Edge Of Nowhere:

The Edge of Perfection Laura Bratcher Goins, 2023-04-24 I prayed for the orphans every day almost every waking moment I envisioned their sweet faces After two long years Anna's dream to start an orphanage in Lazy Spring finally came true The wide white porch was meticulously swept and gray pots overflowing with red and white flowers graced each side of the red front door The sign above the door simply read Home Everything seemed perfect until the unthinkable happened which forced Anna to come to grips with something she couldn't change Anna Mrs McAfee and the Monroe family return in this third and final book following *The Edge of Nowhere* and *The Edge of Despair* where Luke and Anna make decisions that not only impact their future but also of everyone in Lazy Spring and Finley Valley Lazy Spring elects their first mayor who not only wears a big black cowboy hat but also has an attitude just as big while Mrs McAfee welcomes a visit from her niece Tori who has experienced a life changing tragedy And along the way Tori and Anna discover they have something very special in common and together they search for relief from situations that can't change But when Emily Lane shows up in Lazy Spring with two orphan children and Luke Monroe finally steals Anna's heart Anna sets aside her difficulties and focuses on helping not only these orphans but also many more Love hope and restoration abound when faith and commitment overcome the unchangeable

This Woman in Particular Stephanie Kirkwood Walker,2010-01-27 What happens when an individual becomes the subject of many and divergent portraits Biography says Stephanie Kirkwood Walker is a deceptive genre Positioned between fact and fiction and elusive in its purposes biography displays an individual life an existence patterned by conventions that have also shaped the reader s experience In This Woman in Particular Walker explores versions of Emily Carr s life that have appeared over the last half century Walker contends that the biographical image of Emily Carr that emerges from an

accumulation of biographies films plays and poetry as well as her own autobiographical writing establishes an elaborated cultural artefact an image that is bound by its very nature to remain forever incomplete and always elusive She demonstrates how changes in Carr s biographical image parallel the maturing of Canadian biographical writing reflecting attitudes toward women artists and the shifting balance between religion secular attitudes and contemporary spirituality And she concludes that biography plays a crucial role in all our lives in initiating and sustaining debate on vital personal and collective concerns

Church on the Edge of Somewhere George B. Thompson Jr.,2007-11-19 Most congregations today exist in what George Thompson calls the middle of anywhere They live comfortably with their surrounding culture focusing their energies on serving the needs of their current members These congregations have many strengths and gifts that they can exercise without changing a thing But Thompson envisions a deeper more prophetic call for congregations to explore the meaning of being in the world but not of it a church on the edge of somewhere Thompson sees a church that is deeply engaged in ministering to the community while calling on others to commit to doing the same By analyzing the interaction between a congregation s focus of identity and their stance with the world Thompson has created a helpful grid for congregations to place themselves on today s cultural map A congregation that sees itself as existing on the margins of society will look different than one that sees itself as embedded in society A congregation that hears a call to serve the surrounding community will look different from one that focuses on its internal needs Knowing where they stand now is the key for congregations to discover where they must go in the future to fully live out their call to be God s people in the world

Dunning,2021-04-22 In

Black to Nature Pastoral Return and African American Culture author Stefanie K Dunning considers both popular and literary texts that range from Beyonc s Lemonade to Jesmyn Ward s Salvage the Bones These key works restage Black women in relation to nature Dunning argues that depictions of protagonists who return to pastoral settings contest the violent and racist history that incentivized Black disavowal of the natural world Dunning offers an original theoretical paradigm for thinking through race and nature by showing that diverse constructions of nature in these texts are deployed as a means of rescrambling the teleology of the Western progress narrative In a series of fascinating close readings of contemporary Black texts she reveals how a range of artists evoke nature to suggest that interbeing with nature signals a call for what Jared Sexton calls the dream of Black Studies abolition Black to Nature thus offers nuanced readings that advance an emerging body of critical and creative work at the nexus of Blackness gender and nature Written in a clear approachable and multilayered style that aims to be as poignant as nature itself the volume offers a unique combination of theoretical breadth narrative beauty and broader perspective that suggests it will be a foundational text in a new critical turn towards framing nature within a cultural studies context
