**Burma** Richard Alexander Hough, 1985      *Edwina* Madeleine Masson, 1958      Edwina. The Biography of the Countess Mountbatten of Burma. With Plates, Including Portraits. Madeleine Masson, 1960      Edwina. The Biography of the Countess Mountbatten of Burma. [With Plates, Including Portraits.]. Madeleine Masson, 1958      **Mountbatten, Cold War and Empire, 1945-79** Adrian Smith, 2022-11-17 Mountbatten Cold War and Empire 1945 79 focuses upon Admiral Lord Mountbatten as a commanding if controversial figure in the history of Britain and its empire from Churchill's wartime coalition through to the Labour governments of the 1960s and forms a sequel to Mountbatten Apprentice War Lord Written in three parts focusing on the premierships of Churchill and Attlee Eden Macmillan Douglas Home and Wilson this book examines the debates over Mountbatten's record in Southern Asia in 1943 6 and 1947 8 Additional chapters focus on Mountbatten's position at the heart of the British state and his pivotal role at key moments in the immediate post war era most notably the partition of India the Suez Crisis and the renewal of an ostensibly independent nuclear deterrent This book also considers Mountbatten's relationship with Anthony Eden both during and following the Suez Crisis as well as detailing Mountbatten's achievements as First Sea Lord and Chief of the Defence Staff under Harold Macmillan and his immediate successors Smith acknowledges Mountbatten's centrality to the history of Britain and its empire in the immediate post war era and in doing so presents a fascinating picture of one of the most prominent figures of the 20th century Smith's scrupulous examination of primary sources including those available in the Broadlands Archives results in a thorough examination of a controversial figure by eschewing often baseless speculation about Mountbatten's personal life Smith creates the first comprehensive overview of Admiral Lord Mountbatten's career from 1943 to the mid sixties

**Mountbatten** Adrian Smith, 2010-04-30 Was he a far sighted war hero or an ambitious networker promoted well above his natural talent Admired as a modernising chief of staff a timely decoloniser and a genuine player on the world stage Mountbatten nevertheless continues to attract fierce criticism In this timely new biography Adrian Smith offers a fresh and convincing perspective depicting Mountbatten as a quintessentially modern highly professional figure within the Royal Navy and at Combined Operations and SE Asia Command a hands on officer who enthusiastically embraced new technology someone who although an aristocrat was by instinct a progressive innovative in his approach to man management Smith brings Mountbatten to life acknowledging the essential qualities as well as the obvious weaknesses Beneath the rich vain often ruthless embodiment of power and privilege could be found a very human even vulnerable character the complex personality of a pivotal figure in the history of twentieth century Britain and her empire      Edwina Mountbatten. McPherson Edwina Mountbatten Margaret Argyll and Chanel were all women who dared They had no time for what society said they could and couldn't do and would see the world bend before they did In 1872 a mesmerising psychic named Victoria Woodhull shattered tradition by running for the White House Had she won the ensuing spectacle would surely have rivalled that of our own era Abhorring such flamboyance Mary Wollstonecraft inspired a revolution of thought with her pen as she issued women's first manifesto still to be fulfilled From Aimee Semple McPherson the first female preacher in America to Coco Chanel designer of an empire these women became the change they wanted to see in society In **Women Who Dared** Jeremy Scott pays tribute to them all with wit verve and reverence **Joan in India** Suzanne Falkiner,2015-11-01 The flickering faded footage shows the ruler of Palanpur's summer house On a terrace overlooking the lake Joan tilts her head and turns slightly with unconscious grace She smiles enigmatically It appears to be a scene of great happiness But who can tell In 1939 young Joan Falkiner's spirited flight from South Yarra to princely India and her marriage to the Muslim ruler of a small state in Gujarat sent shockwaves through Melbourne society News of their union quickly spread throughout the Raj and as the kingdoms were about to disappear forever in the maelstrom of Indian Independence went as high as the British throne How did it all come about Through conversations in Melbourne Mumbai and the South of France research in the India Office Library in London and her own observations while travelling in modern India Suzanne Falkiner traces the course of a most unusual love story Praise for **Joan in India** The typical fairytale of marrying a prince comes to life in this biography of an Australian girl who leaves her family to marry a Muslim ruler in India Through part travelogue Falkiner traces the feelings of Joan upon arriving to wed a man 36 years her senior Falkiner's descriptions are insightful and conjure up the very essence of being on the streets of India The documentation of the Independence period is brilliant and the reader gets a real grasp of how things were at the time **FOUR STARS BOOKSELLER PUBLISHER MAGAZINE** An impressive writerly achievement One of the marvellous things about the book is the deft characterisation of the interviewees various Falkiner matrons and matriarchs among them as well as the wryly humorous self dramatisation of herself as the biographical detective quietly displaying the author's skills as novelist and journalist Nicholas Jose Deftly combining the skills of an archaeologist with

those of a historian Falkiner goes from one corner of the world to another to excavate the love story of Joan and the Nawab of Palanpur The breadth is aptly captured in the titles of the different parts comprising the book Bombay Palanpur London The South of France Thus history romance and travelogue blend to add a rich hard to define flavour to the narrative making it difficult for the reader to lay the book aside until finished Md Rezaul Haque Transnational Literature Vol 5 Issue 1 Flinders University Adelaide In her childhood Suzanne Falkiner heard tales of a cousin called Joan who married a prince from India As an adult she decided to find what in actuality might lie in the gap between the happy ever after and the faraway kingdom and the real life as it was lived out As an historian of India I can say that Falkiner has uncovered a great deal of information that has never been published and is not generally known even by scholars working in the field John McLeod University of Louisville both a fascinating narrative of travels around Australia and to India Britain and France in search of people who knew Joan and an intimate biography Suzanne Falkiner was remarkably tenacious in tracking down individuals on three continents who did not provide many clues as to their whereabouts She embodies the historian as detective who is not deterred by difficult travelling conditions unpleasant weather recalcitrant witnesses or dead ends Her work is an impressive contribution to the ongoing examination of the role of memory in the writing of the histories of individuals and events Barbara N Ramusack University of Cincinnati While writing about her cousin Falkiner makes the last few years of the Raj come alive and reverberate Joan in India is one of those rare books you chance upon that make you glad someone wrote them Swati Daftuar The Hindu Times

Gallannaugh,2013-06-06 At a time when the National Health Service NHS is undergoing critical scrutiny following numerous revelations of poor care and mismanagement this book tells the story of an independent hospital which working in partnership with the NHS yet remaining outside the state system provides a very high quality of care for patients which is free at the point of delivery The story of the Horder Centre falls conveniently into two parts Part one describes the time from its founding until the death of its founder Cecilia Bochenek in 1981 Part two describes the establishment of the surgical unit there and the development of a modern joint replacement service To maintain the status quo is no longer tenable A radical change is needed in the NHS and if the independent sector or the private sector can assist in that endeavour their contribution should be welcomed not resisted *Shakespeare's Fascist Followers* Richard Wilson,2025-08-21 Richard
