

About the Author

Patrick Jackson was born in Yorkshire in 1929, and read modern history at University College, Oxford. He worked in British government service, mainly in the Department of Transport, until he retired in 1989. Since then, he has devoted himself to historical research and writing. In 1994 he published *The Last of the Whigs*, a political biography of Lord Hartington. He is now writing a life of Sir William Harcourt to complete a trilogy of Victorian biographies.

Education Act Forster A Political Biography Of We Forster 1818 1886

Sarah Collins

Education Act Forster A Political Biography Of We Forster 1818 1886:

Education Act Forster Patrick Jackson,1997 The act was intensely controversial because it left the church schools in a commanding position in many rural areas much to the dismay of Liberal nonconformists whose aim was the disestablishment of the Church of England

Education Act Forster Patrick Jackson,1997 The act was intensely controversial because it left the church schools in a commanding position in many rural areas much to the dismay of Liberal nonconformists whose aim was the disestablishment of the Church of England

The Politics of Patriotism Jonathan Parry,2006-11-30 Parry offers an analysis of the ideas that influenced the Liberal political coalition between the 1830s and 1880s

Youth of Darkest England Troy Boone,2005-08-29 This book examines the representation of English working class children the youthful inhabitants of the poor urban neighborhoods that a number of writers dubbed darkest England in Victorian and Edwardian imperialist literature In particular Boone focuses on how the writings for and about youth undertook an ideological project to enlist working class children into the British imperial enterprise demonstrating convincingly that the British working class youth resisted a nationalist identification process that tended to eradicate or obfuscate class differences

Thomas Hare and Political Representation in Victorian Britain F. Parsons,2009-07-30 This book is a history of the emergence and development of the concept of proportional representation and its relation to political theory within the context of nineteenth century British party politics focusing on Thomas Hare 1806 1891

Music and Victorian Liberalism Sarah Collins,2019-06-06 Examines the interaction between music and liberal discourses in Victorian Britain revealing the close interdependence of political and aesthetic practices

The Chamberlains, the Churchills and Ireland, 1874-1922 Ian Chambers,2006 Winston Churchill and Austen Chamberlain both entered Parliament with inherited Unionist views However changing political circumstances in Britain and Ireland led them to change their stance and adopt policies that would have been anathema to their fathers

Liberty and Liberticide Michael J. Turner,2013-11-15 America was important to many British radicals It was a model an exemplar a source of inspiration and American events were believed to have a bearing on reform debates in Britain Many scholars focus on the positive impressions of the United States that prominent British radicals entertained developed and propagated but it is necessary also to explore the reasons why some radicals condemned rather than praised America and to explain how America was conceptualized and used by them and to what purpose Liberty and Liberticide focuses on the influence America exerted over the ideas and activities of nineteenth century British radicals While some looked on America as the model of liberty others associated it with the destruction of liberty Turner shows how radicals views about the United States and the course of Anglo American relations shaped their domestic reform agenda and their assumptions about British political values and Britain s place in the world

Thomas And Jane Carlyle Rosemary Ashton,2012-03-31 They were the most remarkable couple in London the great sage Carlyle with his vehement prophecies and his witty sardonic wife Jane It was a strong close mutually admiring yet often mutually antagonistic partnership

fascinating to all who observed it The Carlyles lived at the heart of English life in mid Victorian London but both were outsiders a largely self educated Scottish pair who took a sometimes caustic look at the society they so influenced Carlyle through his copious writings and both through their network of acquaintances and correspondents Carlyle s fame was confirmed by his Sartor Resartus of 1843 The French Revolution his lectures on heroes and hero worship and by his radical account of contemporary industrial Britain in Past and Present 1843 Both husband and wife were great letter writers Carlyle commenting on the matters of the day dashing off pen portraits of those he met and Jane with her brilliant stories and her sharp dry humour Yet despite her brilliance Jane suffered especially from Carlyle s infatuation with the lion hunting Lady Ashburton and the tensions in their marriage grew The letters they wrote both to each other and to others make theirs the most well documented marriage of the nineteenth century and give us an unequalled portrait of a famously unhappy marriage This moving and vivid biography describes their relationship with each other from their first meeting in 1821 to Jane s death in 1866 and also their relationship with the world outside Rosemary Ashton s inimitable blend of rigorous scholarship warm sensitivity and lively wit makes this not only a portrait of a marriage but a picture of a whole age elegant erudite and entertaining

Making Youth: A History of Youth in Modern Britain Melanie Tebbutt, 2017-09-16 This new study explores how British youth was made and how it made itself over the nineteenth and twentieth centuries Urbanisation and industrialisation brought challenges that altered how young people were both perceived and understood As adults found it difficult to comprehend the rapidity of societal change focus on the young intensified and they became a symbol of uncertainty about the future Highlighting both change and striking continuity Melanie Tebbutt traces the origins and development of key themes and debates in the history of modern British youth Current issues such as the ageing of western societies high levels of youth unemployment and the potential for social and political unrest make this a timely study

