## **Emperor Of Japan Meiji And His World 1852 1912:**

*Emperor of Japan* Donald Keene, 2002 This is the extraordinary story of how Japan was dramatically transformed during the long reign of Emperor Meiji from an isolated island nation to one of the five great powers of the world poised as a rival in Asia to Russia and the European colonial powers Emperor of Japan Donald Keene, 2002 **The Emperors of Modern Japan** Ben-Ami Shillony, 2008 The book offers a fascinating picture of the four emperors of modern Japan their institution their personalities and their impact on the history of their country Leading scholars from Japan and other countries have contributed essays which treat this subject from various angles Essays on Unfamiliar Travel-Writing John Anthony Butler, 2017-01-06 This book comprises a number of essays on travel narratives which are somewhat unknown to the general reader They include writing by people who travelled from the East to the West as well as those going the usual way The travellers include a seventeenth century accountant a Persian shah an Indian rajah and a Hawaiian king as well as an Irish doctor an American journalist and a Japanese poet The book presents these travellers in an informal manner although there are discussions about identity otherness and stereotyping as they are displayed in the narratives The book will appeal to students and academics as well as the general reader **History of Modern Japan** Christopher Harding, 2020-06-30 ING\_08 Review quote Modern Asian Design D.J. Huppertz, 2018-02-22 Modern Asian Design provides a comprehensive introduction to the development of Asian design in the modern period both tracing historical threads and offering a theoretical framework within which to chart the history of design in Asia Rather than a singular Asian history this book presents a series of studies centred on trade routes colonial relationships regional networks and cross cultural exchanges Modern Asian Design builds on existing resources beyond design history in an effort to map the field focusing particularly on relations between Asia and the West and also across Asian design cultures Opening with a brief overview of trade and exchange networks in the 17th and 18th centuries the bulk of this study comprises analysis of the development of modern design in Asia during the later 19th and early 20th centuries a period of rapid modernisation The book's final two chapters bring these central ideas into a contemporary and highly relevant context **Edwardian London Through Japanese Eyes** Yoshio Markino, 2011-12-23 The Japanese artist Yoshio Markino enjoyed a successful career in early twentieth century London as an artist and author This book examines his uniquely Asian perspective on British society and culture at a time when Japan eagerly sought engagement with the West *The A to Z of the Russo-Japanese War* Rotem Kowner, 2009-08-20 Every war leaves an imprint in history but few have had such a pervasive impact in so many respects as the Russo Japanese War of 1904 1905 Politically it fatally weakened the Russian Empire while allowing Japan to follow more dangerous paths Diplomatically it shook the power balance in Europe and reshaped it in the form of two coalitions leading to World War I With regard to the art of warfare it emphasized the use of trench warfare and machine guns on land and the deployment of battleships and the use of torpedoes at sea Yet despite its importance at the time it has become very much a forgotten war

The A to Z of the Russo Japanese War provides considerable breadth and depth of coverage based on Japanese Russian and Western sources The breadth is accomplished through a wide ranging introduction a detailed chronology and an extensive bibliography The depth comes in the hundreds of entries on military and political leaders major battles and lesser encounters tactics and strategy as well as the weaponry and of course the causes and consequences The result is the first major reference work on the Russo Japanese War in English and the largest in any language

