

First Families The Making Of An American

M Woodhall

First Families The Making Of An American:

First Families Nathaniel Burt, 1970 The Making of an American Ram Galindo, 2006 *God's Interpreters: The Making of an American Mission and an African Church* Les Switzer, 2023-10-20 This study of the pioneer mission to the Zulu people differs from others in South African mission studies by offering a more nuanced understanding of the relationship between mission and church during the formative stages in the making of an African Christian community both in America and in British Natal Critical scholars continue to view the Western mission enterprise as an adjunct if not a tool of colonialism or at best a clash of cultures between white mission powerbrokers and powerless black Christian acolytes The author argues that they were partners from the beginning and in this endeavor the Christian identities of the missionaries as well as the Zulu were changed forever

Gertrude Stein and the Making of an American Celebrity Karen Leick, 2013-05-13 This book is a cultural history of Stein's rise to fame and the function of literary celebrity in America from 1910 to 1935 By examining not the ways that Stein portrayed the popular in her work but the ways the popular portrayed her this study shows that there was an intimate relationship between literary modernism and mainstream culture and that modernist writers and texts were much more well known than has been previously acknowledged Specifically Leick reveals through the case study of Stein that the relationship between mass culture and modernism in America was less antagonistic more productive and integrated than previous studies have suggested

First Family Cassandra A. Good, 2023-06-06 Finalist for the 2024 George Washington Prize For readers of *Never Caught* and *You Never Forget Your First* a revealing true story of celebrity race and the children George Washington raised While it's widely known that George and Martha Washington never had children of their own few are aware that they raised children together In *First Family* we see Washington as a father figure and are introduced to the children he helped raise tracing their complicated roles in American history The children of Martha Washington's son by her first marriage Eliza Parthenia and Wash Custis were born into life in the public eye well known as George Washington's family and keepers of his legacy By turns petty and powerful glamorous and cruel the Custises used Washington as a means to enhance their own power and status As enslavers committed to the American empire the Custis family embodied the failures of the American experiment that finally exploded into civil war all the while being celebrities in a soap opera of their own making *First Family* brings new focus and attention to this surprisingly neglected aspect of George Washington's life and legacy shedding a light on What it meant to be a family The complexities of kinship and race in the Custis family Political power fame and the obsession with the celebrity The Custises probable Black half sibling As the country grapples with concerns about political dynasties and the public role of presidential families the saga of Washington's family offers a human story of historical precedent Award winning historian Cassandra A Good shows how the outspoken step grandchildren of George Washington played an overlooked but important role in the development of American society and politics from the Revolution to the Civil War

Founding Families Of Pittsburgh

Joseph F Rishel, 2005-06-15 As Pittsburgh and its surrounding area grew into an important commercial and industrial center a group of families emerged who were distinguished by their wealth and social position Joseph Rishel studies twenty of these families to determine the degree to which they formed a coherent upper class and the extent to which they were able to maintain their status over time His analysis shows that Pittsburgh's elite upper class succeeded in creating the institutions needed to sustain a local aristocracy and possessed the ability to adapt its accumulated advantages to social and economic changes

The Making of an American Martin Himler, 2024-01-12 Martin Himler emigrated from Hungary to America in 1907 and he arrived in New York City with no money and no plan other than to find work From these impoverished beginnings Himler persevered to become a self-made new American As a coal mining entrepreneur he established the Himler Coal Company a bold experiment in a worker-owned mine founded the small town of Himlerville Kentucky a town almost completely populated by Hungarian immigrants and founded and edited a weekly newspaper the Magyar B ny szlap Hungarian Miners Journal During WWII Himler was called by the United States government to work for the Office of Strategic Services OSS Colonel Himler arrested more than 300 Nazi war criminals and interrogated 40 himself Himler's autobiography tells in Himler's own words his life story as it evolves into the American dream wherein hard work results in success Himler captivates readers from his earliest memories of his childhood in Hungary to his experiences with the OSS Following Himler's death the manuscript of the autobiography was passed down among Himler family members and then donated to the Martin County Historical and Genealogical Society Inez Kentucky in 2007 Editor Cathy Cassady Corbin's annotations enhance Himler's words while the introduction by scholar Doug Cantrell provides historical context for Himler's migration to Appalachia Finally Charles Fenyvesi's foreword analyzes Himler's courageous OSS work Princeton Alumni Weekly, 1970

