Todeschi,2015-02-14 Edgar Cayce the most documented psychic of all time recommended exploring three tools for personal symbolism that would assist in personal growth and enlightenment Creating Life Seals Creating Aura Charts and Understanding the Book of Revelation From Cayce s perspective a Life Seal is a personal mandala that can be used as a tool for reflection a reminder of what she or he hopes to accomplish in life An Aura Chart is a visual depiction of an individual s unique Akashic Record and represents a soul s lessons attainments failures and developments over many lifetimes Cayce s unique approach to the Book of Revelation is that it is a symbolic exploration of archetypal images patterns and processes that correspond to the awakening of the Higher Self It depicts not an external process related to world events but instead an internal one that portrays the struggles that occur within each individual as spiritual development takes places and the basic lower nature of humankind evolves to its higher spiritual nature You will discover how these tools of symbolism can be used to cultivate your soul talents to accomplish your mission in life to overcome weaknesses to enhance your soul memory to remember your past lives and even as a means of personal attunement Edgar Cayce on Soul Symbolism presents timely information on how symbolism can be used to understand yourself and even your connection to the divine In addition the
