Emotional Common Sense How To Avoid Self Destructiveness:

Emotional Common Sense: how to Avoid Self-destructiveness Rolland S. Parker,1975 **Emotional Common Sense: how to Avoid Self-destructiveness** Rolland S. Parker,1973 **Emotional Common Sense** Rolland S. Parker,Theodore Isaac Rubin,1986-03 **Emotional Honesty & Self-Acceptance** Ronald R. Brill,2000-08-01 There is no excuse for not teaching preventive healthy coping strategies to prepare kids for their teenage years Ronald R Brill In his innovative book Emotional Honesty Self Acceptance Ronald Brill a former university professor and health educator argues that youth can learn how to self manage upsetting and stressful experiences This work explains the relationship between recognizing and dealing with emotional pain which is essential to avoid harmful behavior toward ones self and others Since the book was published in 2000 he continues to research and develop training programs for educators including advising schools and student services professionals so they can more effectively help students learn and practice brain based coping skills to reduce thigh risk emotional stress This book contains guiding principles used in classroom programs he introduced to over 700 4th to 6th grade elementary students from 2002 to 2008 His virtual classroom website www.copingskills4kids.net helps schools parents and counselors guide children in the use of healthy and safe coping skills The book and website are designed to enable recovery from everyday emotional pain caused by loss rejection betrayal and humiliation He refers to these as universal core Emotionally Wounding Experiences Like physical wounds emotional ones can also be infected if left unattended or ignored His classroom programs prove that by age of nine students can learn these lessons to begin preparing for the turbulent teenage years Violence prevention is an important benefit of developing emotional resilience and self acceptance The authors commitment to brain based coping skills learning is now shared by tens of thousands of individuals and institutions around the world seeking new ways to help youth avoid harming others for the emotionally wounds they may otherwise have not learned to heal The 300 page book uses analysis of school shooting incidents to advocate new strategies schools and parents can use to boost kids coping confidence needed to more easily get over inevitable emotionally painful and stressful experiences It is written for mature teenagers and adults This powerful tool provides evidence to those advocating coping skills education programs at home and school This approach with todays youth can make them more responsible and self accepting persons It also helps them develop new capabilities to deal with the emotional challenges and changes during adolescence Some Introductory Chapter Titles What We Dont Know About Hurt Feelings Can Kill Us Seven Important Qualities of Feelings The American Way of Denying Hurt Feelings Our Vulnerable Sense of Self The Danger of Hiding Hurt Feelings Four Core Emotionally Wounding Experiences **From Horseback to Desktop PC** Doug Bower,2007-03 You have struggled with doubt and skepticism yourself As you present your faith and think about it you find it difficult to share it with nonbelievers This is not because you are afraid to but because skeptics just don t seem to want to understand This contributes to your doubt and skepticism Still though you struggle with your faith you find that what you do

believe is congruent with the Christian tradition and with Scripture itself This work does not attempt to convince the reader to believe a certain way Rather it is simply the expression of faith from a modern circuit rider It serves as a facilitator of expressing faith of thinking about it and hopefully stimulating others to express their faith in the contexts of skepticism and traditional acceptance Should you disagree with the points of the book great I simply hope that you will present your own version in some form Maybe you ll write your own book

Realizing God for the Future Saul Boyarsky,2007-06 provides timeless wisdom in extremely practical steps It unlocks the doors to a more healthy peace filled life A powerful book Harold G Koenig M D One of the world s leading authorities on spirituality and health If widely accepted its positive consequences for the world we live in could be groundbreaking Dr Marianne Friedrich Saul Bellow Scholar Well written and well researched Joanna V Hill Director of Publications The Templeton Foundation Press Finding the true God inside us for the future as personal responsibility initiative accountability and principle Change is inexorable creating opportunity crises best managed through process theology God must be truthful without truth full life love justice and virtue cannot exist Science and religion must marry not quarrel They are opposite sides of the same gold coin Why do prophets succeed where priests fail God is absolute though morals and ethics may be relativistic Biotheology teaches us ecological humility and awareness Managing evil by restoring living units to wellness through rehabilitation of people groups and societies Issues and questions outlast answers leading us in the future to more sophisticated answers through science
