Empowering Communities Representation And Participation In New Zealand's Local Government:

Empowering Communities? Jean Drage, 2002 The changes in representation participation and ongoing reforms in the local government of New Zealand over the past two decades are discussed in this book Contributors include both observers and participants in local government from academics and people involved in policy development to advocates for the sector and the workers themselves

We, The People(s) Claire Charters, Dean Robert Knight, 2013-01-01 The analyses in this book focus on the participation of the people within New Zealand's system of government The chapters provide a thorough examination of the government's size accessibility structure electoral system and active committees in order to explain trends in the participation of sub state actors such as indigenous peoples and other minority groups

Toxic and Intoxicating Oil Patricia Widener, 2021-03-12 When oil and gas exploration was expanding across Aotearoa New Zealanders faced the typically distinct problems of oil spills hydraulic fracturing offshore exploration climate fears and disputes over unresolved Indigenous claims nearly simultaneously Collectively these grievances created the foundation for an organized civil society to construct and then magnify a comprehensive critical oil narrative in dialogue practice and aspiration Community advocates and socioecological activists mobilized for their health and well being for their neighborhoods and beaches for Planet Earth and Planet Ocean and for terrestrial and aquatic species and ecosystems In this allied ethnography quotes are used extensively to convey the tenor of some of the country's most passionate and committed people By analyzing the intersections of a social movement and the political economy of oil Patricia Widener reveals a nuanced story of oil resistance and promotion at a time when many anti drilling activists believed themselves to be on the front lines of the industry's inevitable decline

Downfall Paul Diamond, 2022-11-10 In 1920 New Zealanders were shocked by the news that the brilliant well connected mayor of genteel Whanganui had shot a young gay poet D Arcy Cresswell who was blackmailing him They were then riveted by the trial that followed Mackay was sentenced to hard labour and later left the country only to be shot by a police sniper during street unrest in Berlin during the rise of the Nazis Mackay had married into Whanganui high society and the story has long been the town's dark secret The outcome of years of digging by historian Paul Diamond this book shines a clear light on the vengeful impulses behind the blackmail and Mackay's ruination The cast of this tale includes the Prince of Wales the president of the RSA Sir Robert Stout Blanche Baughan even Lady Ottoline Morrell But it is much more than an extraordinary story of scandal At its heart the Mackay affair reveals the perilous existence of homosexual men and how society conspired to control and punish them

New Zealand Government & Politics Raymond Miller, 2006 New Zealand Government and Politics now in its fourth edition is the leading undergraduate textbook for students of New Zealand political science It provides an overview of the context key institutions and processes written by leading academics and non academics This fully revised and refreshed edition has 22 new chapters including an analysis of the 2005 election

Politics in New Zealand R. G. Mulgan, Peter Aimer, 2004 This textbook is an introduction to the study of New Zealand

politics This second edition is designed to incorporate the major changes that have occurred to the New Zealand political system with the advent of MMP

Theoretical Foundations and Discussions on the Reformation Process in Local Governments Sadioglu, Ugur, Dede, Kadir, 2016-06-01 Local government can be defined as a public entity acting as the sub unit of a state or of a region charged with the task of enforcing public policies There have been many reforms of local government in recent years from the grassroots led movement that took root in the 90 s to the overarching effects of globalization and decentralization Local governments must adapt their practices in order to most effectively provide for their constituents Theoretical Foundations and Discussions on the Reformation Process in Local Governments addresses the effects of recent reforms in the political administrative system of local governments and politics as well as future outlooks It reviews the challenges innovations and lessons from local governments while providing theoretical perspectives on methods for positive reform This book is a critical reference source for policy makers government organizations professionals and actors in both local and international politics

Legitimacy and Urban Governance Hubert Heinelt, David Sweeting, Panagiotis Getimis, 2006-05-17 A fresh examination of the relationship between two key issues in the on going debate on urban governance leadership and community involvement It explores the nature of the interaction between community involvement and political leadership in modern local governance by drawing on empirical data gathered from case studies concerning cities in England Germany Greece Italy the Netherlands New Zealand Norway Poland and Sweden It presents both a country specific and cross cutting analysis of the contributions that communities and leaders can make to more effective local governance These country specific chapters are complemented by thematic comparative chapters addressing alternative forms of community involvement types and styles of leadership multi level governance institutional restrictions and opportunities for leadership and involvement institutional conditions underpinning leadership and involvement and political culture in cities This up to date survey of trends and developments in local governance moves the debate forward by analysing modern governance with reference to theories related to institutional theory legitimation and the way urban leadership and community involvement compliment one another This book will be of great interest to students and scholars of politics and urban governance and to all those concerned with questions of local governance and democracy
