Principles of Environmental Science William P. Cunningham,Mary Ann Cunningham,2001-05 As environmental science textbooks have gotten larger and more encyclopedic over the years an increasing number of instructors have called for a smaller less expensive book that concentrates on the core principles of the discipline *Principles of Environmental Science Inquiry and Applications* emphasizes how science can help us find solutions for important environmental issues While not attempting to describe every possible environmental dilemma or scientific field of study this new text focuses on the major topics we face and how scientists search for answers to questions about them Students are provided a solid grounding in scientific principles and then encouraged to think analytically and creatively on their own *Ecology: Concepts and Applications* Manuel C Molles,2015-01-01 *Ecology Concepts and Applications* by Molles places great emphasis on helping students grasp the main concepts of ecology while keeping the presentation more applied than theoretical An evolutionary perspective forms the foundation of the entire discussion The book begins with the natural history of the planet considers portions of the whole in the middle chapters and ends with another perspective of the entire planet in the concluding chapter Its unique organization of focusing only on several key concepts in each chapter sets it apart from other ecology texts Users who purchase Connect Plus receive access to the full online ebook version of the textbook *Loose Leaf for Ecology: Concepts and Applications* Manuel C Molles,2015-01-07 *Ecology Concepts and Applications* by Molles places great emphasis on helping students grasp the main concepts of ecology while keeping the presentation more applied than theoretical An evolutionary perspective forms the foundation of the entire discussion The book begins with the natural history of the planet considers portions of the whole in the middle chapters and ends with another perspective of the entire planet in the concluding chapter Its unique organization of focusing only on several key concepts in each chapter sets it apart from other ecology texts Users who purchase Connect Plus receive access to the full online ebook version of the textbook **Ecology** Manuel C.
