Education Of Teachers In Russia:

Teacher Education in Russia Ian Menter, 2021-08-04 This book examines the history recent developments and direction of travel of Russian teacher education It draws on scholarly expertise and professional experience in Russia and locates the policies and practices that are discussed within the context of the continuing global reform of teacher education Providing a rich description of the trajectory of teacher education in Russia the book analyses the processes of change between the history current practice and future directions for Russian teacher education The chapters consider the relationship between research policy and practice and examine the respective influences of the former USSR of processes of wider reform in the Russian Federation since glasnost and perestroika and of globalisation within education What emerges from the book is that the Russian case is a prime example of vernacular globalisation in teacher education Many important insights into processes of education reform and some of the major themes in teacher education are discussed thus providing new perspectives that are likely to be of interest to scholars and researchers of comparative education and teacher education as well as policymakers

Education of Teachers in Russia Delbert Long, Roberta Long, 1999-08-30 A comprehensive study of teacher training in Russia this book focuses on the present while also providing background information on tsarist and Soviet teacher training The concluding chapter provides a provocative discussion of problems and challenges common to teacher training in Russia and America Having lived in Russia for extended periods of time since 1975 the authors base their book not only on scholarly sources but on their first hand observations and experiences in Russian schools and teacher training institutions and on questionnaires and interviews with Russian students parents teachers administrators and teacher educators The authors provide a comprehensive study of the lifelong teacher training process in Russia starting with pedagogical gymnasia and extending through training in colleges institutes universities and public schools The book focuses on the present but provides the reader with necessary background information on education of teachers during the tsarist and Soviet periods Whether discussing teacher education under Alexander II Stalin Gorbachev or Yeltsin the Longs show the close interrelationship among general school and teacher education history The book concludes with a provocative discussion of problems and challenges common to teacher training in Russia and America The authors convincingly argue that effective reform of schools in either Russia or the United States must start with reform of teacher training

Continuous Teacher Education in Russia Roza A. Valeeva, Aydar M. Kalimullin, 2024-07-24 This is the definitive English language text on continuous teacher education drawing on scholarly expertise in Russia and locating the policies and practices within a global reform of teacher education providing new perspectives that will be of interest to education scholars policymakers and practitioners on an international scale

Education in Russia Thomas Darlington, 1909 A *History of Education in Modern Russia* Wayne Dowler, 2021-08-12 A History of Education in Modern Russia is the first book to trace the significance of education in Russia from Peter the Great's reign all the way through to Vladimir Putin and the

present day Individual chapters open with an overview of the political social diplomatic and cultural environment of the period in order to orient the reader Dowler then goes on to analyse the aims of education initiatives in each era before considering the ways in which Russians experienced education both as students and as teachers Each chapter concludes with an assessment of the outcomes and consequences of education policies in the period both the successes and failures as well as the impact of education on the cultural social economic and ultimately political environments The chronologically arranged book also traces and then summarises underlying key themes like the tension between an open system of education and an estate based system the push and pull between utility and the broader goal of human development and the effects of centralized authoritarian control that for much of the period limited local initiative and starved the regions of adequate resources

Teachers, Democratisation and Educational Reform in Russia and South Africa Michelle

Schweisfurth, 2002-01-01 How have primary school teachers in Russia and South Africa experienced educational reforms and changes in these new democracies How have their perceptions and experiences been expressed in their classroom practice This book based on research conducted in the early years of democracy in these countries attempts to link the macro world of policy with the micro world of teachers and classrooms The theme of teachers responses to policy reform is explored through international literature on the policy practice interface and changes to education since the advent of democracy in the two national contexts are examined critically Finally using case study methodology the study brings together individual teachers perspectives biographies and practice The dilemmas they face in the process of change and how they try to resolve these reveals the complexity of the new educational agendas that have come with the transition to democracy

Patriotic

Education in Contemporary Russia Anna Sanina, 2017-08-01 This book outlines the complexities contestation and contradictions in the formal organization and contents of patriotic education in post Soviet Russia While the topics of patriotism and patriotic education are highly political and politicized this study approaches them from a more sociological perspective It is based on a variety of sources and empirical data including the indicators and budgets of federal and regional patriotic education programs and on field research The book explores in depth all major agents of patriotic education in Russia such as the government schools youth associations churches and the film cartoon industry It traces the development of governmental patriotic programs in recent decades discusses how the Soviet past and political traditions influence today s system of patriotic education and presents numerous case studies illustrating real life processes in current patriotic education
