**Empowering Spirit, Empowering Structures** Stephen Charles McKnight, 2023-08-03

Noel Perkin, a banker turned missionary, led Assemblies of God World Missions (AGWM) for more than thirty years (1927-59). His life exemplifies the missionary zeal historians have noted within the early Pentecostal movement. Perkin's experience of the Holy Spirit and his experiences as a missionary in Argentina led him to create systems intended to empower others to fulfill Christ's commission to make disciples of all nations. Perkin's empowering leadership played a significant part in AGWM's remarkable growth into a leading Pentecostal mission-sending agency which currently sends over 2,000 missionaries to 140 countries. As one of the principal architects of AGWM's missiology and operation, Perkin transformed a two-person office relying on envelope boxes for its accounting system into a well-structured strategic mission agency and laid a foundation for AGWM's continued growth.

*Empowering Spirit, Empowering Structures* uses the foundation of a biographical study to examine the concept of empowerment through Perkin's life and the impact that Perkin and his missiology had and continues to have upon AGWM.

**Empowering Leadership** Michael Fletcher, 2018-01-23 A major problem in the local church today is lack of leadership Simply put we have

more needs than we have leaders to meet those needs So how do we train better leaders faster The truth is very few churches really have a well thought out leadership development plan Growth requires continually adding healthy new leaders who carry the church culture forward and embody its core values Everyone knows it but how do we achieve it In *Empowering Leadership* author and leadership consultant Michael Fletcher says leaders like this can't simply be bought nor can they be hired from someone else's leadership assembly line Developing leaders at every level to create an environment that attracts potential leaders and to build better leaders faster an organization needs more than a pipeline It needs a culture that develops leaders organically Finding the right kind of leaders to guide your church on a path of continual growth comes out of keeping the right focus and that focus is not just on the leaders In fact as Fletcher says It isn't about the leader It never was about the leader It will never be about the leader It will always and only be about Jesus and his people It's about the people True leadership development includes the often messy but necessary interaction of life upon life So hiring pastors and key staff roles from within the church is the very best policy people who breathe the culture of the church and who have helped create the culture you want to maintain If your church or organization needs a good leadership development structure then you're holding the right book *Empowering Leadership* details Michael's greatest insights on how to build better leaders faster by creating a leadership development culture in your church or organization naturally organically continually Empower your church or organization through great leadership This book will show you how

[How to Break Growth Barriers](#) Carl F. George, Warren Bird, 2017-04-04 Some churches grow rapidly only to hit a ceiling Other churches have experienced declining or static attendance many of them for decades Frustrated pastors and church leaders want growth methods that work but without adding to pastoral fatigue *How to Break Growth Barriers* argues that growth comes when effective leadership and lay empowerment skills work hand in hand This requires a shift of focus from the shepherd as the primary caregiver to shepherd as developer and coach of many caregivers The authors show pastors how to communicate a vision for the future and then how to lead the congregation into the paradigms necessary for potentially limitless growth The strategies found in this book are not only tried and true and taken from a biblical perspective of a harvest vision They're also newly updated to reflect our changing culture including helpful charts and checklists for self evaluation
