

The book presents a Scriptural analysis of the call, requirements, preparation, principles, protocols and practices of Christian leadership.

Drawing from over 38 years of personal ministry experience, I share Biblical and time tested principles on what it takes to be an effective Spiritual Leader, and to manage and lead people in unprecedented times. I discuss what it means to be responsible for a group of individuals and families and how to prepare for the responsibilities of the office.

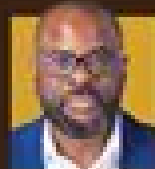

The book will cover issues including:

- Requirements to be an effective Minister
- Understanding the Power of your Office
- The Difference between a Platform and an Altar
- Understanding Pulpit Etiquette & Protocols
- Understanding the Principle of Spiritual Fatherhood
- Receiving the Mantle of a Father
- Understanding the Marks of a True Son in ministry
 - The guiding principles for:
 - Accepting a position
 - Ethics for Resigning a position
 - How to leave your post to start your ministry

...and many more!

Enjoy the read.
