First Mail West Stagecoach Lines On The Santa Fe Trail

Ray Allen Billington, Martin Ridge

First Mail West Stagecoach Lines On The Santa Fe Trail:

First Mail West Morris F. Taylor, 1971 First published in 1971 and now in paperback for the first time this book is a history of the stagecoach lines on the Santa Fe Trail from 1850 to 1879 Based on commercial records and ledgers waybills and travelers letters and on Post Office Department records it shows the fierce competition for passenger service and government mail contracts Taylor tells the story of the small independent stage lines on the Santa Fe Trail and describes the roads landscape the rolling stock fares stations and accommodations and the country people and trade at the end of the line in New Mexico Mark L Gardner s foreword discusses Taylor s life work and the value of First Mail West to the history of the Southwest *The Santa Fe Trail* David Dary, 2012-08-23 Drawing from letters diaries reports and first hand reminiscences one of the foremost historians of the Old West flushes out the story of the men and women who opened commerce with Spanish America along the Santa Fe Trail between Missouri and New Mexico 110 photos maps drawings **Pony Express National Historic Trail** Anthony Godfrey, 1994 *Stagecoach West* Ralph Moody, 1998-06-01 Stagecoach West is a comprehensive history of stagecoaching west of the Missouri Starting with the evolution of overland passenger transportation Moody moves on to paint a lively and informative picture of western stagecoaching from its early short runs through its rise with the gold rush its zenith of 1858 68 and beyond Its story is one of grand rivalries political chicanery and gaudy publicity stunts traders fortune hunters outlaws courageous drivers and indefatigable detectives We meet colorful characters such as Charlie Parkhurst a stagecoach driver who took an amazing secret to his death he was actually a woman Using contemporary accounts illustrations maps and photographs to flesh out his narrative Moody creates one of the most important accounts of transportation history to date **Historic Resource Study** Anthony Godfrey, United States. National Park Service, 1994 The intent of this Historic Resource Study HRS of the Pony Express National Historic Trail is threefold 1 to provide basic information to assist in the preparation of the trail comprehensive management plan CMP and to manage and interpret the trail 2 to furnish National Park Service NPS managers and planners state and local authorities private landowners and cooperating groups with an extensive trail database for action plans and implementation activities for the Pony Express National Historic Trail and 3 to give to the public a general history of the Central Overland California Pike s Peak Express Company C O C P P Express Co otherwise known as the Pony Express Preface excerpt page i **Frontier Cavalry Trooper** Douglas C. McChristian, 2013-04-30 During his five years in the army Private Edward L Matthews wrote a series of exceptionally detailed and engaging letters to his family back home in Maryland describing his life in the Arizona and New Mexico Territories Eddie Matthews s letters published here for the first time provide an unparalleled chronicle of one soldier s experiences in garrison and in the field in the post Civil War Southwest Eddie s letters record a vivid chronicle of day to day life in the frontier regulars Included are operational details in his company candid observations of people and places intimate views of frontier society and personal opinions that probably would have been forgotten or moderated had he

recorded his experiences later in life More subtle are his valuable references to the state of transportation and communication in the Southwest during the early 1870s Matthews probably did not realize until later years that he was not only a witness to the nation s rapid westward expansion but was himself a tiny cog in the machinery that made it possible

Colorado Thomas J. Noel,2015-05-29 This is a thoroughly revised edition of the Historical Atlas of Colorado which was coauthored by Tom Noel and published in 1994 Chock full of the best and latest information on Colorado this new edition features thirty new chapters updated text more than 100 color maps and 100 color photos and a best of listing of Colorado authors and books as well as a guide to hundreds of tourist attractions Colorado received its name Spanish for red after much debate and many possibilities including Idaho an Indian name meaning gem of the mountains later discovered to be a fabrication and Yampa Ute for bear Noel includes other little known but significant facts about the state from its status as first state in the Union to elect women to its legislature to its controversial highest state designation elevated by the 2013 legalization of recreational cannabis Noel and cartographer Carol Zuber Mallison map and describe Colorado s spectacular geography and its fascinating past The book s eight parts survey natural Colorado from rivers and mountains to dinosaurs and mammals history from prehistoric peoples to twenty first century Color oddities mining and manufacturing from the gold rush to alternative energy sources agriculture including wineries and brewpubs transportation from stagecoach lines to light rail modern Colorado from the New Deal to the present including politics history and information on lynchings executions and prisons recreation covering not only hiking and skiing but also literary locales and Colorado in the movies and tourism encompassing historic landmarks museums and even cemeteries In short this book has information and surprises that anyone interested in Colorado will relish

