The Soul Mate Book for Gay and Lesbian People Michael, 1994 Written in response to the letters received by the author from homosexuals after the publication of *Finding Your Soul Mate* this text talks specifically to gay and lesbian people It discusses how incarnation determines lifestyle the hidden causes of human nature loving your body and how to find a soul mate It describes the manifestation technique that the author and others have used to find a partner and dispels many of the attitudes about sexual orientation that have made life so painful for homosexuals and heterosexuals alike

The Pen Nicholas Karapondo, 2009 What is God and what is humanity's place in the universe The author attempts to shed light on these archetypal queries through a spiritual tale of love and rejection death and shamanism a search for truth and meaning and ultimately multidimensional verities and enlightenment Yet it's verily everyman's journey On a voyage transcending identification with Ego the reader is transported to a Presence beyond rational acuity But the telling and intellectual consideration of this chronicle only gets you so far It's akin to teaching algebra to a dog the dog's not going to get it in its present propensity for understanding It has to evolve Each and every Now Choice creates endless

quantums of possibilities The human intent on continuity of story abides outside the Shekinah in Ego where Destruction propagates Yet the Eternal State of Being is there as close as your jugular At the core of the book is a clarion call for a transformation of consciousness a spiritual evolution from Homo sapiens to Homo Spiritus The author presents a simple to grasp but difficult to hold to edict for ascension Believe Obey and Receive Recounting his own journey to Wisdom he identifies the direct link which Jesus heard and mastered and compels awakening readers to wholly integrate into their lives as essential the awesome responsibility of Choice New Age & the Last Days Deception Billy Crone, 2019-03 Some would say New Age refers to those flower loving freewheeling people in the 60 s who wore tinfoil triangles on their head Others will remark it has to do with those who fear for the ecosystem Still some will give you a blank stare and say they have no idea what you re talking about Yet little do any of these people realize that the beliefs and teachings of the New Age Movement have not only permeated virtually every sector of our society but they are leading mankind towards the greatest time of deceit this planet has ever seen Therefore this book New Age the Last Days Deception seeks to give you the reader an in depth insight into the background and beliefs of the New Age Movement and how they are attempting to lead and deceive our planet Here you will discover such shocking facts as The Basics of New Age New Age in Society The Beliefs of New Age New Age Astrology The History of New Age New Age Mediumship Oprah Winfrey Her New Age Friends and New Age Divination
