Thomas E. FitzGerald

Ecumenism And The Reformed Church:

Concord Makes Strength John W. Coakley, 2002 While the Reformed Church in America has resisted the idea of church mergers it has nevertheless been active throughout history in working toward church unity This volume chronicles this effort by outlining historical and theological perspectives on the RCA s ecumenical hope exploring areas of present ecumenical encounter and discussing the future of Reformed ecumenism CONTRIBUTORS Karel Blei Anna Case Winters John W Coakley Paul R Fries Douglas Fromm Wesley Granberg Michaelson Herman Harmelink III Dale T Irvin Allan Janssen Lynn Japinga Gregg A Mast David Melvin and Dennis Tamburello *Ecumenism and the Reformed Church* Herman Harmelink, 1968 A Reformed Voice in the Ecumenical Discussion Martien Brinkman, 2016-04-26 In A Reformed Voice in the Ecumenical Discussion Martien E Brinkman offers a critical account of the main international ecumenical developments of the last three decades He delivers a sketch of the Reformed contribution to the ecumenical dialogues dealing with issues like contextuality state church relations the ethical implications of baptism the church as sacrament of the kingdom and apostolic tradition He pleads for a stronger non Western input in the ecumenical discussions and emphasizes that in many contexts Indonesia India China the interreligious dialogue has become part of the inner Christian dialogue This study can be considered as a constructive contribution to the development of a hermeneutics of tradition and puts itself the critical question what is lost and found in translation *Ecumenism in Retreat* Martin Camroux, 2016-05-27 In his enthronement sermon as archbishop of Canterbury in 1942 William Temple famously declared the ecumenical movement to be the great new fact of our era In this book Martin Camroux tries to face honestly how hope met reality By the end of the century the enthusiasm had largely dissipated the organizations that represented it were in decline and organic unity looked further away than ever One significant ecumenical merger took place in Britain the creation in 1972 of the United Reformed Church which saw its formation as a catalyst for ecumenical renewal Its hopes however were largely illusory With the failure of its ecumenical hope the church had little idea of its purpose found great difficulty establishing an identity and faced a catastrophic implosion in membership This first serious study of the United Reformed Church also includes groundbreaking analysis of the unity process the mixed fortunes of Local Ecumenical Projects and how the national ecumenical organizations withered All of this is put in the wider context of religion in British society including secularization individualism and post denominationalism What failed was not ecumenism but a particular model of it and the book ends with a commitment to a renewed ecumenical hope *Reformed and Ecumenical* , 2021-11-15 Ecumenical and Eclectic Anna M. Robbins, 2007-06-01 Alan Sell is a prolific author producing a vast output of high quality research across many disciplines From philosophy and theology to ethics and history his work has been received with acclaim for its clarity and incisiveness as well as for its relevance to contemporary issues faced by the church Throughout Sell has maintained an unwavering commitment to Reformed faith and the unity of the church universal His work continues to deliver challenges and inspire

reflection for those who are interested in thinking deeply about issues of living under the cross of Christ in the world today In this book several colleagues friends and admirers have gathered together to honor Alan Sell s contribution to scholarship and to the life of the church Leading Christian scholars including Gabriel Fackre Clyde Binfield Keith Clements and Donald McKim here offer reflections on Professor Sell s work and other related themes under the banner of the unity of the church in the contemporary world The essays explore the foundations of unity its historical context and some of the challenges of ecumenism today Together they make a unique contribution to the theme which has occupied so much of Sell s attention over the years and which continues to be of crucial importance to the life of the church in a new era That They May All Be One Neal D. Presa,2010-06-02 To mark the historic 2010 union of two Reformed bodies of churches the World Alliance of Reformed Churches and the Reformed Ecumenical council more than twenty five revered pastors theologians and ecumenists contributed essays for this volume These writings celebrate what it means to live in unity and communion in the twenty first century and stress the importance of ecumenism in working for mission and justice Among the many noted contributors are Jane Dempsey Douglass Michael Kinnamon Samuel Kobia Setri Nyomi Ofelia Ortega Gradye Parsons and Iain Torrance

Catholicity and Secession Henry Zwaanstra,1991 **The Oxford Handbook of Ecumenical Studies** Geoffrey Wainwright,Paul McPartlan,2021 Provides a rich source of information and reflection on many aspects of ecumenism from 50 expert contributors of many nationalities and traditions Offers a global perspective showing how ecumenism is a feature of the Church in all parts of the world with different geographical areas specifically considered in chapters focusing on Europe the Middle East Africa Asia and more Offers an invaluable guide to one of the most important Christian activities of today work for unity and reconciliation within the Church itself and as a witness in the world at large Book jacket United and Uniting Louis H. Gunnemann,2007-10-01 United and Uniting continues the ongoing story of the United Church of Christ that Gunnemann began in *The Shaping of the United Church of Christ* The book provides an invitation to readers to join in a recovery of the original vision of the United Church of Christ and at the same time to allow it to correct through historical perspective their own understanding of the United Church of Christ An Ecumenical Mandate for the Reformed Church in America Reformed Church in America,1996* Theology of Ministry Eduardus A. J. G. Van der Borch,E. a. J. G. Van Derborch,2007 Theology of ministry has always been a controversial issue in the relation between churches especially with its juridical approach that concentrated on authority In recent decades the secularization and individualization in the Western world have intensified the challenge to reformulate the mission of the church and its ministries Building on the Reformed theology of the 16th century Zwingli Calvin and confessions and on the results of the ecumenical convergence on ministry BEM in the 20th century this study presents building blocks for a renewed theology of ministry in the 21st century

