## **Empire On The Adriatic Mubolinis Conquest Of Yugoslavia 19411943:**

Empire on the Adriatic H. James Burgwyn, 2005      **Hitler's Empire** Mark Mazower, 2013-03-07 The powerful disturbing history of Nazi Europe by Mark Mazower one of Britain's leading historians and bestselling author of *Dark Continent* and *Governing the World* Hitler's Empire charts the landscape of the Nazi imperial imagination from those economists who dreamed of turning Europe into a huge market for German business to Hitler's own plans for new transcontinental motorways passing over the ethnically cleansed Russian steppe and earnest internal SS discussions of political theory dictatorship and the rule of law Above all this chilling account shows what happened as these ideas met reality After their early battlefield triumphs the bankruptcy of the Nazis political vision for Europe became all too clear their allies bailed out their New Order collapsed in military failure and they left behind a continent corrupted by collaboration impoverished by looting and exploitation and grieving the victims of war and genocide About the author Mark Mazower is Ira D Wallach Professor of World Order Studies and Professor of History Professor of History at Columbia University He is the author of *Hitler's Greece* *The Experience of Occupation 1941-44* *Dark Continent* *Europe's Twentieth Century* *The Balkans A Short History* which won the Wolfson Prize for History *Salonica City of Ghosts* which won both the Duff Cooper Prize and the Runciman Award and *Governing the World The History of an Idea* He has also taught at Birkbeck College University of London Sussex University and Princeton He lives in New York      *Empire, Ideology, Mass Violence: The Long 20th Century in Comparative Perspective* Tobias Hof, 2016-09-20 Despite the vast literature on genocide and mass violence during the 19th and 20th century one question still haunts historians and the wider public alike Why do ordinary men use extreme violence against fellow human beings *Empire Ideology Violence The Long 20th Century in Comparative Perspective* offers innovative methods and interdisciplinary approaches to the study of extreme violence in the long 20th century By looking at case studies from different regions and time periods the contributors shed more light on the social political and economic contexts in which humans are inclined to use extreme forms of violence Topics in the volume include case studies from Asia Africa Europe the Ottoman Empire and the Nazi Third Reich      **Mussolini's War** John Gooch, 2020-12-01 A remarkable new history evoking the centrality of Italy to World War II outlining the brief rise and triumph of the Fascists followed by the disastrous fall of the Italian military campaign While staying closely aligned with Hitler Mussolini remained carefully neutral until the summer of 1940 At that moment with the wholly unexpected and sudden collapse of the French and British armies Mussolini declared war on the Allies in the hope of making territorial gains in southern France and Africa This decision proved a horrifying miscalculation dooming Italy to its own prolonged and unwinnable war immense casualties and an Allied invasion in 1943 that ushered in a terrible new era for the country John Gooch's new history is the definitive account of Italy's war experience Beginning with the invasion of Abyssinia and ending with Mussolini's arrest Gooch brilliantly portrays the nightmare of a country with too small an industrial sector too incompetent a leadership and too many fronts on which to fight

Everywhere whether in the USSR the Western Desert or the Balkans Italian troops found themselves against either better equipped or more motivated enemies The result was a war entirely at odds with the dreams of pre war Italian planners a series of desperate improvisations against an allied force who could draw on global resources and against whom Italy proved helpless

In the Society of Fascists G. Albanese,R. Pergher,2012-09-06 This work seeks to take a fresh look at the contentious question of the longevity and popularity of Mussolini s regime in Italy In particular it draws upon new research to challenge what has been the most influential paradigm over the last couple of decades namely the interpretation of Italian fascism as a consensual dictatorship

**A Fascist Decade of War** Marco Maria Aterrano,Karine Varley,2020-05-04 From the invasion of Ethiopia in 1935 through to the waning months of the World War II in 1945 Fascist Italy was at war This Fascist decade of war comprised an uninterrupted stretch of military and political engagements in which Italian military forces were involved in Abyssinia Spain Albania France Greece the Soviet Union North Africa and the Middle East As a junior partner to Nazi Germany only entering the war in June 1940 Italy is often seen as a relatively minor player in World War II However this book challenges much of the existing scholarship by arguing that Fascist Italy played a significant and distinct role in shaping international relations between 1935 and 1945 creating a Fascist decade of war

