Economics Of Crime Reader:

Economics of Crime Neil O. Alper, 1988 *The Economics of Crime* Ralph L. Andreano, John J. Siegfried, 1980 *The Reader's Guide in Economic, Social and Political Science* Richard Rogers Bowker, George Iles, 1891 **The reader's guide in economic, social, and political science, ed. by R.R. Bowker and G. Iles** Richard Rogers Bowker, 1891 **Economic Crime** Mark Button, Branislav Hock, David Shepherd, 2022-04-24 This book is the first attempt to establish economic crime as a new sub discipline within criminology Fraud corruption bribery money laundering price fixing cartels and intellectual property crimes pursued typically for financial and professional gain have devastating consequences for the prosperity of economic life While most police forces in the UK and the USA have an economic crime department and many European bodies such as Europol use the term and develop strategies and structures to deal with it it is yet to gain traction as a widely used term in the academic community *Economic Crime From Conception to Response* aims to change that and covers definitions of the key premises of economic crime as the academic sub discipline within criminology an overview of the key research on each of the crimes associated with economic crime public private and global responses to economic crime across its different forms and sectors of the economy both within the UK and globally This book is an essential resource for students academics and practitioners engaged with aspects of economic crime as well as the related areas of financial crime white collar crime and crimes of the powerful **Reader's Guide to the Social Sciences** Jonathan Michie, 2014-02-03 This 2 volume work includes approximately 1 200 entries in A Z order critically reviewing the literature on specific topics from abortion to world systems theory In addition nine major entries cover each of the major disciplines political economy management and business human geography politics sociology law psychology organizational behavior and the history and development of the social sciences in a broader sense *Bimonthly Review of Law Books* , 1990 **A Reader's Guide to Contemporary Literature** William Swan Sonnenschein, 1896 **Reading the Legal Case** Marco Wan, 2012 The Legal Case Cross Currents in Law and the Humanitiesre examines the seemingly familiar notion of a legal case by exploring the histories practices conventions and rhetoric of case law The doctrine of stare decisis whereby courts are bound by precedent cases underpins legal reasoning in the common law world At the same time the legal case is itself a product of institutional and linguistic practices and raises broader questions about the foundations and boundaries of law The idea of the case as an ordered closed narrative with a determinate outcome is for example integral to medical psychoanalytic as well as forensic discourses whilst the notion of the strange case is a popular one in the English fiction of the late nineteenth century What is at stake in the attempt to categorise or define a situation as a legal case Is the notion of binding precedent in case law really distinctive to the common law And if so why What can the concept of a case in other disciplines and discourses tell us about how it operates in law With contributions from legal philosophers legal historians literary critics and linguists this book moves beyond the jurisprudential discussion of the nature and authority of the legal case as it draws on insights from

transformation and it unpacks crime as a societal and particularly as a political economic phenomenon under capitalism The book brings together a collection of research articles briefings and updated blog posts that were published over a period of nearly 40 years 1986 2023 in the acclaimed journal Review of African Political Economy ROAPE and on its website roape.net Featuring contributions from leading experts in the field including a foreword by Yusuf K Serunkuma and an afterword by Laureen Snider this volume explores what these crimes have to do with and can tell us about state business relations regulation capitalist transformation and the corporation on the continent shedding light on the co production of the crimes by a range of actors from the realms of business politics state and international development including major reform advocates such as international financial institutions IFIs and other donors It responds to the imperative to advance the analysis of the link between capitalism and crime in Africa and to locate capitalism more centrally in the analysis of economic crimes as more African countries move from being societies with capitalism to capitalist societies Illustrating the relevance of African countries to debates in criminology corporate crime state crime crimes of the powerful and illegality this volume engages with and mobilises a variety of literatures to analyse economic crimes as phenomena of global and local capitalism and provides readers from academia government business media civil society and education a striking source of information and analysis *The Best Reading: 1881-86* Lynds Eugene Jones, 1887 **Economic Crime in Europe** L.
