account of post Covid 19 educational and employment landscapes changing labour market realities and employers technology enabled recruitment methods engage proactively and positively with ways to strengthen resilience health and wellbeing in ourselves and others tackle academic learning and assessments with digital research and information literacy skills be come adaptable and or adaptive according to the demands of different contexts co create with social enterprise and business skills a better world in which self actualisation aligns with the actualisation of the UN s Sustainable Development Goals reflect globalisation in the internationalisation of higher education HE Packed full of useful practical features this text and its e resources will help all staff and education development professionals teachers in HE and advisers to motivate and enable students to relate their learning and achievements to the demands of life and work in our times Personal, Academic and Career Development in Higher Education Arti Kumar, 2009-03-04 This book is the first to show how to integrate Personal Development Planning PDP activities into teaching in higher education It is packed with activities exercises lesson plans resources reflective questionnaires skills audits and case studies and with suggestions for how these may be customized to suit different groups of students in different subject areas By embedding activities into the curriculum students are encouraged to engage with the PDP process to help them gain a better understanding of what and how they are learning improve study skills gain a clear idea strengths and areas for development improve ability to explain and discuss skills and abilities with prospective employers with the evidence to support your claims