**The Italian Army in Slovenia** Amedeo Osti Guerrazzi,2013-07-17 This powerful study offers a vivid and often disturbing account of the Italian army s occupation of Slovenia during World War II It moves from the decision of the Italians to annex Slovenia in 1941 through local resistance and brutal reaction against civilians to the army s ultimate collapse following Italy s defection from the Axis

**The German-Soviet War** Jeff Rutherford,Robert von Maier,2025-06-15 The German Soviet War revises the conflict s generally accepted understanding through case studies demonstrating the complexity of the war at the local level The contributors assembled by Jeff Rutherford and Robert von Maier examine the multiplicity of experiences of individuals caught in this savage war starting with the German war of annihilation launched against Soviet state and society in June 1941 This detailed collection shows that the particular nature of the war in the east resulted from an intertwining of military ideological and economic motives The German Soviet War puts Germany s murderous policies toward Soviet Jews and prisoners of war and the justification for these policies and actions within the ranks of the army into the larger context of battlefield events The neglected topic of the destructive German scorched earth retreats receives detailed analysis demonstrating the importance of ideology and economic thinking in the German army s war The difficulty in reconciling economic and ideological considerations also played a prominent role in Soviet attempts to rebuild after the war The German Soviet War not only brings attention to these devastating events but also revises the general narrative of the war By internationalizing the conflict through examinations into the various Axis and Allied nations and peoples who participated in the fighting this volume provides new ways of conceptualizing their motivations actions and importance in its eventual outcome Together the contributions to The German Soviet War provide new ways of examining the defining conflict of the

**Second World War      World Fascism** Cyprian Blamires, 2006-09-18 This book shows how during the 20th century evils such as totalitarianism tyranny war and genocide became indelibly linked to the fascist cause and examines the enduring and popular appeal of an ideology that has counted princes poets and war heroes among its most fervent adherents From the followers of Hajj Amin Al Husseini the Arab leader who met with Adolf Hitler in November 1942 to the murderous death squads of the Croatian Ustasha to certain members of the British Establishment fascism's heady brew of extreme nationalism and revolutionary violence has attracted followers from across all religions races and classes Now widely reviled fascism became an immensely powerful political force in Western Europe throughout the 1930s and into the 1940s How did civilized nations like Italy Germany Austria and others succumb to an ideology now regarded by the political mainstream as barbarous and beyond the pale **World Fascism A Historical Encyclopedia** covers all the key personalities and movements throughout the history of fascism and brings to light some of the ideology's lesser known aspects from Hindu extremists in India to the influential role of certain women in fascist movements How did an ideology which was openly boastful of its belief in violence come to seduce the elites of some of the most civilized nations on earth What can explain fascism's enduring appeal

**Anzac Guerrillas** Edmund Goldrick, 2025-07-30 When the Germans took thousands of Allied prisoners during the catastrophic Greek campaign of 1941 a handful of Australian soldiers escaped from prison trains in occupied Yugoslavia What awaited them was not passage home but a brutal underground war where the fate of a nation was at stake Told through the eyes of two of the Australian escapees mineworker Ross Sayers and storeman Ronald Jones **Anzac Guerrillas** is the incredible true story of how these men became resistance fighters double agents and spies evading the Nazis and exposing a group of genocidal collaborators Yugoslav resistance against the Nazis was divided royalist Cetniks battled communist Partisans while the Germans retaliated with terror The escaped Anzacs faced grave threats from all sides and even as they came face to face with two of World War II's most divisive figures Josip Broz Tito and Draza Mihailovic their sense of what was right never wavered Finding allies and sympathisers among Jewish refugees British agents and suffragette resistance fighters those who made it home alive had to fight to have their work with British Intelligence recognised Once recognition was granted they seldom spoke of their experiences again Instead they quietly raised families shunning Anzac Day and their own traumatic memories of the war None of these men began World War II as an officer or had been to school past the age of thirteen but each proved himself with selfless courage and remarkable wisdom working to save millions of lives The war would continue to haunt them and their stories would remain untold even to those closest to them until now

