**Blood on the Stage, 1925-1950** Amnon Kabatchnik,2010 In this volume Amnon Kabatchnik provides an overview of more than 150 important and memorable theatrical works of crime and detection between 1925 and 1950 Each entry includes a plot synopsis production data and the opinions of well known and respected critics and scholars      Daemon Voices Philip Pullman,2019-09-10 From the internationally best selling author of the His Dark Materials trilogy a spellbinding journey into the secrets of his art the narratives that have shaped his vision his experience of writing and the keys to mastering the art of storytelling One of the most highly acclaimed and best selling authors of our time now gives us a book that charts the history of his own enchantment with story from his own books to those of Blake Milton Dickens and the Brothers Grimm among others and delves into the role of story in education religion and science At once personal and wide ranging Daemon Voices is both a revelation of the writing mind and the methods of a great contemporary master and a fascinating exploration of storytelling itself      Hitler and the Nazi Cult of Film and Fame Michael Munn,2013-05-09 In Nazi Germany the cult of celebrity was the embodiment of Hitler s style of cultural governance Hitler s rise to power owed much to the creation of his own celebrity and the country s greatest stars whether they were actors writers or musicians could be one of only two things If they were compliant they were lauded and awarded status symbols for the regime but if they resisted or were simply Jewish they were traitors to be interned and murdered This fascinating analysis offers a shocking portrait of a Hitler shaped by aspirations to Hollywood style fame of the correlation between art and ambition of films used as weapons and of sexual predilections The Führer believed he was an artist not a politician and in his Germany politics and culture became one His celebrity was cultivated and nurtured by Joseph Goebbels Germany s supreme head of culture Hitler and Goebbels enjoyed the company of beautiful female film stars and Goebbels had his own casting couch In Germany s

version of Hollywood there were scandals starlets secret agents premieres and party politics The Third Reich would launch filmmaker and actress Leni Riefenstahl to prominence by making her its own glorifying documentarian most famously in *The Triumph of the Will* the innovative propaganda film starring Hitler and widely considered to be one of the greatest movies ever made It is no coincidence that Eva Braun Hitler's longtime partner and wife for the two days leading up to their joint suicide was a photographer and in fact shot most of the surviving photographs and film footage of her lover This book reveals previously unpublished information about the Hitler film which Goebbels envisaged as the greatest story ever told although it was ultimately trumped by the dictator's own real life Wagnerian finale *Emil and the Detectives* Erich Kästner, 2011 If Mrs Tischbein had known the adventures her son Emil would have in Berlin she'd never have let him go Unfortunately when his seven pounds goes missing on the train Emil is determined to get it back and when he teams up with the detectives he meets in Berlin it's just the start of a marvellous money retrieving adventure A classic and influential story *Emil and the Detectives* remains an enthralling read **The Politics of Literature in Nazi Germany** Jan-Pieter Barbian, 2013-08-29 This is the most comprehensive account to date of literary politics in Nazi Germany and of the institutions organizations and people who controlled German literature during the Third Reich Barbian details a media dictatorship involving the persecution and control of writers publishers and libraries but also voluntary assimilation and pre-emptive self-censorship that began almost immediately under the National Socialists leading to authors forced declarations of loyalty literary propaganda censorship and book burnings Special attention is given to Nazi regulation of the publishing industry and command over all forms of publication and dissemination from the most prestigious publishing houses to the smallest municipal and school libraries Barbian also shows that although the Nazis censored books not in line with Party aims many publishers and writers took advantage of loopholes in their system of control Supporting his work with exhaustive research of original sources Barbian describes a society in which everybody who was not openly opposed to it participated in the system whether as a writer an editor or even as an ordinary visitor to a library *Kidnapped* R.L Stevenson, 2012-09-06 For God's sake hold on On a stormy night off the coast of Scotland young David Balfour faces his most terrifying test yet He's been double-crossed by his wicked uncle tricked into a sea voyage and sold into slavery When the dashing Alan Breck Stewart comes aboard he finds a brave friend at least and the pair fight back against their treacherous black-hearted shipmates But then the ship hits a reef it's every man for himself and David must battle against the raging sea itself **BACKSTORY** Learn about the true stories that inspired this adventurous tale *English for Life 1* Cecil Gray, 1993 A four-book course satisfying all language needs for lower secondary to CSEC examination level *Going to the Dogs* Erich Kästner, 2012-11-06 *Going to the Dogs* is set in Berlin after the crash of 1929 and before the Nazi takeover years of rising unemployment and financial collapse The moralist in question is Jakob Fabian aged thirty-two profession variable at present advertising copywriter weak heart brown hair a young man with an excellent education but permanently condemned to a low-paid job without security in

the short or the long run What s to be done Fabian and friends make the best of it they go to work though they may be laid off at any time and in the evenings they go to the cabarets and try to make it with girls on the make all the while making a lot of sharp sighted and sharp witted observations about politics life and love or what may be Not that it makes a difference Workers keep losing work to new technologies while businessmen keep busy making money and everyone who can goes out to dance clubs and sex clubs or engages in marathon bicycle events since so long as there s hope of running into the right person or even doing the right thing well why stop Going to the Dogs in the words of introducer Rodney Livingstone brilliantly renders with tangible immediacy the last frenetic years in Germany before 1933 It is a book for our time too

Collins,Jeremy Ridgman,2006 Since the nineteenth century children s literature has been adapted for both the stage and the screen As the twentieth century progressed children s books provided the material for an increasing range of new media from radio to computer games from television to cinema blockbuster Although such adaptations are now recognised as a significant part of the culture of childhood and popular culture in general little has been written about the range of products and experiences that they generate This book brings together writers whose work offers contrasting perspectives on the process of adaptation and the varying transformations social historical and ideological that take place when a text moves from the page to another medium Linking all these contributions is an interest in the changing definition of children s literature and its target audience within an increasingly media rich society *The Oxford Companion to Children's Literature* Daniel Hahn,Michael Morpurgo,2015 The last thirty years have witnessed one of the most fertile periods in the history of children s books A fascinating reference guide to the world of children s literature this volume covers every genre from fairy tales to chapbooks school stories to science fiction comics to children s hymns
