Egyptian Literature Of The Ancient Empire:

Egyptian Literature of the Ancient Empire Charles F. Horne, 2005-12 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia, and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work. *The Literature of the Ancient Egyptians* E. A. Wallis Budge, 2022-09-15 This little book is intended to serve as an elementary introduction to the study of Egyptian Literature. Its object is to present a short series of specimens of Egyptian compositions which represent all the great periods of literary activity in Egypt under the Pharaohs to all who are interested in the study of the mental development of ancient nations. It is not addressed to the Egyptological specialist to whom, as a matter of course, its contents are well known, and therefore its pages are not loaded with elaborate notes and copious references. It represents the author's belief, the first attempt made to place before the public a summary of the principal contents of Egyptian Literature in a handy and popular form. **The Literature of the Ancient Egyptians** E. A. Wallis Budge, 2015-09-22 The civilization of Ancient Egypt lasted longer than the entire span of what we have come to accept as recorded history over three thousand years. During these millennia the Egyptians developed a multitude of gods and goddesses as well as esoteric practices that we are still unraveling the meaning of. Besides this, Egypt was the source of the first true monotheistic religion under the pharaoh Akhenaton. This rich tradition was mostly unknown until the early nineteenth century when the Egyptian language was finally deciphered. CONTENTS I.