**To Walk with the Devil** Gregor J. Kranjc, 2013-02-22 In the spring of 1941 when Slovenia was invaded by Germany Italy and Hungary Slovenes faced at best assimilation and at worst deportation or extermination Still a significant number of Slovenes would eventually collaborate with the Axis powers Why were they so ready to work with their invaders and why did the occupiers permit this collaboration Gregor Joseph Kranjc investigates these questions in **To Walk with the Devil** the first

English language book length account of Slovene Axis collaboration during the Second World War Examining archival material and post war scholarly and popular literature Kranjc describes the often sharp divide between Communist era interpretations of collaboration and those of their migr anti Communist opponents Kranjc situates this divide in the vicious civil war that engulfed Slovenia during its occupation a conflict that witnessed at its bloody climax the execution of over 10 000 Slovene collaborators and opponents of the new Communist Yugoslav regime in the wake of liberation To Walk with the Devil makes clear how these grisly events continue to ripple through Slovene society today Europe on Trial Istvan Deak,2018-04-27 Europe on Trial explores the history of collaboration retribution and resistance during World War II These three themes are examined through the experiences of people and countries under German occupation as well as Soviet Italian and other military rule Those under foreign rule faced innumerable moral and ethical dilemmas including the question of whether to cooperate with their occupiers try to survive the war without any political involvement or risk their lives by becoming resisters Many chose all three depending on wartime conditions Following the brutal war the author discusses the purges of real or alleged war criminals and collaborators through various acts of violence deportations and judicial proceedings at the Nuremberg International Military Tribunal as well as in thousands of local courts Europe on Trial helps us to understand the many moral consequences both during and immediately following World War II *Croatia Under Ante Pavelic* Robert B. McCormick,2014-09-23 Ante Pavelic was the leader of the fascist party of Croatia the Usta e who on Adolf Hitler s instruction became the leader of Croatia after the Nazi invasion of 1941 Paveli was an extreme Croatian nationalist who believed that the Serbian people were an inferior race he would preside over a genocide that ultimately killed an estimated 390 000 Serbs during World War II Croatia under Ante Paveli provides the full history of this period with a special focus on the United States role in the post war settlement Drawing on previously unpublished documents Robert McCormick argues that President Harry S Truman s Cold War priorities meant that Paveli was never made to answer for his crimes Today the Usta e remains difficult legacy within Croatian society partly as a result of Paveli political life in exile in South America This is a new account of US foreign policy towards one of the Second World War s most brutal dictators and is an essential contribution to Croatian war time history **A European Memory?** Małgorzata Pakier,Bo Stråth,2012 An examination of the role of history and memory is vital in order to better understand why the grand design of a United Europe with a common foreign policy and market yet enough diversity to allow for cultural and social differences was overwhelmingly turned down by its citizens The authors argue that this rejection of the European constitution was to a certain extent a challenge to the current historical grounding used for further integration and further demonstrates the lack of understanding by European bureaucrats of the historical complexity and divisiveness of Europe s past A critical European history is therefore urgently needed to confront and re imagine Europe not as a harmonious continent but as the outcome of violent and bloody conflicts both within Europe as well as with its Others As the authors show these dark shadows of Europe

s past must be integrated and the fact that memories of Europe are contested must be accepted if any new attempts at a United Europe are to be successful

**The Historical Uncanny** Susanne C. Knittel, 2014-12-15 The Historical Uncanny explores how certain memories become inscribed into the heritage of a country or region while others are suppressed or forgotten In response to the erasure of historical memories that discomfit a public's self understanding this book proposes the historical uncanny as that which resists reification precisely because it cannot be assimilated to dominant discourses of commemoration Focusing on the problems of representation and reception the book explores memorials for two marginalized aspects of Holocaust the Nazi euthanasia program directed against the mentally ill and disabled and the Fascist persecution of Slovenes Croats and Jews in and around Trieste Reading these memorials together with literary and artistic texts Knittel redefines sites of memory as assemblages of cultural artifacts and discourses that accumulate over time they emerge as a physical and a cultural space that is continually redefined rewritten and re presented In bringing perspectives from disability studies and postcolonialism to the question of memory Knittel unsettles our understanding of the Holocaust and its place in the culture of contemporary Europe