Gladstone Centenary Essays David Bebbington, Roger Swift, 2000-01-01 W E Gladstone towers over the politics of the nineteenth century He is known for his policies of financial rectitude his campaigns to settle the Irish question and his championship of the rights of small nations He remains the only British Prime Minister to have served for four separate terms In 1998 an international conference at Chester College brought together Gladstone scholars to mark the centenary of his death and many of the papers presented on that occasion are published in this volume Covering the whole of the statesman s long political life from the first Reform Act to the last decade of the nineteenth century they range over topics as diverse as parliamentary reform and free trade Gladstone s English Nonconformist supporters and his Irish Unionist opponents A select bibliography arranged by subject supplies guidance for further research The collection forms a tribute appreciative but critical to the Grand Old Man of British politics

Matthew Arnold Kate Campbell, 2008 This book demonstrates in particular how Matthew Arnold s work in education leads to his use of indirect methods of political influence methods that he has observed in politics literature and journalism

The Irish Assassins Julie Kavanagh, 2021-08-03 A brilliant true crime

account of the assassinations that altered the course of Irish history from the compulsively readable writer The Guardian One
 sunlit evening May 6 1882 Lord Frederick Cavendish and Thomas Burke Chief Secretary and Undersecretary for Ireland
 were ambushed and stabbed to death while strolling through Phoenix Park in Dublin The murders were funded by American
 supporters of Irish independence and carried out by the Invincibles a militant faction of republicans armed with specially
 made surgeon's blades They put an end to the new spirit of goodwill that had been burgeoning between British Prime
 Minister William Gladstone and Ireland's leader Charles Stewart Parnell as the men forged a secret pact to achieve peace
 and independence in Ireland with the newly appointed Cavendish Gladstone's protégé to play an instrumental role in helping
 to do so In a story that spans Donegal Dublin London Paris New York Cannes and Cape Town Julie Kavanagh thrillingly
 traces the crucial events that came before and after the murders From the adulterous affair that caused Parnell's downfall to
 Queen Victoria's prurient obsession with the assassinations to the investigation spearheaded by Superintendent John Mallon
 also known as the Irish Sherlock Holmes culminating in the eventual betrayal and clandestine escape of leading Invincible
 James Carey and his murder on the high seas The Irish Assassins brings us intimately into this fascinating story that shaped
 Irish politics and engulfed an Empire Praise for Julie Kavanagh's Nureyev The Life Easily the best biography of the year The
 Philadelphia Inquirer The definitive biography of ballet's greatest star whose ego was as supersized as his talent Tina Brown
 award-winning journalist and author **Britain, 1846-1964** Martin Roberts, 2001 The aim of this book is to explain how
 Britain's circumstances changed between 1846-1964 Britain in 1846 was by far the richest nation in the world In 1964
 Britain was comparatively much less rich than the USA and though amongst the world's richest nations was losing ground to
 Japan and to Western Europe Because of her wealth and her navy Britain in 1846 was the most powerful nation in the world
 Britain in 1964 was dwarfed by the superpowers of the USA and the USSR The British Empire of the 1840s reflected Britain's
 power By 1964 the Empire was collapsing Only one in five men and no women could vote in the Britain of 1840s By 1964
 Britain was fully democratic with all adults entitled to vote In a period of a little over a century these were some of the
 changes to which Britain had to adapt It was a period that marked a substantial fall in Britain's comparative power and
 prosperity in the world Liberals Roy Douglas, 2005-03-01 The party of Gladstone Asquith and Lloyd George the Liberal
 Party emerged in mid-Victorian Britain from a combination of Whigs Radicals and Peelite Tories It was a dominant force in
 Britain and the world at the height of the power of the British Empire Split by Gladstone's Home Rule Bills it nevertheless
 returned to power in Edwardian England and held it until after the outbreak of the First World War with Lloyd George
 heading a Coalition Government from 1916-22 Riddled by internal divisions and increasingly challenged by Labour the party
 lost ground in Parliament becoming little more than a rump for many years With the foundation of the Social Democrats in
 1981 and their subsequent merger with the Liberals as Liberal Democrats in 1988 a modern version of the party emerged
 under Paddy Ashdown Charles Kennedy and now Menzies Campbell as a significant third force in British politics Oxford

Dictionary of National Biography: Flattisbury-Freston Henry Colin Gray Matthew, Brian Harrison, 2004 55 000 biographies of people who shaped the history of the British Isles and beyond from the earliest times to the year 2002 **Dictionary of Liberal Biography** Duncan Brack, Malcolm Baines, 1998 This dictionary brings together in one volume the biographies of over 200 individuals who have made major contributions to the Liberal Party SDP or Liberal Democrats or to the development of British Liberalism **Victorian Studies** Philip Appleman, 1957 Vols 1 include Victorian bibliography prepared by a committee of the Victorian Literature Group v 19 by a committee of the Victorian Division of the Modern Language Association of America formerly published in Modern philology **Parliamentary History**, 2002 **Irish Historical Studies**, 2005 Vols 1 include the sections Writings on Irish history 1936 Research on Irish history in Irish universities varies slightly 1937 38
