Employment Policies In The Soviet Union And Eastern Europe:

Employment Policies in the Soviet Union and Eastern Europe Jan Adam,1987-06-18 **Russia and Eastern Europe, 1789-1985** Raymond Pearson,1989 **East European Economies: Economic performance and policy** ,1985

Economic Adjustment and Reform in Eastern Europe and the Soviet Union Franklyn D. Holzman,1988 Economic reform structural adjustment macroeconomic stabilization and participation in the world economy are interconnected aspects of the same issue the long term economic viability of centrally planned economies in the rapidly changing economic environment of the modern world Any economic strategy that focuses on only one or two of these aspects at the expense of the others is likely to fail yet even strategies that build on all of these bases may well fail unless political leaders can muster exceptional skill garner international support and enjoy some good luck The contributions to this volume reflect the recent research on this issue by various specialists on the economies of the Soviet Union and Eastern Europe Each author emphasizes macroeconomic stabilization structural adjustment participation in the larger world economy or economic reform

Employment/Wage Policies in Poland, Czechoslovakia and Hungary Since 1950 Jan Adam,1984-06-18 Comparison of employment policies and wage policies in Poland Czechoslovakia and Hungary 1950 to 1982 comments on economic development strategy examines full employment and associated phenomena such as labour shortages and labour hoarding discusses labour force participation employment creation labour market regulation wage rates wage differentials wage determination and relations between wages employment and labour productivity Bibliography statistical tables Housing Policies in Eastern Europe and the Soviet Union J. A. A. Sillince,2014-04-08 Housing has enjoyed a high place on the agendas of most socialist countries However this place has not been undisputed and this book examines the internal and external forces which have influenced housing under central planning **Planning and Market in Soviet and East European**

Thought, 1960s-1992 Jan Adam,2016-07-27 This book discusses the evolution of ideas about the desirable combination of planning and market in the former Soviet Union Poland Czechoslovakia and Hungary since the 1960s when major economic reforms started up to 1991 when the countries have been engaged in a transformation of their economies into market economies It also discusses the common and contrasting features of the debates which evolved in the countries under review

Employment and Human Rights Richard L. Siegel,1994 Intellectual history is placed in the broadest possible contexts of economic political and social contexts Sourcebook of Labor Markets Ivar Berg,Arne L. Kalleberg,2012-12-06 A distinguished roster of contributors considers the state of the art of the field at the turn of the 21st century and charts an ambitious agenda for the future Following what the editors describe as an evolutionist approach to the study of labor markets the chapters address issues of continuity and discontinuity in a wide range of topics including markets and institutional structures employment relations and work structures patterns of stratification in the United States and public policies opportunity structures and economic outcomes Employment Planning in the Soviet Union Silvana Malle,1990-06-18 A

study of many aspects of employment conditions and the labour force in the Soviet Union It examines production capacity job rights under Soviet law and an outline of Soviet wage policy The information is current as Soviet newspapers and journals were used as research material

Why did the Socialist System Collapse in Central and Eastern European

Countries? Jan Adam,2016-07-27 In the book the author discusses the reasons for the collapse of the socialist system in Poland Czechoslovakia and Hungary He analyses the roles of economic and political factors and of the USSR He concludes that the lack of legitimacy of the communist regime the disintegration of the Communist Party and its ideology were at least as important reasons as increasing lag behind the West in technology and the declining standard of living

East European Economies ,1985 Transition, Recession and Labour Supply Paolo Verme,2020-11-25 This title was first published in 2001 Exploring the relationship between the recession and labour supply in Kazakhstan during the 1990s this volume develops an innovative new model of the transitional process in the context of the CIS It departs from conventional economic models explaining the process of transition transferring the focus of attention from labour demand to labour supply with a view to clarifying how the transitional recession has affected households and in turn how these changes modified the supply of labour Paolo Verme examines how the dynamic of the reallocation of labour between state and private enterprises has been drastically altered by the growth of self employment and also takes a much needed look at the contribution of other factors offering an original explanation of this most important economic phenomenon

