Emergency Sex And Other Desperate Measures:

Emergency Sex (and Other Desperate Measures) by Kenneth Cain, Heidi Postlewait and Andrew Thomson
Llewellyn Johns, 2006 **Emergency Sex and Other Desperate Measures** Kenneth Cain, Heidi Postlewait, Andrew Thomson, 2004-06-09 This is a true story about three friends trying to bring a bit of decency to some of the most savage and indecent spots on our planet Back cover *Emergency Sex (And Other Desperate Measures)* Andrew Thomson, Heidi Postlewait, Kenneth Cain, 2011-05-31 What it s really like on the frontline of humanitarian aid It s the early 1990s and three young people are looking to change their lives and perhaps also the world Attracted to the ambitious global peacekeeping work of the UN Andrew Ken and Heidi s paths cross in Cambodia from where their fates are to become inextricably bound Over the coming years their stories interweave through countries such as Rwanda Bosnia Somalia and Haiti war torn lawless places where the intervention of the UN is needed like nowhere else Driven by idealism the three struggle to do the best they can caught up in an increasingly tangled web of bureaucracy and ineffectual leadership As disillusionment sets in they attempt to keep hold of their humanity through black humour revelry and emergency sex Brutal and moving in equal measure *Emergency Sex And Other Desperate Measures* explores pressing global issues while never losing a sense of the personal Deeply critical of the West s indifference to developing countries and the UN s repeated failure to intervene decisively the book provoked massive controversy on its initial publication Kofi Annan called for the book to be banned and debate was sparked about the future direction of the UN Brilliantly written and mordantly funny it is a book that continues to make waves *Emergency Sex (and Other Desperate Measures)* Kenneth Cain, Heidi Postlewait, Andrew Thomson, 2004 It s early 1990s and three young people working for the UN and Red Cross in Cambodia become friends in the heady atmosphere of the country s first democratic elections All of them have been attracted to peace keeping in countries both dangerous and alluring for different reasons Heidi is in need of a challenge and a pay cheque Ken is full of idealism and Andrew strives to create a better world through his work as a doctor As the Cold War ends and the New World Order dawns the three become friends for life But their journey through a violent decade from Rwanda and Bosnia to Somalia and Haiti challenges their lives and personalities leaving them utterly changed both broken and enriched In this powerful devastatingly honest memoir Andrew Heidi and Ken mingle their distinct voices to paint a searing portrait of life amidst war and genocide whilst giving eye witness accounts of the thousands of lives that have been destroyed in countries such as Rwanda by the inactivity and greed of the West Back cover *The International Struggle Over Iraq* David M. Malone, 2007 Iraq has dominated headlines in recent years but its controversial role in international affairs goes back much further Drawing on unparalleled access to UN insiders this book is key to understanding one of the most persistent crises in international affairs and the various roles the world s central peace making forum has played in it Publisher description *That the World May Know* James Dawes, 2009-06-30 What can we do to prevent more atrocities from happening in the future and to stop the ones that are

happening right now That the World May Know tells the powerful and moving story of the successes and failures of the modern human rights movement Drawing on firsthand accounts from fieldworkers around the world the book gives a painfully clear picture of the human cost of confronting inhumanity in our day *Surviving Field Research* Chandra Lekha Sriram, John C. King, Julie A. Mertus, Olga Martin-Ortega, Johanna Herman, 2009-06-02 This text guides researchers in conducting research in situations of violent conflict or human rights abuses It informs the reader of the ongoing debates about responsible scholarship and explains how to identify and address challenges in conducting qualitative research in difficult circumstances

Statebuilding and State-Formation Berit Bliesemann de Guevara, 2012-02-20 This book examines the ways in which long term processes of state formation limit the possibilities for short term political projects of statebuilding Using process oriented approaches the contributing authors explore what happens when conscious efforts at statebuilding meet social contexts and are transformed into daily routines In order to explain their findings they also analyse the temporally and spatially broader structures of world society which shape the possibilities of statebuilding Statebuilding and State Formation includes a variety of case studies from post conflict societies in Africa Asia and Europe as well as the headquarters and branch offices of international agencies Drawing on various theoretical approaches from sociology and anthropology the contributors discuss external interventions as well as self led statebuilding projects This edited volume is divided into three parts Part I State Formation Violence and Political Economy Part II Governance Legitimacy and Practice in Statebuilding and State Formation Part III The International Self Statebuilders Institutional Logics Social Backgrounds and Subjectivities The book will be of great interest to students of statebuilding and intervention war and conflict studies international security and IR