Westward Expansion Ray Allen Billington,Martin Ridge,2001-08 Sets out the remarkable story of the American frontier which became almost from the beginning an archetypal narrative of the new American nation s successful expansion

Frank Springer and New Mexico David L. Caffey,2007-09 The country Frank Springer rode into in 1873 was one of immense beauty and abundant resources grass and timber wild game precious metals and a vast bed of commercial grade coal It was also a stage upon which dramatic and sometimes violent events played out A lawyer and newspaperman for the Maxwell Land Grant company and a foe of the speculators known as the Santa Fe Ring Springer found himself in the middle of the Colfax County War A man of many sides he typified the Gilded Age entrepreneurs who transformed the territorial American Southwest As president of the Maxwell Land Grant company Springer led in the development of mining logging ranching and irrigation enterprises His Supreme Court victory establishing title to the 1 7 million acre Maxwell grant earned him a reputation as a brilliant attorney

The Rise and Fall of Indian Country, 1825-1855 William E. Unrau,2024-01-05 The Indian Trade and Intercourse Act of 1834 represented what many considered the ongoing benevolence of the United States toward Native Americans establishing a congressionally designated refuge for displaced Indians to protect them from exploitation by white men Others came to see it as a legally sanctioned way to swindle

them out of their land This first book length study of Indian country focuses on Section 1 of the 1834 Act which established its boundaries to show that this legislation was ineffectual from the beginning William Unrau challenges conventional views that the act was a continuation of the government s benevolence toward Indians revealing it instead as little more than a deceptive stopgap that facilitated white settlement and development of the trans Missouri West Encompassing more than half of the Louisiana Purchase and stretching from the Red River to the headwaters of the Missouri Indian country was designated as a place for Native survival and improvement Unrau shows that although many consider that the territory merely fell victim to Manifest Destiny the concept of Indian country was flawed from the start by such factors as distorted perceptions of the region s economic potential tribal land compressions government complicity in overland travel and commerce and blatant disregard for federal regulations Chronicling the encroachments of land hungry whites which met with little resistance from negligent if not complicit lawmakers and bureaucrats he tells how the protection of Indian country lasted only until the needs of westward expansion outweighed those associated with the presumed solution to the Indian problem and how subsequent legislation negated the supposed permanence of Indian lands When thousands of settlers began entering Kansas Territory in 1854 the government appeared powerless to protect Indians even though it had been responsible for carving Kansas out of Indian country in the first place Unrau s work shows that there has been a general misunderstanding of Indian country both then and now that it was never more or less than what the white man said it was not what the Indians were told or believed and represents a significant chapter in the shameful history of America s treatment of Indians

A Brief History of New Mexico Myra Ellen Jenkins, Albert H. Schroeder, 1974 Detailed information on every aspect of New Mexico s past The WPA Guide to Missouri Federal Writers' Project, 2013-10-31 During the 1930s in the United States the Works Progress Administration developed the Federal Writers Project to support writers and artists while making a national effort to document the country s shared history and culture The American Guide series consists of individual guides to each of the states Little known authors many of whom would later become celebrated literary figures were commissioned to write these important books John Steinbeck Saul Bellow Zora Neale Hurston and Ralph Ellison are among the more than 6 000 writers editors historians and researchers who documented this celebration of local histories Photographs drawings driving tours detailed descriptions of towns and rich cultural details exhibit each state s unique flavor The WPA Guide to the Show Me State of Missouri literally shows the reader the virtues of this lovely region by including vivid pictures of Art Deco skyscrapers in downtown Kansas City farm scenes the Ozark Mountains and the Missouri and Mississippi Rivers It includes historical essays about the influence of these rivers on the state as well as Missouri s important role in the American Civil War *From Texas to San Diego in 1851* Samuel Washington Woodhouse, 2007 Samuel W Woodhouse physician and naturalist with the 1851 Sitgreaves expedition to explore the southwestern territories won in the war with Mexico kept a journal of the expedition from San Antonio to San Diego describing the people topography plants and

