Creation of Knowledge Neil Mercer, 2019-04-25 In the World Library of Educationalists series international experts
themselves compile career long collections of what they judge to be their finest pieces extracts from books key articles
salient research findings major theoretical and practical contributions so the world can read them in a single manageable
volume Readers will be able to follow the themes and strands and see how their work contributes to the development of the
field Language and the Joint Creation of Knowledge draws on the most prominent writing of Neil Mercer covering his ground
breaking and critically acclaimed work on the role of talk in education and on the relationship between spoken language and
cognition The text explores key themes relating theoretical ideas to research evidence and to practical educational situations
that improve children s lives Offering students and researchers a clear accessible and up to date account of a sociocultural
perspective on the relationship between spoken language and cognition it explains one of the key themes in Neil Mercer s
work that humans have uniquely evolved the capacity to think together or interthink Offering a crucial insight into the work
of Neil Mercer this selection showcases why his approach has become the dominant paradigm in educational research and
why it is increasingly influential in the psychology of teaching and learning This unique collection of published articles and
chapters which represent the key themes and range of his research over the last 40 years will be of interest to all followers of
his work and any reader interested in the role of language in education *Statistical Abstract for the United Kingdom* Great

Rickman, 2016-12-05 Focusing on cases of extramarital sex Johanna Rickman investigates fornication adultery and bastard
bearing among the English nobility during the Elizabethan and early Stuart period Since members of the nobility were not
generally brought before the ecclesiastical courts which had jurisdiction over other citizens sexual offences Rickman s
sources include collections of family papers primarily letters state papers and literary texts prescriptive manuals love sonnets
satirical verse and prose romances as well as legal documents Rickman explores how attitudes towards illicit sex varied
greatly throughout the period of study roughly 1560 1630 Whole some viewed it as a minor infraction others directed by a
religious moral code viewed it as a serious sin seeks to illuminate the place of noblewomen in early modern aristocratic
culture both as historical subjects considering personal circumstances and as a social group considering social position and
status She argues that two different gender ideals were in operation simultaneously one primarily religious ideal which
lauded female silence obedience and chastity and another more secular ideal which required noblewomen to be beautiful