The Challenge of Simultaneous Economic Relations with East and West Michael Marrese,1990-06-18 This work contains papers presented at a conference held in March 1988 It chronicles the efforts of four countries Austria Finland Hungary and Yugoslavia to develop economic ties with both the East and the West Topics covered include the evolution of dual economic ties

Gender Inequality in the Eastern European Labour Market Giovanni Razzu,2016-10-26 Under communism there was in the countries of Eastern Europe a high level of gender equality in the labour market particularly in terms of high participation rates by women The transition from communism has upset this situation with different impacts in the different countries This book presents a comprehensive overview of gender and the labour market since the fall of communism in a wide range of Eastern European countries Each country chapter describes the nature of inequality in the particular country and goes on to examine the factors responsible for this including government policies changing social attitudes levels of educational attainment and the impact of motherhood Overall the book provides an interesting comparison to the situation in Western developed countries outlining differences and similarities No one single Eastern European model emerges while as in Western developed countries a range of experiences and trends is the norm

Sixth European Regional Meeting, Geneva, December 2000: Decent work in Europe and Central Asia : ILO activities 1995-2000 ,2000 Transition in Central and Eastern Europe has led to more varied results and in most countries political transition is well ahead of economic restructuring The consolidation of democratic institutions by no means generated rapid economic gains and some of the expectations at the beginning of the

1990s were far too optimistic *Women and Gender in Central and Eastern Europe, Russia, and Eurasia* Mary Zirin,Irina Livezeanu,Christine D. Worobec,June Pachuta Farris,2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes **The Transition in Eastern Europe, Volume 1** Olivier Jean Blanchard,Kenneth A. Froot,Jeffrey D. Sachs,2008-04-15 When communism fell in 1989 the question for most Eastern European countries was not whether to go to a market economy but how to get there Several years later the difficult process of privatization and restructuring continues to concern the countries of the region The Transition in Eastern Europe Volumes 1 and 2 is an analysis of the experiences of various countries making the transition to market economies and examines the most important challenges still in store Volume 1 Country Studies gives an in depth country by country analysis of various reform experiences including historical backgrounds and discussions of policies and results to date The countries analyzed are Poland Czechoslovakia Hungary eastern Germany Slovenia and Russia Written by leading economists some of whom helped shape local and national reforms this volume identifies common progress common difficulties and tentative solutions to the problems of economic transition Volume 2 Restructuring focuses on specific issues of transition including how to design labor market institutions privatization new fiscal structures and bankruptcy laws how to reorganize foreign trade and how to promote foreign direct investment The articles written by experts in the field will be of direct help to those involved in the transition process These volumes provide a standard reference on economic transition in the region for policymakers in Eastern Europe and in western countries for international agencies concerned with the transition process and for anyone interested in learning about the dramatic changes that have recently occurred in Eastern Europe *The Routledge Companion to Reward Management* Stephen J. Perkins,2018-11-14 The Routledge Companion to Reward Management provides a prestige reference work and a state of the art compilation mapping out contemporary developments and debates on rewarding people in employment and how they relate to business corporate governance and management Reward management stands at the interdisciplinary interface between economics industrial relations and HRM industrial psychology and organisational sociology and increasingly corporate governance incorporating debates around equity and fairness in and around the employment relationship and wider capital labour relations In recent years trade union decline and widening

differentials between those employed at the top of organisations have generated critical commentary in the popular media which can negatively impact on social cohesion Theoretically underpinned but practically oriented this Companion will synthesise these trends and controversies around issues while tracing conceptual and empirical provenance currency and future prospects It will be an invaluable resource for student and researchers in reward management corporate governance management and HRM seeking convenient access to an area which is highly complex and controversial in application

East Central Europe and the former Soviet Union Michael Bradshaw, Alison Stenning, 2016-04-15 A comprehensive introduction to the important economic social and political processes and development issues in this increasingly popular area of study Employing a groundbreaking thematic approach the book centres its discussion on the interrelation between contemporary development theories and continuing transition issues in this huge and complex region
