## **First And Second Corinthians Straight From The Heart:**

**First and Second Corinthians** Lawrence R. Farley, 2005 The community Paul founded in Corinth gave him both joy and grief for he was to encounter problems there of disunity sin and arrogance including the rejection of his own apostolic authority by some of his flock His two epistles to the Corinthians come straight from the heart as he appeals to them to live in peace in righteousness in generosity and not to resist his God given authority His Corinthian correspondence abides as a lasting legacy and a challenge for all churches everywhere About the Orthodox Bible Study Companion Series This commentary was written for your grandmother and for your plumber That is it was written for the average layperson for the nonprofessional who feels a bit intimidated by the presence of copious footnotes long bibliographies and all those other things which so enrich the lives of academics Working from a literal translation of the original Greek this commentary examines the text section by section explaining its meaning in everyday language Written from an Orthodox and patristic perspective it maintains a balance between the devotional and the exegetical feeding both the heart and the mind
