Göran Printz-Påhlson, 2011 This collection brings together for the first time select works in English by the major Swedish

his essays and poems delve deeply into English American and continental modernist traditions As well as Letters of Blood the  
collection includes the full text of The Words of the Tribe a major statement on modern poetics in which Printz Pahlson  
explores the significance of primitivism in Romanticism and Modernism and the nature of metaphor and literary materialism  
The collection also includes essays on style irony realism and the relationship between historical drama and historical fiction  
as well as studies of American poetry Printz Pahlson s poetry in English continues to explore these themes by different often