**Resistance** Halik Kochanski, 2022-05-24 WINNER OF THE 2023 WOLFSON HISTORY PRIZE New Yorker Best Books of 2022 This is the most comprehensive and best account of resistance I have read It addresses the story with scholarly objectivity and an absolute lack of sentimentality So much romantic twaddle is still published it is marvelous to read a study of such breadth and depth which reaches balanced judgments Max Hastings The Sunday Times UK Resistance is the first book of its kind a monumental history that finally integrates the many resistance movements against Nazi hegemony in Europe into a single sweeping narrative of defiance To resist therefore But how when and where There were no laws no guidelines no precedents to show the way Dutch resister Herman Friedhoff In every country that fell to the Third Reich during the Second World War from France in the west to parts of the Soviet Union in the east a resistance movement against Nazi domination emerged And every country that endured occupation created its own fiercely nationalist account of the role of homegrown resistance in its eventual liberation Halik Kochanski's panoramic prodigiously researched work is a monumental achievement the first book to strip these disparate national histories of myth and nostalgia and to integrate them into a definitive chronicle of the underground war against the Nazis Bringing to light many powerful and often little known stories Resistance shows how small bands of individuals took actions that could lead not merely to their own deaths but to the liquidation of their families and their entire communities As Kochanski demonstrates most who joined up were not supermen and superwomen but ordinary people drawn from all walks of life who would not have been expected least of all by themselves to become heroes of any kind Kochanski also covers the sheer variety of resistance activities from the clandestine press assistance to Allied servicemen evading capture and the provision of intelligence to the Allies to the more violent manifestations of resistance through sabotage and armed insurrection For many people resistance was not an occupation or an identity but an activity a person would deliver a cache of stolen

documents to armed partisans and then seamlessly return to their normal life For Jews under Nazi rule meanwhile the stakes at every point were life and death resistance was less about national restoration than about mere survival Why resist at all Who is the real enemy What kind of future are we risking our lives for These and other questions animated those who resisted With penetrating insight Kochanski reveals that the single quality that defined resistance across borders was resilience despite the constant arrests and executions resistance movements rebuilt themselves time and time again A landmark history that will endure for decades to come Resistance forces every reader to ask themselves yet another question this distinct to our own times What would I have done

A Dictionary of 20th-Century Communism Silvio Pons, Robert Service, 2022-04-12 An encyclopedic guide to 20th century communism around the world The first book of its kind to appear since the end of the Cold War this indispensable reference provides encyclopedic coverage of communism and its impact throughout the world in the 20th century With the opening of archives in former communist states scholars have found new material that has expanded and sometimes altered the understanding of communism as an ideological and political force A Dictionary of 20th Century Communism brings this scholarship to students teachers and scholars in related fields In more than 400 concise entries the book explains what communism was the forms it took and the enormous role it played in world history from the Russian Revolution through the collapse of the Soviet Union and beyond Examines the political intellectual and social influences of communism around the globe Features contributions from an international team of 160 scholars Includes more than 400 entries on major topics such as Figures Lenin Mao Stalin Ho Chi Minh Pol Pot Castro Gorbachev Events Cold War Prague Spring Cultural Revolution Sandinista Revolution Ideas and concepts Marxism Leninism cult of personality labor Organizations and movements KGB Comintern Gulag Khmer Rouge Related topics totalitarianism nationalism antifascism anticommunism McCarthyism Guides readers to further research through bibliographies cross references and an index

