**First Down & Forever** Jerry Byrd, 2003 First Down Forever is the story of the first 14 years of the Evangel Christian Academy football program starting from scratch with a rag tag group of kids wearing borrowed uniforms and practicing on a church parking lot. Evangel later won eight Louisiana state championships in 10 years and was ranked in the nation's Top 20 by USA Today six times in a span of seven years. Two Evangel quarterbacks, Josh Booty and Brock Berlin, were selected offensive Player of the Year by USA Today, and Berlin also was Gatorade national Player of the Year. Going into the 2003 season, Evangel quarterbacks held the top four positions on the list of Louisiana career passing yardage leaders, and three of the top eight positions on the national career passing yardage list.

**Fourth and Forever** Bert Carson, 2012-04-01 Josh fell in love with Kathy on the first day of sixth grade in Valley Head, Alabama. Eleven years later they graduated from high school. Josh received his draft notice and they were married. Eighteen years later Josh was winding up his Army career. Bobby, their only child, was about to graduate from high school and Kathy died unexpectedly, no accident, no long sickness, she was just gone. Josh and Bobby were devastated. Finally, Josh realized they had to go on with their lives regardless of the pain. After many late night discussions that usually ended with both of them crying, they decided to leave Fort Rucker, Alabama, and find a school far away from anything that would remind them of their loss. A few weeks later they enrolled at the University of Montana in Missoula. Bobby tried out for the football team and thanks to the skills he had acquired in long practice sessions with Josh, made it as a wide receiver. The Grizzlies coach Brent Jenkins had seen Josh working out with Bobby and asked if he would work with the team's punter.

explaining that their field goal kicker had just dropped out of school for personal reasons The punter had no desire to kick extra points and field goals Josh explained that to Brent and before he realized what was happening Brent convinced him to be the kicker A week later the coach talked Josh into becoming the backup quarterback after assuring him that the Grizzlies starting quarterback Jeff Samuelson had never been injured Samuelson's three year injury free streak ended in the third quarter of the Grizzlies first game Seconds after the starter went down with a broken collarbone Josh found himself at age 44 the quarterback of a college football team A Reader Said This story is riveting from the beginning to the end My husband was in the pre Vietnam era before it became an official war Many of the boys he taught as an Air Force instructor went into that war I've recommended this book to him as he has friends who were called up and who never talk about what happened there The writing is superb I felt like I was on the sidelines of the football field in the cockpit of the Bluebird or on the steps during the Vietnam Conversations An excellent excellent book Another Reader Said Underlying the actual narrative is the unresolved issue of the Vietnam War which comes across to a foreigner like me as an issue closed away and unexamined by most folk who were not there In the book the lead character Josh Edwards sets out to open the door and reconcile the feelings of veterans to their experiences At the same time he enlightens those who would seek to know but have found themselves locked out by their loved ones and also by the social climate of denial There are many words written about Post Traumatic Stress Disorder In Fourth and Forever the author gives you a layman's guide in a couple of paragraphs using the psychology of Sport Personally I found this profoundly educational The style of the prose is clear and unadorned This is an unashamedly Feel Good book about success and winning by virtue of personal effort We all know that our lives offer no such guarantee In these times of jangling dissent isolation and uncertainty Fourth and Forever puts a team around you I would read this writer again
