First Glance Childhood Creations Of The Famous:

The Works of Allen Ginsberg, 1941-1994 Bill Morgan, 1995-02-28 Avant garde poet and popular culture icon Allen Ginsberg has been one of the world's most important writers for over 40 years. This comprehensive bibliography covering the years 1941 to 1994 was prepared with the cooperation of the poet himself. All books, periodicals, photographs, recordings, films, and miscellaneous appearances are listed here. Entries are grouped in chapters according to type of work, and each entry provides full descriptive bibliographic information. Allen Ginsberg is perhaps the most famous poet of our time, as well as one of our most prolific writers. His subjects range from Buddhist studies to drug research to gay rights to political issues of every description, from Vietnam to censorship. Ginsberg gave the author access to personal files, and as a result, every appearance of Ginsberg's writings in the English language is noted. This bibliography is a comprehensive descriptive record of all of Ginsberg's works. The volume contains descriptive annotations of every book, pamphlet, and broadside by Ginsberg. It also contains complete descriptions of every contribution by Ginsberg to the works of others. In addition, all periodical contributions, recordings, films, and miscellaneous publications are listed. Due to Ginsberg's recent acceptance as a photographer of note, a special section identifies all of his published photographs. Entries are arranged in chapters according to the type of work to facilitate ease of use. As a result, this book presents a history of Ginsberg's works and traces the evolution of his writings over a period of publications and revisions. *First Glance* Tuli Kupferberg, Sylvia Topp, 1978

First Words Paul Mandelbaum, 2013-06-17 This unique literary anthology presents the childhood writings of some of America's greatest authors, including Stephen King, Joyce Carol Oates, and more. Most kids write stories. A few of them grow up to be successful authors. Before Stephen King created Carrie, he created Jhonathan at age nine. And before there was Rabbit Angstrom, there was Manuel Citarro, the detective in John Updike's hard-boiled mystery written at fourteen. Before Jurassic Park, there was young Michael Crichton's story about the mysteriously wounded man lying unattended in the street. Editor Paul Mandelbaum persuaded our most popular American authors to share their childhood writings and their treasured photographs. What he's gathered is a fascinating, delightful collection of writing and early snapshots that reveal young minds at work, wrestling with early versions of ideas that were to take hold of their writings in later years. Of course, the young Madeline L. Engle would wonder about space and the meaning of eternity. Of course, Margaret Atwood would question conventional female behavior, arguing for the right to smoke cigars. Other writers featured in this volume include Amy Tan, Paul Bowles, Michael Crichton, Ursula K. LeGuin, Tobias Wolff, and more. Eileen Sylvia Topp, 2020-03-05 This is the never-before-told story of George Orwell's first wife, Eileen, a woman who shaped, supported, and even saved the life of one of the twentieth century's greatest writers. In 1934, Eileen O'Shaughnessy's futuristic poem "End of the Century" (1984) was published. The next year she would meet George Orwell, then known as Eric Blair, at a party. Now that is the kind of girl I would like to marry, he remarked that night. Years later, Orwell would name his greatest work *Nineteen Eighty-Four* in homage to the

memory of Eileen the woman who shaped his life and his art in ways that have never been acknowledged by history until now From the time they spent in a tiny village tending goats and chickens through the Spanish Civil War to the couple's narrow escape from the destruction of their London flat during a German bombing raid and their adoption of a baby boy Eileen is the first account of the Blairs nine year marriage It is also a vivid picture of bohemianism political engagement and sexual freedom in the 1930s and 40s Through impressive depth of research illustrated throughout with photos and images from the time this captivating and inspiring biography offers a completely new perspective on Orwell himself and most importantly tells the life story of an exceptional woman who has been unjustly overlooked *The Rockin' 60s: The People Who Made the Music* Brock Helander,2001-01-01 The Rockin 60s is a comprehensive guide through the decade that produced the greatest music of all time The Beatles The Rolling Stones Bob Dylan Jimi Hendrix Led Zeppelin Phil Spector The Beach Boys Aretha Franklin and hundreds more emerged from this era Delve into a narrative history of each group and examine the people behind the music along with an analysis of key recordings discography and archival photos throughout **The Beats** Ann Charters,1983 **Norman Mailer** Michael Lennon,Donna Pedro Lennon,2000 The Cumulative Book Index ,1979 A world list of books in the English language *The Publishers Weekly* ,1878 **Gore Vidal** Steven Abbott,2009 This bibliography documents all phases of Vidal's ongoing remarkable work It focuses on Gore Vidal as a writer from 1940 through June 2009 In two volumes second on CD this is the definitive comprehensive and descriptive bibliography of his work and is a valuable reference book for libraries collectors scholars booksellers and Vidalophiles The book is organized in user friendly sections of which the A Books and Pamphlets B Contributions to Books and Pamphlets and D Foreign Language Translations of Books Sections identify with detailed descriptions Vidal's books significant textual variations within a title by comparing different editions of a book books and pamphlets with contributions by him and foreign translations in more than 30 languages with full bibliographic citations of the books in French Italian and Spanish More than 400 of his contributions to periodicals are listed and cross referenced to their reappearances in books collections and anthologies Also included are selected interviews with Vidal His screenplays for film and television both original writings and adaptations are included as are web postings and podcasts of essays comments excerpts and reviews The Appendices include a chronology of Vidal's life a table of essay titles including title changes a table of Vidal's small press appearances a selection of critical works about him and his oeuvre and a listing of Vidal's work as an actor More than 650 images of the covers and title pages of a wide selection of Vidal's books are included in grayscale in Volume I and more than 1400 in color on the accompanying CD ROM Through this bibliography scholars and readers interested in literature social commentary sexuality media religion history politics and public life have a valuable tool for research on one of the Modern Era's most celebrated authors **Eleanor Roosevelt** ,1994-09-29 This annotated bibliography of the vast collection of works by and about Eleanor Roosevelt America's incomparable First Lady and global human rights leader is the most comprehensive yet made available The first part of the
