

HOW TO IMPLEMENT AN EMPLOYEE ASSISTANCE PROGRAM?

To successfully implement an employee assistance program, you need to follow the steps -

Create a Budget Estimate

You need to decide the amount you can spend on employee assistance programs. For this, you can calculate the fee per employee.

Choose the Services Type

You need to decide the amount you can spend on employee assistance programs. For this, you can calculate the fee per employee.

Select the EAP Provider

Once you have decided the employee assistance services type, you need to choose an EAP service provider that matches your budget and requirement.

Conduct Internal Training

After the successful signing of the agreement, you need to train your internal team on the EAP program before launching it.

Launch the Program

Lastly, after the training, the program is launched successfully to address employees' issues and providing solutions to resolve them.