**Joseph Stalin and the Art of Tyranny** William Nester, 2025-10-30 Joseph Stalin and the Art of Tyranny examines authoritarian rule revealing how tyrants sustain power through a mix of comfort terror love and fear often convincing their subjects of their divine purpose Such leaders build systems of loyalists and subservient institutions enabling unchecked authority Joseph Stalin exemplifies this tyranny As Soviet leader from 1929 to 1953 he implemented totalitarian policies nationalizing industry and agriculture controlling economic production through five year plans and eliminating dissent through imprisonment forced labour or execution His brutal regime caused an estimated 20 million deaths Despite this grim legacy Stalin s reputation remains divisive In Western democracies he is remembered as a genocidal dictator but in Russia he often ranks among the most admired historical figures illustrating the paradox of his influence Stalinism served as a model for Communist regimes in China Vietnam and Cuba shaping their governance While many of these nations transitioned toward democracy countries like Russia China and North Korea continue to echo Stalinist practices Modern leaders such as Saddam Hussein Vladimir Putin and Xi Jinping have adopted similar strategies of control Joseph Stalin and

the Art of Tyranny offers crucial insights into authoritarianism revealing the enduring appeal and devastating impact of totalitarian rule

**Serbia under the Swastika** Alexander Prusin, 2017-06-06 The 1941 Axis invasion of Yugoslavia initially left the German occupiers with a pacified Serbian heartland willing to cooperate in return for relatively mild treatment Soon however the outbreak of resistance shattered Serbia's seeming tranquility turning the country into a battlefield and an area of bitter civil war Deftly merging political and social history Serbia under the Swastika looks at the interactions between Germany's occupation policies the various forces of resistance and collaboration and the civilian population Alexander Prusin reveals a German occupying force at war with itself Pragmatists intent on maintaining a sedate Serbia increasingly gave way to Nazified agencies obsessed with implementing the expansionist racial vision of the Third Reich As Prusin shows the increasing reliance on terror catalyzed conflict between the nationalist Chetniks communist Partisans and the collaborationist government Prusin unwraps the winding system of expediency that at times led the factions to support one another against the Germans even as they fought a ferocious internecine civil war to determine the future of Yugoslavia Comprehensive and judicious Serbia under the Swastika is a rare English language foray into the still fraught history of Serbia in World War II

**Political Violence in Twentieth-Century Europe** Donald Bloxham, Robert Gerwarth, 2011-03-10 This is a comprehensive history of political violence during Europe's incredibly violent twentieth century Leading scholars examine the causes and dynamics of war revolution counterrevolution genocide ethnic cleansing terrorism and state repression They locate these manifestations of political violence within their full transnational and comparative contexts and within broader trends in European history from the beginning of the dissolution of the Ottoman Empire in the late nineteenth century through the two world wars to the Yugoslav Wars and the rise of fundamentalist terrorism The book spans a greater Europe stretching from Ireland and Iberia to the Baltic the Caucasus Turkey and the southern shores of the Mediterranean It sheds new light on the extent to which political violence in twentieth century Europe was inseparable from the generation of new forms of state power and their projection into other societies be they distant territories of imperial conquest or ones much closer to home

The Top Books of the Year Empire On The Adriatic Mubolinis Conquest Of Yugoslavia 19411943 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

### **Empire On The Adriatic Mubolinis Conquest Of Yugoslavia 19411943 Introduction**

In today's digital age, the availability of Empire On The Adriatic Mubolinis Conquest Of Yugoslavia 19411943 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Empire On The Adriatic Mubolinis Conquest Of Yugoslavia 19411943 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Empire On The Adriatic Mubolinis Conquest Of Yugoslavia 19411943 books

and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Empire On The Adriatic Mubolinis Conquest Of Yugoslavia 19411943 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Empire On The Adriatic Mubolinis Conquest Of Yugoslavia 19411943 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Empire On The Adriatic Mubolinis Conquest Of Yugoslavia 19411943 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Empire On The Adriatic Mubolinis Conquest Of Yugoslavia 19411943 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Empire On The Adriatic Mubolinis Conquest Of Yugoslavia 19411943 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-

improvement. So why not take advantage of the vast world of Empire On The Adriatic Mubolinis Conquest Of Yugoslavia 19411943 books and manuals for download and embark on your journey of knowledge?

### **FAQs About Empire On The Adriatic Mubolinis Conquest Of Yugoslavia 19411943 Books**

1. Where can I buy Empire On The Adriatic Mubolinis Conquest Of Yugoslavia 19411943 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
