Emery Vincent Design Emery Vincent Design (Firm), 1999 Inspired by surrealism and rationalism alike the work of internationally acclaimed Australian design practice Emery Vincent reflects a design philosophy that is both eclectic and open ended Ideas and projects from different moments are presented side by side creating synchronic juxtapositions of time and content The nine threads connecting the works are profile reference process philosophy typography place identity modernism and graphics Emery Vincent is a multi disciplinary practice specializing in environmental and wayfinding graphics corporate brand identity and project management Most recently they have begun pioneering space time design for the internet and digital media More Or Less ,2000 **The Design Manual** David Whitbread, 2001 A comprehensive reference guide to the design and production of documents Written as a companion volume to the Commonwealth Style Manual The Design Manual is an indispensable reference for traditional and digital publishing Designs That Stand Up, Speak Out, and Can't Be Ignored Lisa Hickey, 2004 *The Best of Brochure Design 7* Wilson Harvey, 2004-11-01 Clients the world over turn to graphic designers to help them create standout brochures Each brochure is critical and landing a contract is highly competitive so it is not surprising that designers are always searching for inspiration to execute a brochure with perfection This paperback version of Rockport's best selling Best of Brochure Design series delivers on its promises The Best of Brochure Design 7 features an extraordinary collection of work from top designers around the world including Blok Design Cahan Associates Hand Made Group Pentagram SF Pinkhaus Radley Yeldar Sagmeister Inc and many many more This book provides a wealth of ideas for designing all kinds of brochures from corporate and product literature to annual reports direct marketing and new media Whether you're going for a highly conceptual presentation a cool and sophisticated feel or a classic execution this book is the go to resource for high quality brochure design at its very best **1,000 Greetings** Peter King & Co., 2008-09-01 New miniature version With designers constantly working for clients and having a limited amount of freedom in much of their work the chance to strike out on their own and do something truly original and personal is a real luxury The cards included represent some of the most creative design available so are a wonderful source of inspiration for all types of projects All designers and design firms whether in house or freelance create their own greeting cards which serve not only as a greeting card but as an opportunity to show off their work in a totally unique and uninhibited light In addition they are the perfect project because they are small enough so they are not incredibly time consuming nor are they very expensive to produce even with unique materials or treatments Graphic Design That Works Rockport Publishers, 2006-04-01 Consumers are blitzed with millions of images every day Companies hoping to grab a consumer's attention need a memorable eye catching design whether for a logo an identity system an in depth promotional campaign or a magazine that needs to stay fresh and strong month after month Now as a competitively priced paperback Graphic Design That Works looks

at examples of logos identities promotions brochures and magazine design that have proven successful track records Quick hit copy explores these designs from early conceptual stages to initial drafts and final execution so whether you re a seasoned designer or a newcomer to the field you can understand how and why the design came to be Also included are tips from the experts who put these designs on the map They tell what succeeded and what failed in their attempts to create designs that really work

Designing Pornotopia Rick Poynor,2006 Following the discussion of Poynor s previous anthology *Obeys the Giant* *Designing Pornotopia* covers a wide area of subjects from magazines billboard advertising branding illustration photography tattoos and music graphics to architecture and includes interviews with architect Rem Koolhaas and maverick American graphic designer and performance artist Elliott Earls Along the way Poynor reassesses the early work of Peter Saville and tracks the seemingly unstoppable rise of Stefan Sagmeister among other graphic designers Poynor s concise riveting prose constantly challenges the reader with strong and through provoking arguments

The Best of Business Card Design 6 Blackcoffee Design Inc,2006-07-01 This edition of Rockport s best selling *Best of Business Card Design* series features an innovative collection of the most current and best work by top designers worldwide The go to sourcebook for business card design inspiration this volume contains no text aside from design credits which allows for pages packed with business cards highlighting front back special elements and materials used An unrivaled resource *Best of Business Card Design 6* provides professional designers corporate executives and in house marketing departments with essential identity and branding insight for all types of clients What are the trends in business card design This book provides the answers and highlights cards printed with special techniques such as die cutting embossing foil stamping and much more cards printed on unique substrates and those that are simply downright unusual and memorable

Graphis Brochures 4 Heinke Jenssen,Andrea Birnbaum,Michael Porciello,2001-10-16 This collection of nearly 400 works boldly attests to the importance and effectiveness of innovative brochure design

Logo Lounge 2 , Packed with 2 000 logos from world class designers This book takes all the logos that were in Rockport Publisher s best seller *Logo Lounge 2* and collects them in one small neat pictorial handbook for easy reference There are no lengthy case histories just logos logos and more logos It s a fast paced book featuring one to six logos per page to allow designers to easily shop for ideas Logos are among the most important elements a designer can create so it is no surprise that they are always looking for new fresh ideas *LogoLounge 2* delivers just that Its predecessor showcased the logos along with the stories of how they came to be this compact version puts the spotlight on the logos alone making it the perfect handbook to logo design

Cox Architects Renée Otmar,2000 Cox Architects are world renowned for many aspects of their work not the least of which has been extending an Australian architectural ethos beyond houses and into large scale projects such as the Yulara Tourist Resort in Uluru They are also recognised
