Decentralizing the State Kathleen O'Neill, 2005-06-06 This book first published in 2005 explores the location and dynamics of power within the state focusing on a recent wave of decentralizing reforms that have swept across both developed and developing countries in recent years Variation in the timing of reform across countries only vaguely relates to the genesis of an international consensus pushed by big lenders and development banks or the reemergence of democracy in decentralizing countries The book develops a theory linking decentralization s adoption to the electoral concerns of political parties decentralization represents a desirable strategy for parties whose support at subnational levels appears more secure than their prospects in national elections It examines this argument against experiences in Bolivia Colombia Ecuador Peru and Venezuela and speculates on how recent political changes may affect decentralization s shape and extent in coming years

Beyond the Center Shahid Javed Burki, Guillermo Perry, William R. Dillinger, 1999-01-01 Annotation This report examines the impact of decentralization and its effect on the efficiency of public services on equity and on macroeconomic stability

Economic and Social Progress in Latin America , 1994 **World Bank Latin America Proceedings** , 1999 *Decentralisation and Privatisation*

in Education Joseph Zajda, 2007-11-29 Decentralisation and Privatisation in Education explores the ambivalent and problematic relationship between the State privatisation and decentralisation in education globally Using a number of diverse paradigms ranging from critical theory to globalisation the authors by focusing on privatisation marketisation and decentralisation will attempt to examine critically both the reasons and outcomes of education reforms policy change and transformation and provide a more informed critique on the Western driven models of accountability quality and school effectiveness We want to demonstrate that claims of advantages in efficiency brought about by privatisation in education are not always supported empirically as proposed by proponents The book examines the overall interplay between privatisation

decentralisation and the role of the state The authors draw upon recent studies in the areas of decentralisation privatisation and the role of the state in education By referring to Bourdieu s call for critical policy analysts to engage in a critical sociology of their own contexts of practice and poststructuralist and postmodernist pedagogy this collection of book chapters demonstrate how central discourses surrounding the debate of privatisation decentralisation and the role of the state are formed in the contexts of dominant ideology power and culturally and historically derived perceptions and practices The authors discuss the newly constructed and re invented imperatives of privatisation decentralisation and marketisation and show how they may well be operating as an educational model of a new global master narrative playing a hegemonic role within the framework of economic political and cultural hybrids of globalization Taxation and Latin American Integration Vito Tanzi,Alberto Barreix,Luiz Arruda Villela,2008 In South and Central America a movement toward further economic integration has begun In the hope of expediting the process and to foster a better understanding of the policy actions required the Inter American Development Bank studied the impact of trade integration on taxes This book collects twelve of these studies Financing the Public Sector in Latin America J. C. de Souza Braga,1995 **The Puzzle of Latin American Economic Development** Patrice M. Franko,2007 Provides the basic economic tools for students to understand the problems in the countries of Latin America This third edition analyzes challenges to the neoliberal model of development and highlights macroeconomic changes in the region It explores the contradictions of growth and focuses on factors of competitiveness **Externalities and Bailouts** David E. Wildasin,1997 Institutional Reforms Alberto Alesina,2005 Experts analyze Colombia s recent institutional reforms and socioeconomic problems from the perspective of political economics and offer policy recommendations **Cities in a Globalizing World** United Nations Centre for Human Settlements,2001 First Published in 2001 Routledge is an imprint of Taylor Francis an informa company *An Urbanizing World* United Nations Centre for Human Settlements,1996 The most comprehensive up to date and systematic review of conditions and trends in cities around the world Prepared by Habitat United Nations Centre for Human Settlements in conjunction with leading experts worldwide An Urbanizing World shows the positive and negative side of cities while stressing the crucial importance of good government
