Beyond The Back Room Marian Womack, 2011 This collection of essays examines current trends in scholarly research on Spanish author Carmen Mart n Gait e 1925 2000 It concentrates on the least explored areas of Mart n Gait e s oeuvre such as her collage artwork the relationship between image and text in her work and her close relationship with themes such as genre writing the fairy tale and textual physical notions of space as well as her personal theories on orality and narration As we pass the tenth anniversary of her death Mart n Gait e continues to be an increasing focus of study as scholars start to identify and comprehend the breadth and scope of her work The essays in the volume complement previous studies of Mart n Gait e s major works from the 1960s and 1970s by focusing largely on her later novels together with in depth analysis of the manuscripts and artistic materials that have been made available since her death

A Companion to Carmen Mart n Gait e Catherine O'Leary, Alison Ribeiro de Menezes, 2014-08-21 A comprehensive examination of the full range of Carmen Mart n Gait e s work Carmen Mart n Gait e produced a large body of work in various genres over the course of her five decade career though she is primarily known as a novelist short story writer and social commentator Her work at times reflects and at times defies the pattern of development in Spanish fiction since the 1950s This Companion offers a re reading of Mart n Gait e s works emphasizing her early experimentalism which culminated in mid career works notably *El cuarto de atr s* and stressing how in the late 1960s and early 1970s when the majority of Spanish novelists were engaged in a critique of history Mart n Gait e turned to the writing of cultural history exploring its intersection

with narrative fiction in a positivist rather than a nihilistic mode Her exploration of gender issues particularly mother child relations towards the end of her career anticipated new directions in feminist thought Discussions of often ignored works such as poetry drama children s literature and literary translations offer insight into sidelined aspects of this writer s literary output Catherine O Leary is Reader in Spanish at the University of St Andrews Alison Ribeiro de Menezes is Professor of Spanish at the University of Warwick
