The Great Sibling Rivalry: Volume 3 William J. Smith, 2016-12-06 Andrew and Carol Anne Smith are two growing little siblings who like most siblings have their usual typical sibling spats and fights from time to time and up until the summer of 2016 most of these fights have been one sided since Carol Anne was too young to fight back and these spats usually grew out of an intense jealousy little Andrew would have whenever he wasn't the center of attention but now Carol Anne is growing up and is no longer the defenseless helpless little baby that she once was and now she has the ability to give as good as she gets Follow these two siblings as they continue to grow and have their usual sibling quarrels but as they get older they discover their true feelings for each other

The Great Sibling Rivalry: Volume 4 William J. Smith, 2017-04-06 The two youngest Smith children Andrew and Carol Anne have been at each other's throats for several years now As they get older however they find themselves relying on each other for their own amusement and though they still have their fights with Carol Anne now realizing that she can stand up for herself little Andrew finds that he has to learn that Carol Anne can give as good as she gets and that he has to treat his little sister as his equal and that's not all that's changing in their lives when their father gets a once in a lifetime promotion but in order to accept he has to move the family to the Cincinnati Ohio area

George's World G. E. Shuman, 2012-07-31 For more than eighteen years now my humble column has appeared on a bi weekly basis in The WORLD Central Vermont's favorite newspaper Note If you looked for the column every other week but started on the wrong week you missed it completely This book is a collection of many of those writings so you have another chance The earliest ones are not here as pasting stories from slate tablets onto word documents is a difficult thing to do If you find any bits of wisdom between these covers it's not my fault

The Great Sibling Rivalry: Volume 2 William J. Smith, 2016-08-23 Now that little Carol Anne Smith is going from a baby to a toddler she is growing by leaps and bounds and with her abilities growing and being fine tuned that also means that her sibling rivalry with her big brother Andrew is also growing and reaching new heights as Carol Anne learns to defend herself and fight back and give as good as she gets It then therefore begs the question Will there ever be hope for a sibling truce before Carol Anne's second birthday in July 2016 or will both little siblings just keep on fighting as their rivalry escalates to new dizzying heights
