Brazen Ecstasy Janelle Taylor, 2011-10-24 Fate cannot tear apart what love has bound in this breathtaking historical romance from the New York Times bestselling author of *Defiant Ecstasy* Janelle Taylor creates unforgettable and sweeping historical sagas filled with enthralling passion and exciting adventure but none so memorable as the enduring love of the Oglala chief Gray Eagle and his beloved white bride Alisha And their love story continues For four years green eyed Alisha Williams had been Princess Shalee the cherished wife of the Oglala chief Gray Eagle But fate envied their perfect love and swept the stunning Alisha down a raging river and out of Gray Eagle's life There was no way Gray Eagle could know that his love was alive but the daily torment of his lonely heart and the nightly agony of unfulfilled passion insisted that somehow she had survived destiny's decree He had rescued Alisha many times before and he would find her once more for their everlasting love could never keep them apart

Tender Ecstasy Janelle Taylor, 2011-10-24 At the mercy of a cruel kinsman a young woman is saved body and soul by her powerful Sioux captor in this romance by the New York Times bestselling author Each novel that Janelle Taylor writes is filled with heart pounding passion and romantic adventure Yet it is the compelling saga of the beautiful Alisha and her lover Gray Eagle and their descendants which continues to enthrall her readers the most In a wagon train deep in Sioux territory rose Rebecca Kenny the most ravishing woman Bright Arrow had ever seen Her soft perfect curves were an intoxicating blend of innocence and seduction that drove him mad with desire Though wisdom demanded that he slay the enticing creature along with all the other invaders fate commanded that he save Rebecca capture her torment her and soar with her to the dizzying heights of blazing ecstasy *The Veils of the Seven Skies* - *Where Order Meets Ecstasy* Chris Tsirkas, 2025-04-09 *The Veils of the Seven Skies* was born from a personal need to reconstruct the experience of Tragedy not as narrative but as passage In a time where theatre often becomes commentary or spectacle I longed to return to its ritual core a place where sound word and silence become thresholds The work seeks to revive the Sacred in performance not through religion but through the metaphysical weight of form repetition and gesture It is a response to the fragmentation of modern selfhood an offering of self transformation written for a stage that dares to stand still I envision this piece not simply as a play but as a vessel something ancient souls might recognize even if they no longer name it I wrote it so that it might one day be sung by voices who remember how to breathe between the Worlds The play is a philosophical and theatrical experiment that aims to bridge ancient worlds creating a poetic dialogue between the cultural heights of classical Greece and imperial China Its dramatic verse play merges the structure and philosophical depth of Attic Tragedy with the refined aesthetics and performative precision of traditional Chinese Theatre and Opera Set upon a semi operatic vessel reminiscent of 18th century Italian opera this work creates a unique synthesis of two seemingly distant but profoundly resonant artistic worlds The baroque grandeur of the language and spectacle serves the cosmic scope of this East West symbolical encounter The narrative follows Dionysus the Greek god of wine and ecstatic transformation as he

journeys to the Celestial Court of ancient China There his encounter with Princess Lian daughter of the Jade Emperor catalyzes a cosmic dialogue between Eastern discipline and Western spontaneity When the Emperor subjects Dionysus to Five Elemental Trials both cultures must confront their limitations and discover the complementary nature of their seemingly opposed philosophies Through Fire Water Wood Metal and Earth the characters navigate a series of challenges which test not only their physical and spiritual capacities but also their cultural assumptions about order chaos freedom and control The play integrates authentic elements from both traditions the Chorus Choral Odes and dramatic structure of Attic Tragedy alongside the water sleeve techniques shu xi and stylized gestures of Kunqu structural elements of Yuan Zaju and Ming Chuanqi and the codified role types of Peking Opera J ngj Through musicalized verse and detailed choreographic directions this work illuminates universal themes which bind human expression across cultures The play s formal structure honors both traditions while creating something entirely new a theatrical language that speaks to our shared humanity The Veils of the Seven Skies explores timeless questions which have occupied both Eastern and Western philosophical traditions such as How do we balance freedom with form How can tradition embrace change without losing its essence and What happens when seemingly opposite forces discover their shared humanity These questions unfold through characters who embody philosophical principles while remaining emotionally compelling their personal journeys reflecting the larger cultural synthesis at the heart of this work This theatrical experiment demonstrates how Dionysian ecstasy and Eastern harmony can converse in a shared theatrical language transcending time and geography in order to explore the essential balance between chaos and order freedom and form tradition and transformation It stands as both a literary text and a potential performance piece which celebrates the richness of global theatrical traditions a tale of transformation where Seven Veils dissolve revealing the unity beneath our cultural differences The extensive glossary and notes provide context for readers unfamiliar with either tradition making this work accessible to diverse audiences while honoring the depth and complexity of its source material

The Great Master of Ecstasy Glenda Beagan,2013-06-01 Past and present real and imagined vsible and invisible worlds collide as Glenda Beagan explores people places and memory Many stories peer into the natural and spirit worlds at times with terrifying results Set in an acutely observed north Wales landscape of trees and hillsides seaside towns and isolated houses owls and foxes the characters within the stries are gently but tellingly revealed from self made men to women emerging from the shadows of others And throughout these tales of inspiration premonition and mental trauma runs a threat of resilient humanity

[Songs of Ecstasy](#) Hugh B. Urban,2001-11-22 This book offers the first English translation of a body of highly esoteric mystical poetry and songs associated with the Khartabhajas a Bengali sect devoted to Tantrism The period from the late 18th to the early 19th century during which these lyrics were written was an era of change experimentation and transition from the older medieval styles to the new literary forms of modern Bengal The highly original songs presented here are an important part of this transitional period reflecting the search for new literary forms and

experimentation in new poetic styles **After the Ecstasy, the Laundry** Jack Kornfield, 2001-10-02 Enlightenment does exist internationally renowned author and meditation master Jack Kornfield assures us Unbounded freedom and joy oneness with the divine these experiences are more common than you know and not far away But even after achieving such realization after the ecstasy we are faced with the day to day task of translating that freedom into our imperfect lives We are faced with the laundry Drawing on the experiences and insights of leaders and practitioners within the Buddhist Christian Jewish Hindu and Sufi traditions this book offers a uniquely intimate and honest understanding of how the modern spiritual journey unfolds and how we can prepare our hearts for awakening Through moving personal stories and traditional tales we learn how the enlightened heart navigates the real world of family relationships emotional pain earning a living sickness loss and death Filled with the laughter of the wise alive with compassion After the Ecstasy the Laundry is a gift to anyone who is seeking peace wholeness and inner happiness It is sure to take its place next to A Path with Heart as a spiritual classic for our time **Queen Abhayeshwari Devi and a story of Pain and Ecstasy of a Young Man** Hiranya Borah, 2022-12-22
