dark he would emerge a man or not emerge at all But Kiall would not face these dangers alone Heroes out of legend joined his quest Chareos the Blademaster Beltzer the Axeman and the bowmen Finn and Maggrig And one among their company hid a secret that could free the world of Nadir domination That one was the Nadir Bane the hope of the Drenai That one was the Earl of Bronze Thus did a search for a stolen slave girl become a quest that would shake the very world **Dark Prince**

David Gemmell,2011-06-08 The chaos spirit had chosen the child Alexander to be its human host But Parmenion most powerful warrior of ancient Greece had won a small victory over the darkness that sought to rule through Alexander The boy's soul had not been destroyed by evil but instead had merged with it and now Parmenion aided Alexander in the battle between light and dark that constantly raged within him But there was another world where the creatures of Greece's legends still flourished There the chaos spirit already ruled through a demon king In this Greece there was a prophecy that a child of great power the legendary golden child would come and restore the fading magic of the land to the creatures of myth The demon king believed also that devouring the heart of this fabled child would give him immortality He believed Alexander with the power of the chaos spirit within him to be that child And so he called Alexander into his world Only Parmenion guided by the seeress Derae his lost love from another life could hope to save Alexander from the demon king But who could save the young prince from the chaos spirit that threatened to conquer his soul Last Sword of Power David

Gemmell,2011-06-08 David Gemmell tells a tale of very real adventure the stuff of true epic fantasy R A Salvatore New York Times Bestselling author The Goths followed a bloodthirsty new leader one who sought to open the Gates of Hell Wotan His immortal power stemmed from human sacrifice and dark sorcery and no sword could touch him He rode the winds on a leather winged steed while his armies cut a deadly swath across the northern kingdoms Even death's icy hand could not stop them Only Uther Pendragon could save Britannia To do so he must wield his birthright Cunobelin's blade the legendary Sword of Power But Uther was chained in Hell the sword lost in swirling Chaos All hope lay with the warrior known as Revelation with the magic of the Sipstrassi Stones and with Anduine a blind girl possessed of arcane powers Only if these unlikely allies united could they hope to stop the invincible foe before the world plunged into darkness **In the Realm of**

the Wolf David Gemmell,2011-06-08 Enter the extraordinary action filled world that became Legend as the exciting Drenai adventure continues to unfold A mighty warrior and a feared assassin among the Drenai Waylander the Slayer is now a man hunted by his own people with a fortune in gold offered as grim reward for his murder But this is only one of many evils closing in on Waylander and his daughter Miriel the beautiful and deadly Battle Queen of Kar Barzac For once separated father and daughter face certain death as the sorcerers and demons soldiers and shamans of three empires summon their blackest most destructive powers in an effort to annihilate these two most gifted Drenai warriors **The Swords of Night**

and Day David Gemmell,2004-03-30 With mythic sweep and epic scope David Gemmell's bestselling novels of magic and adventure feature brooding heroes who fight to preserve all that is good and honorable in themselves and in the worlds

through which they stride like lonely giants In times of terror and despair theirs are the swords that carve a shining path inspiring others to follow Even after their deaths their names live on A thousand years after they fell in battle two heroes Druss and Skilgannon are revered throughout the war torn lands of the Drenai Yet men and women live in abject fear of the Joinings abominable meldings of man and beast and of their mistress the dark sorceress known as the Eternal None can stave off these ruthless foes But what if the soul of one such hero could be called back from the void his bones housed again in flesh An ancient prophecy foretold that Skilgannon would return in his people s darkest hour To most this is a foolish hope But not so to Landis Kan For years as the power of the Eternal grew Kan searched for the tomb of Skilgannon the Damned And at last he found it gathering up the bones and performing the mystic ritual But the reborn hero is an enigma a young man whose warrior skills are blunted and whose memories are fragmented This Skilgannon is a man out of time marooned in a world as strange to him as a dream remote from all he knew and loved Or nearly all Before bringing Skilgannon back Landis Kan experimented upon other bone fragments found in the hero s tomb That ritual resulted in a surly giant who possessed astounding strength but no memories To Kan he was a dangerous failure But to Skilgannon this giant represented their last hope For as the ageless evil of the Eternal threatens to drown the Drenai lands in blood two legendary heroes will once again lead the way to freedom

Morningstar David Gemmell,2011-06-01 There was nothing Jarek Mace wouldn t do for the right price including becoming a hero The Angostin hordes raged over the Southern Borders Evil sorcery ruled and the vampyre kings lived once more The Highland people were in much need of a great hero Jarek Mace needed nothing and no one not even that bard Owen Odell with whom he now traveled But when Mace harassed the Angostins for his own purposes he inadvertently aided the Highland people And now he was being hailed as a hero a legend the great Morningstar returned But Owen Odell knew the real man behind the people s tales Mace was an outlaw a bandit a heartless thief He was no savior of the people He was no legend Or was he It seems that every time I read a new David Gemmell novel it is better than the last and Morningstar is no exception The main difference between the book and the myths it draws upon is that Gemmell includes some of the less savory characters who we suspect may have been at the basis of both Robin and Arthur

Starburst Sword in the Storm David Gemmell,2011-06-08 Fierce and proud the Rigante dwell deep in the green mountain lands worshipping the gods of air and water and the spirits of the earth Among them lives a warrior who bears the mark of fate Born of the storm that slew his father he is Connavar and tales of his courage spread like wildfire The Seidh a magical race as old as time take note of the young warrior and cast a malignant shadow across his life For soon a merciless army will cross the water destroying forever the timeless rhythms of life among the Rigante Swearing to protect his people Connavar embarks on a quest that will take him into the heart of the enemy Along the way he receives a gift a sword as powerful and deadly as the Seidh who forged it Thus he receives a name that will strike fear into the hearts of friend and foe alike a name proclaiming a glorious and bitter destiny Demonblade