Foreign Aid and Its Unintended Consequences Dirk-Jan Koch, 2023-09-27 Foreign aid and international development frequently bring with it a range of unintended consequences both negative and positive This book delves into these consequences providing a fresh and comprehensive guide to understanding and addressing them The book starts by laying out a theoretical framework based on complexity thinking before going on to explore the ten most prevalent kinds of unintended effects of foreign aid backlash effects conflict effects migration and resettlement effects price effects marginalization effects behavioural effects negative spillover effects governance effects environmental effects and ripple effects Each chapter revolves around a set of concrete case studies analysing the mechanisms underpinning the unintended effects and proposing ways in which policymakers practitioners and evaluators can tackle negative side effects and maximize positive side effects The book also includes personal testimonies a succinct overview of unintended effects and suggestions for further reading Providing a clear overview of what side effects to anticipate when planning executing and evaluating aid this book will be an important resource for students development practitioners and policymakers alike The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Building peace for a living Mojca Vah Jevšnik, 2009-01-01

Using Kosovo as a case study the book illuminates the interplay of some of the most controversial concepts in postcolonial times including humanitarian intervention peacebuilding nation state building and doing development in war torn states A special focus is on development professionals mandated to build peace and implement development projects in war torn or failed states The book seeks to uncover the complex nature of doing good for others especially when development efforts are serving the political and economic interests of donor states and when the social status attained by the expatriate development workers tends to improve upon migrating to and working in war torn states Representing Genocide Rebecca Jinks,2016-06-02 This book explores the diverse ways in which Holocaust representations have influenced and structured how other genocides are understood and represented in the West Rebecca Jinks focuses in particular on the canonical 20th century cases of genocide Armenia Cambodia Bosnia and Rwanda Using literature film photography and memorialisation she demonstrates that we can only understand the Holocaust s status as a benchmark for other genocides if we look at the deeper structural resonances which subtly shape many representations of genocide Representing Genocide pursues five thematic areas in turn how genocides are recognised as such by western publics the representation of the origins and perpetrators of genocide how western witnesses represent genocide representations of the aftermath of genocide and western responses to genocide Throughout the book distinguishes between mainstream and other more nuanced and engaged representations of genocide It shows how these mainstream representations the majority largely replicate the representational framework of the Holocaust including the way in which mainstream Holocaust representations resist recognising the rationality instrumentality and normality of genocide preferring instead to present it as an aberrant exceptional event in human society By contrast the more engaged representations often but not always originating from those who experienced genocide tend to revolve around precisely genocide s ordinariness and the structures and situations common to human society which contribute to and become involved in the violence The New United Nations John Allphin Moore, Jr.,Jerry Pubantz,2017-03-16 With a fresh look at challenges to the UN in Syria Iran Russia and elsewhere the second edition of this successful text highlights new international trends toward global governance holistic democracy and human development and progress on peacebuilding and counterterrorism A comprehensive guide to the world body s institutions procedures policies specialized agencies historic personalities initiatives and involvement in world affairs The New United Nations is organized thematically blending both topical and chronological explanations making reference to current scholarly terms and theories New to this edition Fully updated chapters and a new Introduction including discussion of the Paris Climate Change Agreement Human Rights Council and Peacebuilding Commission New sections on Special Rapporteurs and Special Procedures the theory and practice of neoliberalism the UN s endorsement of the Responsibility to Protect and Contact Groups Unique special section on the student Model United Nations experience Coverage of the UN s fifteen year assessment of the Millennium Development Goals and the consequent approval of the Sustainable Development Goals and

eResources with supportive materials and documents **Psychoanalysis, Law, and Society** Plinio Montagna, Adrienne Harris, 2019-05-13 Psychoanalysis Law and Society explores the connections between psychoanalysis and law arguing that these are required not only for conceptual or theoretical needs in both fields but also for the vast range of practical implications and possibilities their association enables The book is divided into four parts each addressing a unique example of the interaction of legal and psychoanalytic work It begins with matters that are as global as they are local the challenge of caring for and aiding migrants refugees families and individuals the question of planetary survival of the mistreatment and violence in military and secular conflicts and the projects and processes of international governance The middle two parts focus on the very wide ranging problems of social violence as these target women and people of diversity Then on the penetration of law into the most intimate aspects of family life adoption divorce child custody and complex parental arrangements In the last part the contributions use this double vision legal and psychoanalytic perspective to explore basic processes in social and legal life Psychoanalysis Law and Society will be of great interest to psychoanalysts psychoanalytic psychotherapists as well as legal scholars **Sex, Love and Money in Cambodia** Heidi Hoefinger, 2013-07-04 Dealing with the complex and discomforting grey area where sex love and money collide this book highlights the general materiality of everyday sex that takes place in all relationships In doing so it draws attention to and destigmatizes the transactional elements within many normative partnerships be they transnational inter ethnic or otherwise Focusing on Cambodia and on a subculture of young women employed in the tourist bar scene referred to as professional girlfriends the book shows that the resulting transnational relationships between Cambodian women and their foreign partners are complex and multi layered It argues that the sex for cash prostitution framework is no longer an appropriate model of analysis Instead a new vocabulary of professional girlfriends and transactional sex is used with which the nuanced complexities of these transnational partnerships are analysed Interdisciplinary in nature the book inspires new understandings of gender power sex love desire political economy and materiality within everyday relationships around the globe It is a useful contribution for students and scholars of Anthropology Sociology Southeast Asian Studies Gender and Sexuality Studies and Cultural Studies **The United Nations in the Twenty-first Century** Marcus F. Franda, 2006 The United Nations is confronting a severe crisis at the beginning of the twenty first century Its capabilities have been called into question amid a rash of recent scandals and charges of leadership mismanagement bureaucratic ineptitude and corrupt activities Current world opinion seems to express elevated concern about the organization s ability to deal with the complexity of international relations in the new millennium Despite six decades of survival its membership still appears unable to maintain a consistent focus or set of practices to pursue common goals The United Nations in the Twenty First Century analyzes the significance of the many forces and events affecting the UN s efforts at reform It provides a detailed examination of these processes for all of the major UN organs and agencies including chapters on the Secretaries General the Secretariat the General Assembly the Security

