Edmund Ruffin A Biography:

Edmund Ruffin, a Biography Betty L. Mitchell, 1981 Edmund Ruffin III January 5 1794 June 17 1865 was a wealthy Virginia planter amateur soil scientist and political activist best known as an early advocate for secession of the southern slave states from the United States wikipedia *The Diary of Edmund Ruffin* Edmund Ruffin, 1989-10-01 In this last of the three volume printed edition of *The Diary of Edmund Ruffin* the celebrated Virginia agricultural reformer and apostle of secession chronicles the increasingly melancholy events of the last two years of the Civil War and of his own life Apart from one brief sojourn in Charleston Edmund Ruffin spent the last two years of the war in Virginia Failing health and the course of the war prevented the devout Confederate from traveling to important battle sites and recording events there firsthand as he had done in the earlier years of the war Unable to move about Ruffin nonetheless continued to follow the war closely and to keep a daily commentary on contemporary events This commentary provides a remarkably dispassionate and astute analysis of the declining military fortunes of the Confederacy as well as an illuminating portrait of deteriorating conditions on the home front Yet this final volume of Ruffin's diary is more than a record of first impressions of public events as Ruffin claimed Ruffin comments on religion race class and politics The topics he discusses range from the controversy over the enrollment of black troops and the transition to free labor at war's end to an extended discourse on de Tocqueville's *Democracy in America* As the final curtain fell on the Confederacy the embittered southern nationalist overwhelmed by physical maladies and familial misfortunes resolved to take his own life Only two months after Lee's surrender to Grant and less than fifty miles from Appomattox Ruffin fired the last shot in his own private war against the Yankees a bullet through his head Rich in detail as well as in Ruffin's personal beliefs this carefully edited diary stands as one of the most valuable documents of the Civil War era *Prophet Without Honor* Betty Lou Mitchell, 1979 *Prophet Without Honor* Betty L. Mitchell, 1979

Incidents of My Life Edmund Ruffin, David F. Allmendinger, 1990 Edmund Ruffin 1794 1865 is remembered as an innovative American agriculturalist and pioneer in soil chemistry and as an advocate of Southern secession Here published for the first time are the two surviving volumes of Ruffin's manuscript memoirs written in 1851 with additions in 1853 and 1855 Unlike Ruffin's diaries begun four years later *Incidents of My Life* presents the public man the Ruffin he wanted outsiders and posterity to see The volumes recount his career as a scientific farmer his writing of *An Essay on Calcareous Manures* his editing of the *Farmers Register* and the beginnings of his involvement in reform movements in the 1850s His recollections were intended as a moral record for his heirs focusing on himself as a good example Also included are Ruffin's memoirs of his two daughters who died in 1855 and as an appendix his account of the death of his mentor Thomas Cocke which are useful sources for mid nineteenth century social history *The Diary of Edmund Ruffin* Edmund Ruffin, 1977-03-01 In this second of a projected three volume edition of *The Diary of Edmund Ruffin* the fiery southern nationalist records the events of the first two years of the Civil War from the aftermath of Fort Sumter where Ruffin fired the

first shot to the simultaneous disasters at Gettysburg and Vicksburg that spelled doom for the Confederacy From his advantageous position as the resident and former owner of two Virginia plantations Ruffin was able to write a vivid eyewitness account of the early Federal campaigns against Richmond Both of the Ruffin homesteads Marlbourne and Beechwood were overrun during McClellan s Peninsular Campaign of 1862 and the journal contains interesting observations about the conduct of Virginia slaves during this campaign as well as the change it engendered in master slave relations Also included is a remarkable recollection of the Nat Turner revolt The day to day descriptions of the Civil War in Virginia are laced with illumination comments about civil and military leaders on both sides the prospect of foreign intervention the increasing strain upon the southern economy the effect of the Emancipation Proclamation and the possibility of detaching the northwestern states from the East Written by a man totally committed to the southern cause The Diary of Edmund Ruffin is a literate dependable source of information about the Civil War and its effects as well as the political and social conditions in the South during the most critical period in its history Meticulously edited by William Kauffman Scarborough it will be of lasting value to anyone who wishes to study the Civil War from the insider s point of view **The Diary of Edmund Ruffin**

David S. Heidler, Jeanne T. Heidler, 2007-01-30 While soldiers were off fighting on the fields of war civilians on the home front fought their own daily struggles sometimes removed from the violence but often enough from deep within the maelstrom of conflict Chapters provide readers with an excellent detailed description of how women children slaves and Native Americans coped with privation and looming threat and how they often used or tried to use periods of turmoil to their own advantage While it is the soldiers who are often remembered for their strength honor and courage it is the civilians who keep life going during wartime This volume presents the lives of these brave citizens during the early colonial era the American Revolution the War of 1812 the Mexican War and the Civil War This volume begins with Armstrong Starkey s detailed description of wartime life during the American Colonial era beginning with the Jamestown VA settlement of 1607 Among his discussions of civilian lives during the Pequot War King Philip s War and the Seven Years War Starkey also examines Native American attitudes regarding war Puritan lives and Salem witchcraft and its connection to war Wayne E Lee continues with his chapter on the American Revolution investigating how difficult it was for civilians to choose sides including a telling look at soldier recruitment strategies He also surveys how inflation and shortages adversely affected civilians in addition to disease women s roles slaves and Native Americans as civilians Richard V Barbuto discusses the War of 1812 taking a close look at life on the ever expanding frontier rural homes and families and jobs and education in city life Gregory S Hospodor observes American life during the Mexican War examining how that conflict amplified domestic tensions caused by sharply divided but closely held beliefs about national expansion and slavery Continuing James Marten looks at southern life in the South during the Civil War examining the constant burden of supporting Confederate armies or coping with invading northern ones Paul A Cimbala concludes this volume with a look at northerner s lives during the Civil War offering an outstanding essay on a home front mobilized for a titanic struggle and how the war no matter how remote became omnipresent in daily life *An Evening When Alone* Michael O'Brien, 1993 A book that will greatly enhance understanding of the situation of single women in the nineteenth century South *An Evening When Alone* presents the journals of four very different women who although their lives were worlds apart each lived and wrote in the South during the years 1827-67 Intimate and revealing these journals provide refreshing insight into the joys and travails of ordinary single women in the nineteenth century South courtship disappointed

love illness the gratifications and pains of female friendship the grief of the Civil War the ambivalences of family life and the difficulty and consolation of religion
