Buckingham, 2010-11-23 This work reprints annotates and indexes virtually all mention of Emily Dickinson in the first decade of her publication tripling the known references to the poet during the nineties Much of this material drawn from scrapbooks of clippings rare journals and crumbling newspapers was on the verge of extinction Modern audiences will be struck by the impact of Dickinson's poetry on her first readers We learn much about the taste of the period and the relationship between publishers reviewers and the reading public It demonstrates that Dickinson enjoyed a wider popular reception than had been realized readers were astonished by her creative brilliance

Emily Dickinson Face to Face Martha Dickinson Bianchi, 2023-04-11 Long out of print a uniquely intimate portrait of Emily Dickinson written by her niece What would it be like to have Emily Dickinson as your babysitter In this astonishing memoir out of print for almost a century Martha Matty Dickinson describes the childhood she spent next door to and often in the care of her Aunt Emily We see Matty as a little girl hiding from the other grownups in

Emily's upstairs rooms helping Emily in the kitchen venturing with her into the cellar for the gingerbread she wasn't supposed to have As Matty becomes a teenager she finds a confidante in her aunt who is fascinated by the latest youth fads school gossip and the recurring question of what to wear to a party her vote was for my highest heeled red slippers not to mention the music novels and poems she and Matty both love From an early age Emily teaches Matty the joys of solitude and independence No one Emily said could ever punish a Dickinson by shutting her up alone First published in 1932 this is the most intimate record we have of Emily Dickinson whose death sparked a long family struggle over her work and her image In a foreword to this new edition the poet and critic Anthony Madrid provides a biographical frame for Matty's recollections and explains how such a remarkable document could spend so long out of sight