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1973 *Riches, Class, and Power* Edward Pessen, 2017-07-12 Until publication of *Riches Classes and Power* Alexis de Tocqueville's vision of the United States as a generally egalitarian nation predominated While historians might quarrel about the social sources of egalitarianism they did not dispute the soundness of the basic model and Tocqueville's vision clearly dominated American's sense of itself as well A self-acknowledged congenital skeptic Pessen decided to find out whether the facts of American life sustained Tocqueville's conclusions *Riches Class and Power* represents more than five years intensive research on the wealthy family backgrounds careers marriages residential patterns uses of leisure life styles social standing and influence and power of the wealthy in four of the five largest cities in the United States before the Civil War Pessen examines New York City Philadelphia Boston and the then separate city of Brooklyn in the 1820s and 1840s His claim is that the massive evidence on urban life of the time sharply refutes Tocqueville's thesis A National Book Award finalist for history *Riches Class and Power* undoubtedly helped reshape America before the Civil War In his reintroduction to this paperback edition Pessen reviews the critical reaction and reconsiders the extent to which its findings are applicable to the social structure of small or frontier

towns of the period He discusses whether unequal distribution of wealth in America results more from changes in historical circumstance or to shifts in demographic or age structure

Emily Post Laura Claridge,2009-10-13 In an engaging book that sweeps from the Gilded Age to the 1960s award winning author Laura Claridge presents the first authoritative biography of Emily Post who changed the mindset of millions of Americans with *Etiquette* a perennial bestseller and touchstone of proper behavior A daughter of high society and one of Manhattan s most sought after debutantes Emily Price married financier Edwin Post It was a hopeful union that ended in scandalous divorce But the trauma forced Emily Post to become her own person After writing novels for fifteen years Emily took on a different sort of project When it debuted in 1922 *Etiquette* represented a fifty year old woman at her wisest and a country at its wildest Claridge addresses the secret of *Etiquette* s tremendous success and gives us a panoramic view of the culture from which it took its shape as its author meticulously updated her book twice a decade to keep it consistent with America s constantly changing social landscape Now nearly fifty years after Emily Post s death we still feel her enormous influence on how we think Best Society should behave

Byron, Sully, and the Power of Portraiture John Clubbe,2017-11-28 Since the early nineteenth century Byron the man and his image have captured the hearts and minds of untold legions of people of all political and social stripes in Britain Europe America and around the world This book focuses on the history and cultural significance for Federal America of the only portrait of Byron known to have been painted by a major artist In private hands from 1826 until this day Thomas Sully s Byron has never before been the subject of scholarly study Beginning with his discovery of the portrait in 1999 and a 200 year narrative of the portrait s provenance and its relation to other well known Byron portraits the author discusses the work within the broad context of British and American portraiture of the late eighteenth and early nineteenth centuries Receiving most attention are Thomas Lawrence and Sully his American counterpart The author gives the fullest account to date of Sully s career and his relation to English influences and to figures prominent in the early nineteenth century American imagination among them Washington Fanny Kemble Lafayette Joseph Bonaparte and Nicholas Biddle Byron is discussed as an icon of the young American Republic whose Jubilee year coincided with Sully s initial work on the poet s portrait Later chapters offer a close reading of the portrait arguing that Sully has given a visual interpretation truly worthy of his celebrated controversial and famously handsome subject

Race and the Production of Modern American Nationalism Reynolds J.

Scott-Childress,2014-01-14 This important book addresses the ways race has both helped and hindered Americans in determining national identity Contributors consider race and American nationalism from a variety of historical and disciplinary vantage points Beginning with the aftermath of the Civil War and unfolding chronologically through to the present the essays examine a multitude of different groups Japanese Americans Chinese Americans Puerto Ricans African Americans whites Jews Irish Americans German Americans by examining race and nationalism represented in public memorials photography film classic and minor literature gender issues legal studies and more The book offers rereadings of