**Suicidal Honor** Doris G. Barga, 2006-09-30 On September 13 1912 the day of Emperor Meiji's funeral General Nogi Maresuke committed ritual suicide by seppuku disembowelment It was an act of delayed atonement that paid a debt of honor incurred thirty five years earlier The revered military hero's wife joined in his act of junshi following one's lord into death The violence of their double suicide shocked the nation What had impelled the general and his wife on the threshold of a new era to resort so drastically so dramatically to this forbidden anachronistic practice The nation was divided There were those who saw the suicides as a heroic affirmation of the samurai code others found them a cause for embarrassment a sign that Japan had not yet crossed the cultural line separating tradition from modernity While acknowledging the nation's sharply divided reaction to the Nogis junshi as a useful indicator of the event's seismic impact on Japanese culture Doris G Barga in the first half of her book demonstrates that the deeper significance of Nogi's action must be sought in his personal history enmeshed as it was in the tumultuous politics of the Meiji period *Suicidal Honor* traces Nogi's military career and personal travail through the armed struggles of the collapsing shogunate and through the two wars of imperial conquest during which Nogi played a significant role the Sino Japanese War 1894 1895 and the Russo Japanese War 1904 1905 It also probes beneath the political to explore the religious origins of ritual self sacrifice in cultures as different as ancient Rome and today's Nigeria Seen in this context Nogi's death was homage to the divine emperor But what was the significance of Nogi's waiting thirty five years before he offered himself as a human sacrifice to a dead rather than living deity To answer this question Barga delves deeply and with great insight into the story of Nogi's conflicted career as a military hero who longed to be a peaceful man of letters In the second half of *Suicidal Honor* Barga turns to the extraordinary influence of the Nogis deaths on two of Japan's greatest writers Mori Utagaki and Natsume Soseki Utagaki's historical fiction written in the immediate aftermath of his friend's junshi is a profound meditation on the significance of ritual suicide in a time of historical transition Stories such as *The Sakai Incident* *Sakai jiken* appear in a new light and with greatly enhanced resonance in Barga's interpretation In Soseki's masterpiece *Kokoro Sensei* the protagonist refers to the emperor's death and his general's junshi before taking his own life Scholars routinely mention these references but Barga demonstrates convincingly the uncanny ways in which Soseki's agonized response to Nogi's suicide structures the entire novel By exploring the historical and literary legacies of Nogi Utagaki and Soseki from an interdisciplinary perspective *Suicidal Honor* illuminates Japan's prolonged and painful transition from the idealized heroic world of samurai culture to the mundane anxieties of modernity It is a study that will fascinate specialists in the fields

of Japanese literature history and religion and anyone seeking a deeper understanding of Japan's warrior culture

**Unconquered States** H. E. Chehabi, David Motadel, 2024-11-25 In the heyday of empire most of the world was ruled directly or indirectly by the European powers *Unconquered States* explores the struggles for sovereignty of the few nominally independent non-Western states in the imperial age It examines the ways in which countries such as China Ethiopia Japan the Ottoman Empire Persia and Siam managed to keep European imperialism at bay whereas others such as Hawaii i Korea Madagascar Morocco and Tonga long struggled but ultimately failed to maintain their sovereignty The chapters in this book address four major aspects of the relations these countries had with the Western imperial powers armed conflict and military reform unequal treaties and capitulations diplomatic encounters and royal diplomacy Bringing together scholars from five continents this book provides the first comprehensive global history of the engagement of the independent non-European states with the European empires reshaping our understanding of sovereignty territoriality and hierarchy in the modern world order

**Envisioning the Empress: The Lives and Images of Japanese Imperial Women, 1868-1952** Alison J. Miller, 2024-12-02 *Envisioning the Empress* illuminates dynamic and powerful empresses who impacted not only women in their own time but whose influence extended to later generations of royalty creating a greater role for imperial women and elevating the status of women's roles at a crucial juncture in Japanese history The central focus of this book is visual monarchy exploring how the empress biographies were primarily expressed in visual culture and how their images worked in support of Japan's imperial policies in the late nineteenth and early twentieth centuries The book begins with a brief overview of premodern and modern imperial women to orient the reader In each chapter different media audiences and distribution channels for constructing the narrative of feminine imperial power in Japan are addressed alongside biographical information It is argued that the ultimate purpose of all of these images was to elevate the empress and promote her image as a conventional role model for modern women but one with enough celebrity cache to maintain popularity The images of the modern empresses as distributed by the Imperial Household Agency strike a balance between propaganda and popular media noble philanthropist and upper middle class role model celebrity and mother of the nation The modern empress image was crafted to be both exalted and approachable and worked to establish individual biographies while simultaneously establishing the position of the empress as timeless in the public eye *Envisioning the Empress* introduces students of royal studies as well as modern Japanese history and art history to this fascinating element of the history of monarchy and women's history more broadly

