**First Lady** Kay Cottee,1998      *Sailing Alone* Richard J. King,2024-05-21 2024 National Outdoor Book Award Silver Medal Winner A masterfully curated collection You don t have to be a sailor to be blown away by this fascinating bighearted book Nathaniel Philbrick author of *In the Heart of the Sea* *Travels with George and Second Wind* A story as vast and exhilarating as the open ocean itself *SAILING ALONE* chronicles the daring disastrous and often absurd history of those who chose to sail across the ocean in very small boats alone Sailing by yourself out of sight of land can be invigorating and terrifying compelling and tedious and sometimes all of the above in one morning But it is also a wide expanse of time in which to think *Sailing Alone* tells the story of some of the remarkable people who over the last four centuries have spent weeks and months moving slowly over the world s largest laboratory a capricious and startling place in which to observe oneself the weather the stars and countless sea creatures from the tiniest to the most massive and threatening Richard J King profiles characters famous diverse international and obscure from Joshua Slocum of 1898 to modern teenagers daring to take the challenge They see strange hallucinations lie to us and themselves on their travel logs encounter sharks befriend birds and experience ESP all part of the unnerving reality of extended isolation And some disappear altogether *Sailing Alone* also recounts the author s own nearly catastrophic solo crossing of the Atlantic and the mystery of his inexplicable survival one sunny afternoon An enormously engaging new book for skippers and armchair voyagers alike      **Round About the Earth**

Joyce E. Chaplin,2013-11-19 Originally published in hardcover in 2012      *Kay Cottee* Kay Cottee,1989 Spine title *First Lady* *One Spanish Summer* Juliette Robertson,2017-09-29 Armed with a Spanish dictionary a visa card a lap top and trust in Divine guidance Juliette Robertson put her corporate life on hold and bought a one way ticket to Salamanca Spain in search of something she wasnt sure of Her life changing summer as a mature age Spanish language student her experiences on the road and her love affair with Travelling Solo TS her intuitive True Self pushes her to become the courageous woman she had always aspired to be Juliettes stories on the road are irresistible appetisers that will awaken your senses and leave you wanting more This is a wonderful read full of memories that will birth your own should you bravely take TS by the hand and step into the ever rewarding unknown Brigitte Muir O A M First Australian woman to summit Mt Everest First Australian to climb the Seven Summits This book is a veritable feast for those of us who devour travel Featuring vignettes from a life well lived each course is served with relish Juliettes memoirs capture the joy of travel and pay tribute to friends met along the way even her courageous inner self May these beautiful stories enchant and inspire you to set out on your own adventure Without delay Sorrel Wilby Acclaimed Australian adventurer writer and producer Solo traverse of Tibet worlds first complete traverse of the Himalaya If you have dreamed of escaping the daily grind and take off alone on an unplanned summer adventure to see of what stuff you are made this book is for you      *Wild Sea* Joy McCann,2019-04-25 This bracing history charts the myths the exploration and the inhabitants of the all too real and wild circumpolar ocean to our south The Sydney Morning Herald

Pick of the Week Unlike the Pacific Atlantic Indian and Arctic Oceans with their long maritime histories little is known about the Southern Ocean This book takes readers beyond the familiar heroic narratives of polar exploration to explore the nature of this stormy circumpolar ocean and its place in Western and Indigenous histories Drawing from a vast archive of charts and maps sea captains journals whalers log books missionaries correspondence voyagers letters scientific reports stories myths and her own experiences Joy McCann embarks on a voyage of discovery across its surfaces and into its depths revealing its distinctive physical and biological processes as well as the people species events and ideas that have shaped our perceptions of it The result is both a global story of changing scientific knowledge about oceans and their vulnerability to human actions and a local one showing how the Southern Ocean has defined and sustained southern environments and people over time Beautifully and powerfully written Wild Sea will raise a broader awareness and appreciation of the natural and cultural history of this little known ocean and its emerging importance as a barometer of planetary climate change A sensitive portrait of a complex ecosystem from krill to blue whales and of the ice winds and currents that are critical to the circulation of the world s oceans Harper s Wilderness seekers will rejoice in this stirring portrait McCann deftly navigates both natural glories and archival complexities Nature Sports Highlights Ray Gamache,2023-09-07 This expanded second edition traces the development and popularity of the sportscast highlight the dominant news frame in the crowded medium of electronic sports journalism as the primary means of communicating about sports and athletes The book explores the intricate relationships among media producers sports leagues and organizations and audiences and explains that sportscast highlights are not a recent development They were often used within a news context in every medium from early news film actualities and newsreels to network and cable television to today s new media platforms New to this edition are three chapters that explore developments in sports media from cultural economic and technological perspectives An obsession with highlights has seen video replay increasingly used to adjudicate sporting events marking a new level of reliance on technology The media s quest for greater certitude and integrity corresponds with the rise of sponsorship of pro teams by gambling operators with sports betting ads and on screen odds now routinely appearing in sportscasts Long form sports documentaries have become popular often highlighting a fascination with firsts rooted in notions of human conquest over nature that has remained an important source of sports mythmaking **Australian National Bibliography** ,1978 **Roebuck Society Publication** ,1988 Hidden in History: The Untold Stories of Female Explorers and Adventurers Danielle Thorne,2019-12-30 In Hidden in History The Untold Stories of Female Explorers and Adventurers travel the globe and history While it s fairly common to have women researchers pilots and captains in the 21st century this was not always the case Exploring and adventuring even in the name of science and research were privileged activities reserved solely for men But some women just couldn t stay put even when faced with the harsh resistance of those who favored the norm These women broke with convention and trekked into the unknown paving the way for women of today to seek adventure as they see fit In

1766 Jeanne Baret performed botanical research as she made a complete voyage around the world making her the first woman ever recorded to do so Marguerite Hay Drummond Hay became the first woman to circumnavigate the globe from the sky when she flew around the world in a zeppelin prior to World War II Louise Arner Boyd traveled to the Arctic in 1926 a hard journey even in modern times Now we have women like Sylvia Earle a world renowned oceanographer and the first woman to walk on the ocean floor and Barbara Hillary the first woman of color to travel to both the North and the South Pole With this installment in the Hidden in History series readers can explore for themselves the exciting stories harrowing adventures and meaningful research conducted by these daring women No longer forgotten in the past the adventurous women of yesterday can once again inspire tomorrow's explorers to chart their own expeditions into the great unknown
