Emerson On The Scholar

Ralph Waldo Emerson

Emerson On The Scholar:

The American Scholar Ralph Waldo Emerson, 2020-09-28 I greet you on the re commencement of our literary year Our anniversary is one of hope and perhaps not enough of labor We do not meet for games of strength or skill for the recitation of histories tragedies and odes like the ancient Greeks for parliaments of love and poesy like the Troubadours nor for the advancement of science like our cotemporaries in the British and European capitals Thus far our holiday has been simply a friendly sign of the survival of the love of letters amongst a people too busy to give to letters any more As such it is precious as the sign of an indestructible instinct Perhaps the time is already come when it ought to be and will be something else when the sluggard intellect of this continent will look from under its iron lids and fill the postponed expectation of the world with something better than the exertions of mechanical skill Our day of dependence our long apprenticeship to the learning of other lands draws to a close The millions that around us are rushing into life cannot always be fed on the sere remains of foreign harvests Events actions arise that must be sung that will sing themselves Who can doubt that poetry will revive and lead in a new age as the star in the constellation Harp which now flames in our zenith astronomers announce shall one day be the pole star for a thousand years

The American Scholar Ralph Waldo Emerson, 1893 **The American Scholar (1838)** by Ralph Waldo Emerson, 2016-11-12 Ralph Waldo Emerson May 25 1803 April 27 1882 known professionally as Waldo Emerson was an American essayist lecturer and poet who led the transcendentalist movement of the mid 19th century He was seen as a champion of individualism and a prescient critic of the countervailing pressures of society and he disseminated his thoughts through dozens of published essays and more than 1 500 public lectures across the United States Emerson gradually moved away from the religious and social beliefs of his contemporaries formulating and expressing the philosophy of transcendentalism in his 1836 essay Nature Following this groundbreaking work he gave a speech entitled The American Scholar in 1837 which Oliver Wendell Holmes Sr considered to be America s intellectual Declaration of Independence

The American Scholar Ralph Waldo Emerson, 1992-03-01 Bonded Leather binding *Emerson on the Scholar* Merton M. Sealts, 1992 In this innovative study of Ralph Waldo Emerson s conception of the scholar Merton Sealts sheds new light on Emerson s attainment of his influential position in nineteenth century intellectual cultural and literary history Sealts is the first author to go beyond Henry Nash Smith s statement The Scholar is the hero of Emerson s unwritten Prelude the protagonist of his spiritual autobiography by systematically examining the development and testing of the scholar as Emerson s idealized self image During the 1830s after Emerson had resigned his Boston pulpit and was seeking a new vocation he began to conceive of the scholar as someone who could think for and speak to all mankind From that time on Emerson adopted the scholar s angle of vision as his own and began to measure his private and professional life against his often invoked conception of the true scholar Part I of Emerson on the Scholar shows how Emerson came to think of the ideal scholar as the intellectual man the Thinker and finally as Man Thinking His image of what the true scholar should be

remained essentially unchanged but his idea of how the scholar should respond to public issues gradually altered during his later years as the crisis over slavery increasingly divided America Part II examines Emerson's reaction to both personal and public crises as the country moved toward the Civil War and beyond and as he himself became more and more active in the Anti Slavery movement The book concludes with an appraisal of the Emersonian scholar in his role as a widely respected teacher of self reliance and self fulfillment Following the course of Emerson's intellectual life in terms of his chosen angle of vision as a scholar Emerson on the Scholar leads to a new understanding and appreciation of Emerson and his thought in relation to American life then and now **Understanding Emerson** Kenneth Sacks,2003-03-30 Publisher Description

The American Scholar; An Address Ralph Waldo Emerson,2015-08-08 *Emerson on the Scholar, 1833-1837* Merton M. Sealts,1970 **Select Essays and Addresses** Ralph Waldo Emerson,1912 **The American Scholar** Ralph Waldo Emerson,2018-08-06 The American Scholar 1838 By Ralph Waldo Emerson by Ralph Waldo Emerson Ralph Waldo Emerson May 25 1803 April 27 1882 known professionally as Waldo Emerson was an American essayist lecturer and poet who led the transcendentalist movement of the mid 19th century He was seen as a champion of individualism and a prescient critic of the countervailing pressures of society and he disseminated his thoughts through dozens of published essays and more than 1 500 public lectures across the United States Emerson gradually moved away from the religious and social beliefs of his contemporaries formulating and expressing the philosophy of transcendentalism in his 1836 essay Nature Following this groundbreaking work he gave a speech entitled The American Scholar in 1837 which Oliver Wendell Holmes Sr considered to be America's intellectual Declaration of Independence We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience **The American Scholar Today** David C.