***Voiced and Voiceless in Asia*** Halina Zawiszová, Martin Lavička, Annegret Bergmann, Pia Eskelinen, Letizia Guarini, Noriko Hiraishi, Kamila Hladíková, Fumi Inoue, Bhavana Kumari, Madhu, Rafael Vinícius Martins, Nikolaos Mavropoulos, Robert Ono, Silvia Picchiarelli, André Pinto Teixeira, Martina R. Prospero, Tenha Seher, Rune Steenberg, Freya Terryn, Robert Tsaturyan, Jessica Uldry, 2023 This volume consists of 19 chapters that reflect the titular theme *Voiced and Voiceless in Asia* from a variety of angles making use of diverse scholarly approaches and disciplines while

focusing specifically on China India Japan and Taiwan The chapters are broadly divided into two parts 1 Politics and Society and 2 Arts and Literature although the texts included in the second part also deal with social themes In addition to historical topics such as Japanese colonialism or Chinese agricultural reforms in the 1950s the volume also addresses current issues including restrictive Chinese policies in Xinjiang Japanese activist movements against gender based violence and discrimination or the problems of migrant laborers in India and performing arts in Japan during the COVID 19 pandemic Likewise it provides insight into satirical woodblock prints from the Boshin War period or works of literature produced in Japanese leprosariums in the first half of the 20th century as well as into selected topics in contemporary Chinese Japanese and Sinophone Tibetan literature Collectively the chapters comprised in this volume narrate the multifaceted relationship between voice and power thus highlighting the fact that the question of voice is closely intertwined with a variety of social political and cultural issues

Historical Dictionary of Japan to 1945 Kenneth Henshall,2013-11-07 The Historical Dictionary of Japan to 1945 spans the entire period from the earliest evidence of human habitation in Japan through to the end of the Pacific War It includes substantial topics such as cultural and literary history with entries ranging from aesthetics to various genres of writing Other branches of history also feature such as economic history industrial history political history and so forth And of course there are the makers of Japanese history ranging from emperors and shoguns to politicians and extremists as well as foreign arrivals The early history of Japan is told through a detailed chronology an introductory essay appendixes an extensive bibliography and over 800 cross referenced dictionary entries on important people organizations activities and events The Historical Dictionary of Japan to 1945 will appeal to both academics and the general public who have an interest in Japan particularly those who want reliable information quickly and easily

**Japan at War** Louis G. Perez,2013-01-08 This compelling reference focuses on the events individuals organizations and ideas that shaped Japanese warfare from early times to the present day Japan s military prowess is legendary From the early samurai code of morals to the 20th century battles in the Pacific theater this island nation has a long history of duty honor and valor in warfare This fascinating reference explores the relationship between military values and Japanese society and traces the evolution of war in this country from 700 CE to modern times In Japan at War An Encyclopedia author Louis G Perez examines the people and ideas that led Japan into or out of war analyzes the outcomes of battles and presents theoretical alternatives to the strategic choices made during the conflicts The book contains contributions from scholars in a wide range of disciplines including history political science anthropology sociology language literature poetry and psychology and the content features internal rebellions and revolutions as well as wars with other countries and kingdoms Entries are listed alphabetically and extensively cross referenced to help readers quickly locate topics of interest

**Unsteady Crowns** A.W. Purdue,2011-10-24 War and austerity unrest and revolution the institution of monarchy has remained stalwart through every challenge levelled at it but just what is its role and how secure is its future in our modern society At the beginning of the twentieth century monarchy

was by far the most common form of government emperors sat on the thrones of Germany Austria Hungary Persia Japan China Russia and the Ottoman Empire while there were kings of Bulgaria Serbia Italy Romania Greece Korea and Cambodia After he lost his throne in 1952 King Farouk of Egypt predicted that by the end of the century there would be only five kings the kings of hearts aces clubs and spades and the King of England That prediction has not come true for there remain monarchs across the globe The number of monarchies has appreciably diminished yet the idea continues to have allure In *Unsteady Crowns* historian A W Purdue explores the important role played by monarchies as agents of continuity guarding and representing the national ethos and brings the story up to date in a fully revised second edition exploring the roles of celebrity rivalry and much more in monarchies worldwide

