Kierkegaard and the Staging of Desire Carl S. Hughes, 2014-07-02 Theology in the modern era often assumes that the consummate form of theological discourse is objective prose ignoring or condemning apophatic traditions and the spiritual eros that drives them For too long Kierkegaard has been read along these lines as a progenitor of twentieth century neo orthodoxy and a stern critic of the erotic in all its forms In contrast Hughes argues that Kierkegaard envisions faith fundamentally as a form of infinite insatiable eros He depicts the essential purpose of Kierkegaard's writing as to elicit ever greater spiritual desire not to provide the satisfactions of doctrine or knowledge Hughes's argument revolves around close readings of provocative disparate and in many cases little known Kierkegaardian texts The thread connecting all of these texts is that they each conjure up some sort of performative stage setting which they invite readers to enter By analyzing the theological function of these texts the book sheds new light on the role of the aesthetic in Kierkegaard's authorship his surprising affinity for liturgy and sacrament and his overarching effort to conjoin eros for God with this worldly love

Memoirs Soumya Mohanty , Nostalgic Memoirs As the name reflects is a book which refreshes and furnishes the dearest memories of the writers With the Nostalgia as the theme memories with happiness and sentiments go hand in hand Nostalgia is an example that past isn't always something that pricks sometimes it can be beautiful and special as well A Commentary on the Revelation of St. John, the Divine Thomas Whittemore,1848 Homiletical commentary on the Song of Solomon Thomas Robinson,1877 Revelations Anthony Adams,2019-05-23 This book holds the answers to many questions that have been asked for centuries The book of Revelations is the most complex book in the bible No one has ever understood it completely and no one can explain its hidden messages GOD reveals things to us as he pleases and always reveal them at the perfect time Just as he revealed the visions of the book of Revelations to the Apostle John he revealed certain interpretations of these visions to me This book reveals the identity of the seven churches to the world The seven churches are the heart of the book of Revelations for the message of revelations is to the seven churches The seven churches are made up of all the people in the world and no one is left without a message through the revealments of this book This book clarifies many mysteries that have held the imaginations of mankind for centuries Nothing has been added or taken away from the book of revelations things has only been identified **Ant Dog's Street Tales** An'Fearen "DA MACK",2024-03-12 Ant Dog's Street Tales are short stories of life choices It's about being a leader being misled being betrayed and how easy it is to be caught up in the streets These stories are about you These stories are about someone who knows These stories are about someone that you love When you live in the streets you have a street tale It's easy for me or you to tell a tale Because the streets don't discriminate it is what it is The streets will lead you until you learn the streets These stories are not about race or money These stories tell how anyone can be destroyed if they live in the streets making dark choices Will you be in one of the tales We all have a dark story to tell Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 ,2003 Skeletons of Sermons. With a memoir of the author's life, etc Philip Henry,1834 **The Power of Uncommon Unity** Joey LeTourneau,2013-09-17 Discover the Secret to Turning the World Upside Down Jesus spoke these words lifted up His eyes to heaven and said that they may be one just as We are one John 17:1-22 Division feeds powerlessness The longer the church remains divided and disconnected from each other the longer it will take to accomplish the work Jesus has assigned us to do You may be thinking I'm just one person What can I do to bring God's people together and promote unity in the body of Christ Joey LeTourneau's book shows you how to Become a catalyst that releases uncommon unity in your unique sphere of influence Recognize your identity and essential role in the global community of God Receive and release vision that transforms culture Position yourself to sow into future generations and empower emerging leaders It is time for you to access the secrets to walking in the same dynamic presence and power of God that were normal for the first century Church and play your part in turning the world upside down Revelation Exegetical Commentary - 2 volume set Robert L. Thomas,2016-08-15 Get back to the roots on Revelation Through the centuries since its

writing the book of Revelation has captured the fascination of the Christian church The earliest Christians were unanimous in understanding it along a premillennial view of Jesus second coming but other hermeneutical approaches began to emerge in the third century These clouded and added complexity to the task of explaining the book s meaning For most of the Christian era consequently many readers have viewed this last of the NT writings as though it were hopelessly embedded in an aura of deep mystery An avalanche of interpretive literature has evidenced remarkable interest in the book s contents but along with the interest has come widespread bewilderment Written especially for the informed layman student and scholar this commentary seeks to clear the air The book is interpreted according to a historical and grammatical hermeneutic and propounds a conservative evangelical theology but the reader will not get a narrow view on areas of disagreement This commentary interacts with a range of major views both evangelical and nonevangelical It reaffirms the basic framework of eschatology espoused by ancient Christianity but with added help from centuries of maturing thought and doctrinal progress in the Body of Christ All exegesis and exposition in this 2 volume commentary are based on the original language of the text Translations used are those of the author and textual criticism and word study are included where appropriate This in depth commentary also includes extended excursuses on important topics of theological and historical interest
