Educational Policies In Crisis Japanese And American Perspectives Praeger Special Studies In Comparative Education:

Educational Policies in Crisis William K. Cummings,1986-01-01 Understanding PISA's Attractiveness Florian Waldow,Gita Steiner-Khamsi,2019-05-02 Understanding PISA's Attractiveness examines how policy makers and the media interpret the results of PISA league leaders losers and slippers in ways that suit their own reform agendas As a result a myriad of explanations exist as to why an educational system is high or low performing The chapters written by leading scholars from Australia Austria Denmark Finland Germany Norway Singapore South Korea Spain Sweden Taiwan the UK and the USA provide a fascinating account of why results from PISA and other international large scale assessments are interpreted and translated differently in the various countries The analyses in this book bring to light the wide array of idiosyncratic projections into these international tests In some countries these tests are also used to scandalise one's own educational system and to generate quasi external reform pressure Compiled by two leading scholars in comparative education Florian Waldow and Gita Steiner Khamsi this book offers a truly global perspective on the uses and abuses of PISA and will be of great interest to students and academics working in educational policy comparative education and political science and those working on large scale data sets Core List of Books and Journals in Education Nancy P. O'Brien,Emily Fabiano,1991-01-09 This list assembles a selected group of approximately 1000 books and journals currently available in the field of education mostly published in the late 1980s All works are in English and almost all are American American government documents and monographs published by UNESCO have also been included The Journal of Asian Studies ,1987 An essential resource for those interested in Asia Recognized as the leading publication in its field It features articles on the history arts social sciences and contemporary issues of East South and Southeast Asia as well as a large book review section **Newsletter** ,1990 Social Change and Educational Problems in Japan, Singapore and Hong Kong W. Lee,1991-05-24 The spectacular economic and technological achievements of certain Far Eastern countries have attracted world wide attention The markets of the West are dominated by the products of countries with no traditions of industrialisation and few natural resources The reaction to this phenomenon has been a mixture of amazement admiration envy and curiosity to know how it was done This book addresses these questions through a study of the modernisation of three of the most successful Asian societies Japan Singapore and Hong Kong **Japan** Frank Joseph Shulman,1989 日本の教育の発展と課題,1994 Lessons of Cross-national Comparison in Education David Phillips,1992-01-01 This collection of articles is a contribution to the debate about two important questions in the study of comparative education What lessons can be learned from cross national studies of issues in education and What problems of comparative method do such studies have to address **Education and Training in Japan** Thomas P. Rohlen,Christopher Bjork,1998 This collection written by Japanese and foreign scholars represents an inclusive cross section of the most

important work in key areas of this field Topics include the impact of Japanese education and training on Japan s economy and culture the Japanese influence on the East Asian approach to education in comparison with the educational systems of Korea Taiwan Singapore and Hong Kong Japan s promotion of learning organizations and Knowledge workers for the Information Age **Books on Japan in Western Languages Recently Acquired by the National Diet Library** Kokuritsu