The Churches and the Church Bernard Leeming,1963 *Ecumenical Testimony* Arie R. Brouwer,1991 A visionary church leader here offers fifty probing carefully compiled testimonies sermons addresses and writings that serve as

pericopes for pilgrims on the ecumenical way through the wilderness of schism

Church Laws and Ecumenism Norman Doe, 2020-09-27 Written by experts from within their communities this book compares the legal regimes of Christian churches as systems of religious law The ecumenical movement with its historical theological focus has failed to date to address the role of church law in shaping relations between churches and fostering greater mutual understanding between them In turn theologians and jurists from the different traditions have not hitherto worked together on a fully ecumenical appreciation of the potential value of church laws to help and sometimes to hinder the achievement of greater Christian unity This book seeks to correct this ecumenical church law deficit It takes account of the recent formulation by an ecumenical panel of a Statement of Principles of Christian Law which has been welcomed by Pope Francis and the Ecumenical Patriarch of Constantinople leader of the Orthodox Church worldwide as recognizing the importance of canon law for ecumenical dialogue This book therefore not only provides the fruits of an understanding of church laws within ten Christian traditions but also critically evaluates the Statement against the laws of these individual ecclesial communities The book will be an essential resource for scholars of law and religion theology and sociology It will also be of interest to those working in religious institutions and policy makers

In Order to Serve Leo J. Koffeman, 2014 Ecclesiology is in the centre of current ecumenical dialogue However this hardly seems to influence theological reflection on church polity This book explores new avenues in this respect in an attempt to enhance a truly ecumenical and inter cultural approach of the theological discipline of church polity without neglecting its juridical character

Receptive Ecumenism As Transformative Ecclesial Learning Paul D. Murray, Gregory A. Ryan, Paul Lakeland, 2022 Receptive Ecumenism asks not what other churches can learn from us but what can we learn and receive with integrity from our ecclesial others The chapters in this volume by academics church leaders and ecumenical practitioners show how Receptive Ecumenism has grown and matured over the past two decades

The Ecumenical Movement Thomas E. FitzGerald, 2004-04-30 What is Ecumenism How and when did it start What are its goals and how will they affect the future of the Christian churches This book answers these questions and examines the remarkable story of new encounters between Orthodox Roman Catholic Anglican Old Catholic and most Protestant churches Most of these churches have been divided for centuries over issues of theology faith and practice Ecumenism seeks to reconcile these differences and to bring the churches together into a new unity based on their commonalities and their understanding of Christian faith Here FitzGerald traces the history of the churches and their divisions and focuses on the ways in which the Ecumenical movement began and the efforts that have been made to assist the churches in overcoming age old strife animosity and misunderstanding For centuries Christian churches have remained divided over their doctrinal differences but beginning in the late nineteenth century churches and their members slowly began to emerge from their isolation They began to abandon competition mistrust and misunderstanding in an effort to seek out their common interests and faith through meetings and organizations meant to bring them together The encounters

between the churches led to proposals for common prayers for unity and for common witness in society While not without difficulty these encounters have fostered a renewal in Christian theology worship and witness affecting all levels of church life The process has touched Christians all over the world in various ways FitzGerald carefully traces the history of the movement and its impact on the churches themselves as well as the believers who attend them making this important reading for all Christians and anyone interested in learning more about church division and efforts to restore unity **Study Guide for "An Ecumenical Mandate for the Reformed Church in America"** Reformed Church in America, Phyllis Palsma, 1996 **The Oxford Handbook of Ecumenical Studies** † Geoffrey Wainwright, Paul McPartlan, 2021-05-25 The Oxford Handbook of Ecumenical Studies is an unparalleled compendium of ecumenical history information and reflection With essay contributions by nearly fifty experts in their various fields and edited by two leading international scholars the Handbook is a major resource for all who are involved or interested in ecumenical work for reconciliation between Christians and for the unity of the Church Its six main sections consider respectively the different phases of the history of the ecumenical movement from the mid nineteenth century to the present the ways in which leading Christian churches and traditions Orthodox Anglican Methodist Catholic Lutheran Reformed Baptist and Pentecostal have engaged with and contributed to the movement the achievements of ecumenical dialogue in key areas of Christian doctrine such as Christology and ecclesiology baptism Eucharist and ministry morals and mission and the issues that remain outstanding various ecumenical agencies and instruments such as covenants and dialogues the World Council of Churches the Pontifical Council for Promoting Christian Unity and the Global Christian Forum the progress and difficulties of ecumenism in different countries areas and continents of the world the UK and the USA Africa Asia South America Europe and the Middle East and finally two all important questions are considered by scholars from various traditions what would Christian unity look like and what is the best method for seeking it This is a remarkably comprehensive account and assessment of one of the most outstanding features of Christian history namely the modern ecumenical movement
