# THE ECONOMY TODAY

BRADLEY R. SCHILLER

# Economy Today With Discover Econ Solman Dvd

**Campbell R. McConnell, Stanley L. Brue**

## **Economy Today With Discover Econ Solman Dvd:**

**Macroeconomics** Campbell R. McConnell, Stanley L. Brue, 2005      *Demo Discoverecon with Paul Solman Videos Dvd to Accompany Economics* McConnell, 2004-02      The Economy Today + DiscoverEcon with Paul Solman Videos Bradley R. Schiller, Schiller Bradley, 2005 Brad Schiller's text *The Economy Today* 10e is noted for three great strengths: readability, policy orientation, and pedagogy. His accessible writing style engages students and brings some of the excitement of domestic and global economic news into the classroom. Schiller emphasizes how policymakers must choose between government intervention and market reliance to resolve the core issues of what, how, and for whom to produce. This strategic choice is highlighted throughout the full range of micro, macro, and international issues. Every chapter ends with a policy issue that emphasizes the markets vs. government dilemma. And Schiller packs his chapters with the facts of economic life, real stories, and applications, not fables. This is a book that teaches economics in a relevant context with careful pedagogy. It is also the only principles text that presents all macro theory in the single, consistent context of the AS-AD framework. Schiller 10e is for students motivated by real-world policy issues who want to become economically literate. This is a book students actually READ. Schiller is also known for its cutting edge and current coverage of today's issues.      *Economy Today with Discoverecon with Paul Solman Videos* Schiller, 2005-02      Economics with Discover Economics CD Package McConnell, 2001-09      **The Economy Today** Bradley R. Schiller, Diane Keenan, 2010