*Introduction to Japanese Politics* Louis D. Hayes, 2017-08-07

*Introduction to Japanese Politics* now in its fully updated sixth edition is a comprehensive and current review of political and public policy developments in Japan Since the previous edition Japan s economic policy has undergone significant change with a prolonged period of deflation having altered the dynamics of the Japanese economy At the same time the Abe administration has expanded Japan s international security participation previously limited by the constitution while China s activities in the South China Sea have impinged upon Japan s territorial claims This classic introduction to the Japanese political system has been revised and fully updated in this sixth edition to take into account these widespread changes in the country s political life Building on the structure and content of the previous edition this new edition covers An overview of Japan s geographical setting and history Japan s political institutions processes and actors Recent organizational ideological and policy changes in the LDP since its return to power The country s distinctive social order and its educational healthcare and public safety systems The increasingly contentious realm of foreign relations and security issues including China s expanding role and the effect of North Korea s development of nuclear weapons This broad ranging textbook continues to be essential reading for students of Japanese politics international politics and Japanese studies

*China's Economic Rise* Sangaralingam Ramesh, 2020-08-29

This book examines the economic and political rise of China from the perspective of Japan s economic development Beginning with Japan s rise to statehood in the Kamakura Period 1185 to 1333 and detailing the evolution of its economy through to 2018 parallels are drawn with the economic development of China Many of the challenges Japan faced in the first decades of the 20th century including nationalism militarism income disparities social deprivation and economic crisis are applicable to modern day China *China's Economic Rise Lessons from Japan's Political Economy* aims to detail the possible economic and political upheavals that could accompany the slowing of the Chinese economy from the experience of Japan The book will be of interest to researchers and students in Political Economy Economic History Economic Transition and Development Economics The book supplements the other publications of the author *China's Lessons for India Volume 1 The Political Economy of Development* *China's Lessons for India Volume 2 The Political Economy of Change and The Rise of Empires* *The Political Economy of Innovation* *The Other Great Game* Sheila

Miyoshi Jager,2023-05-16 Sheila Miyoshi Jager returns to the three cornered contest among imperial Russia China and Japan over the Korean Peninsula The battle to colonize Korea upended East Asian geopolitics set great power conflicts of the twentieth century in motion and seeded internal rivalries that persist in the peninsula s division between North and South

**Daughters of the Samurai** Janice P. Nimura,2015-04-27 A Seattle Times Best Book of the Year A Buzzfeed Best Nonfiction Book of the Year Nimura paints history in cinematic strokes and brings a forgotten story to vivid unforgettable life Arthur Golden author of *Memoirs of a Geisha* In 1871 five young girls were sent by the Japanese government to the United States Their mission learn Western ways and return to help nurture a new generation of enlightened men to lead Japan Raised in traditional samurai households during the turmoil of civil war three of these unusual ambassadors Sutematsu Yamakawa Shige Nagai and Ume Tsuda grew up as typical American schoolgirls Upon their arrival in San Francisco they became celebrities their travels and traditional clothing exclaimed over by newspapers across the nation As they learned English and Western customs their American friends grew to love them for their high spirits and intellectual brilliance The passionate relationships they formed reveal an intimate world of cross cultural fascination and connection Ten years later they returned to Japan a land grown foreign to them determined to revolutionize women s education Based on in depth archival research in Japan and in the United States including decades of letters from between the three women and their American host families *Daughters of the Samurai* is beautifully cinematically written a fascinating lens through which to view an extraordinary historical moment

Introduction to Japanese Politics Hayes,2009-05-15 This widely used text is an even handed forthright attempt to explain the political life of Japan as well as the forces that shape it It demystifies this complex society by explaining the historical background for modern Japan the political process its formal structure the party system and citizen participation the social order and the domestic economy and Japan s role in international politics with emphasis on U S Japanese relations and the international economy The revised and updated Third Edition covers the new ground of 1995 1999 a period during which Japan experienced extraordinary political and economic change