Council and ECOSOC The chapters on the Secretaries General are the only detailed discussion that compares contrasts and evaluates the tenures of the seven people who have headed the UN The book s concluding chapters focus on Kofi Annan s reform agenda as it relates to previous UN reform experiences and assess the future impact of recent UN related scandals and charges of mismanagement

The Beast on the East River Nathan Tabor,2006-10-29 A call to arms for Americans to assert and preserve our national sovereignty by stopping the globalist agenda of the United Nations Is the United Nations the benign force for good that so many proclaim Or is there a darker agenda at work behind the scenes Nathan Tabor reveals the sinister plan behind the glossy image of world cooperation painted by the UN and its defenders The Beast on the East River includes original research into key policy areas including population control education and the international criminal court And it offers practical steps that concerned American citizens can take before it s too late In his debut book rising conservative voice Nathan Tabor offers a frightening expos of the United Nations global power grab and its ruthless attempt to control US education law gun ownership taxation and reproductive rights We are already very nearly at the point of no return says Tabor and most Americans aren t even aware of the impending danger This book is a call to immediate action read its contents very carefully What you will discover may surprise and anger you His book provides a measured intellectual argument against allowing the corrupt collectivist internationalists of the UN and its many metastasized affiliates to undermine and eventually steal one of America s most precious possessions its sovereignty Henry Mark Holzer CBN The Christian Broadcasting Network

Holding UNPOL to Account Ai Kihara-Hunt,2017-03-06 Ai Kihara Hunt s Holding UNPOL to Account Individual Criminal Accountability of United Nations Police Personnel analyzes whether the mechanisms that address criminal accountability of United Nations police personnel serving in peace operations are effective and if there is a problem how it can be mitigated The volume reviews the obligations of States and the UN to investigate and prosecute criminal acts committed by UN police and examines the jurisdictional and immunity issues involved It concludes that these do not constitute legal barriers to accountability although immunity poses some problems in practice The principal problem appears to be the lack of political will to bring prosecutions as well as a lack of transparency which makes it difficult accurately to determine the scale of the problem

Sexuality and the Law Vanessa Munro,Carl Stychin,2007-05-07 Rediscovering the peculiarity of feminist perspectives rather than the range of gender oriented analyses in legal regulation and sexuality this edited collection avoids the reductionist and essentialist shortcomings of feminism unmodified

Lost Goddesses Trudy Jacobsen,2008 Women had a high status in premodern Southeast Asia this is constantly stated especially in relation to discussions on the status of women today in the region Why then is it that the position of women there today is far from equitable Few studies have examined how when or even why this change came about This is the first study ever to address the place of women in Cambodian history A narrative and visual tour de force it revises accepted perspectives in the history and geopolitical organization of Cambodia since c 230 C E In so doing the book examines the relationship between

women and power and analyzes the extent of female political and economic participation as revealed in historical sources including the ways in which women were represented in art and literature **Contemporary Authors** Julie Mellors, 2005-09 A biographical and bibliographical guide to current writers in all fields including poetry fiction and nonfiction journalism drama television and movies Information is provided by the authors themselves or drawn from published interviews feature stories book reviews and other materials provided by the authors publishers

Decoding **Emergency Sex And Other Desperate Measures**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Emergency Sex And Other Desperate Measures**," a mesmerizing literary creation penned by a celebrated wordsmith, readers set about an enlightening odyssey, unraveling the intricate significance of language and its enduring impact on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