some of the pivotal figures in American culture and politics including Herman Melville Frances Harper William James Frederic Remington Charles Francis Adams W E B DuBois George Creel Zora Neale Hurston Louis Chu and others In the course of these essays readers will learn how Americans in different periods and circumstances have grappled with the changing issues of defining race and of defining American as a race as a nationality or as both **Prologue** 1977 Mrs. Astor's New York Eric Homberger,2004-09-01 Mrs Astor queen of New York society in the decades before World War I used her prestige to create a social aristocracy in the city Mrs Astor s story told here by Eric Homberger sheds light on the origins extravagant lifestyle and social competitiveness of this aristocracy The Raising of a President Doug Wead,2005-03-15 God bless my mother all I am or ever hope to be I owe to her Abraham Lincoln What are the family circumstances that have created our presidents How did their upbringing shape their future and ours New York Times bestselling author Doug Wead answers these questions in one of the most comprehensive studies of presidential families to date When one thinks about the leadership qualities of George Washington and Theodore Roosevelt or the intellectual prowess of John Adams and Abraham Lincoln it is hard to imagine them as children It is even more difficult to envision the parents of our leaders especially the larger than life idols of our political past Our greatest presidents have entered the Oval Office armed with overwhelming ambition intellect and political savvy But were these characteristics evident in childhood The Raising of a President is a groundbreaking look at the parents of the American presidents full of never before seen facts and anecdotes as well as psychological profiles based on Wead s findings He analyzes the types of families into which our presidents were born and sheds a fascinating light on how their destinies were shaped during childhood Using countless presidential correspondences and letters as well as notes from hours of his own private conversations and interviews with six presidents and first ladies Wead focuses specifically on the early life of our first president George Washington John Adams John Quincy Adams and the making of our nation s first political empire the humble beginnings of our greatest president Abraham Lincoln the privileged upbringing of Franklin Delano Roosevelt the ambitious rise of John Fitzgerald Kennedy and the quiet dynasty led by George H W Bush and his son George W Bush Throughout The Raising of a President readers will find that the circumstances and events that would destroy most children were often the very things that sparked greatness in our nation s future leaders These are the stories of the presidents parents but in a truer sense they are the stories of the presidents themselves from a perspective that is long overdue **An American Family** Jeffrey Ruoff,2002 Before 1973 the Loud family of Santa Barbara California lived in the privacy of their own home With the airing of the documentary An American Family that privacy extended to every American home with a television This book is the first to offer a close look at An American Family the documentary that blurred conventions stirred passions revised impressions of family life and definitions of private and public and began the breakdown of distinctions between reality and spectacle that culminated in cultural phenomena from The Oprah Winfrey Show to Survivor **Feudal America** Vladimir Shlapentokh,Joshua Woods,2011-01-01 Do Americans live in

a liberal capitalist society where evenhanded competition rules the day or a society in which big money private security and personal relations determine key social outcomes Vladimir Shlapentokh and Joshua Woods argue that the answer to these questions cannot be found among the conventional models used to describe the nation Offering a new analytical tool the authors present a provocative explanation of the nature of contemporary society by comparing its essential characteristics to those of medieval European societies Their feudal model emphasizes five elements the weakness of the state and its inability to protect its territory guarantee the security of its citizens and enforce laws conflicts and collusions between and within organizations that involve corruption and other forms of illegal or semilegal actions the dominance of personal relations in political and economic life the prevalence of an elitist ideology and the use of private agents and organizations for the provision of safety and security Feudal America urges readers to suspend their forward thinking and futurist orientations question linear notions of social and historical progression and look for explanations of contemporary social problems in medieval European history Newsletter United States. Department of State,1970 *Engagement and Disengagement* Howard G. Schneiderman,2017-10-16 Part dialogue part debate between Howard Schneiderman and a small number of social theorists Engagement and Disengagement represents the culmination of a life s work in social theory On the one hand it is about cohesive social cultural and intellectual forces such as authority community status and the sacred that tie us together and on the other hand about forces such as alienation politics and economic warfare that pull us apart With a blend of humanism and social science Engagement and Disengagement highlight this two culture solution to understanding social and cultural history

FAQs About First Families The Making Of An American Books

What is a First Families The Making Of An American PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a First Families The Making Of An American PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a First Families The Making Of An American PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a First Families The Making Of An American PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a First Families The Making Of An American PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