animals encountered This is the first publication of his account Provided by publisher As Far as the Eye Could Reach Phyllis S. Morgan, 2015-08-24 Travelers and traders taking the Santa Fe Trail's routes from Missouri to New Mexico wrote vivid eyewitness accounts of the diverse and abundant wildlife encountered as they crossed arid plains high desert and rugged mountains Most astonishing to these observers were the incredible numbers of animals many they had not seen before buffalo antelope pronghorn prairie dogs roadrunners mustangs grizzlies and others They also wrote about the domesticated animals they brought with them including oxen mules horses and dogs Their letters diaries and memoirs open a window onto an animal world on the plains seen by few people other than the Plains Indians who had lived there for thousands of years Phyllis S Morgan has gleaned accounts from numerous primary sources and assembled them into a delightfully informative narrative She has also explored the lives of the various species and in this book tells about their behaviors and characteristics the social relations within and between species their relationships with humans and their contributions to the environment and humankind With skillful prose and a keen eye for a priceless tale Morgan reanimates the story of life on the Santa Fe Trail's well worn routes and its sometimes violent intersection with human life She provides a stirring view of the land and of the animals visible as far as the eye could reach as more than one memoirist described She also champions the many contributions animals made to the Trail's success and to the opening of the American West

Monograph, 1985 **Fort Union and the Frontier Army in the Southwest** Leo E. Oliva, 1993 **Crossroads of Change** Cori Knudten, Maren Bzdek, 2020-07-02 Encompassing nearly seven thousand acres amid the woodlands of the Sangre de Cristo Mountains in northern New Mexico the land that is now Pecos National Historical Park has witnessed thousands of years of cultural history stretching back to the Native peoples who long ago inhabited the pueblos of Pecos then known as Cicuye Once a trading center where Pueblo Indians Spanish soldiers and settlers and Plains Indians encountered one another not always peacefully Pecos was a stop on the Santa Fe Trail in the early 1800s and later on the first railroad in New Mexico It was the site of a critical Civil War battle and in the twentieth century became a tourist destination This book tells the story of how over five centuries cultures and peoples converged at Pecos and transformed its environment ultimately shaping the landscape that greets park visitors today Spanning the period from 1540 when Spaniards first arrived into the twenty first century *Crossroads of Change* focuses on the history of the natural and historic resources Pecos National Historical Park now protects and interprets the ruins of Pecos Pueblo and a Spanish mission church a stage stop along the Santa Fe Trail the Civil War battlefield of Glorieta Pass a twentieth century cattle ranch and the national park itself In an engaging style authors Cori Knudten and Maren Bzdek detail the transformations of Pecos over time often driven by the collision of different cultures such as that between the Franciscan friars and Pecos Indians in the seventeenth century and by the introduction of new animals crops and agricultural practices but also by the natural forces of fire drought and erosion Located on a natural trade route Pecos has long served as a portal between different cultures and environments

Documenting this transformation over the ages Crossroads of Change also perhaps shows us Pecos National Historical Park as a portal to the future

The Sweet Blue Distance Sara Donati, 2024-04-02 A young midwife travels west to the New Mexico Territory to care for women in need and faces dangers more harrowing than the ones she's fleeing in this epic tale of survival redemption and love from Sara Donati the international bestselling author of the Wilderness series 1857 In a bid to outrun her past Carrie Ballentyne accepts a nursing position with a doctor in the New Mexico Territory She knows the journey from New York to Santa Fe will not be easy but nothing could have prepared her for the wilderness she encounters stunning in both beauty and brutality To endure she must learn to rely on her fellow travelers and one enigmatic man in particular As she and Eli Ibarra tackle challenge after challenge together she feels her heart opening to this rugged land and the man willing to risk so much for her The trip west is only the beginning of Carrie's challenges though In Santa Fe Carrie is beloved by new mothers for her talent and compassion But when she realizes that her employer and his wife are keeping secrets from her she must uncover the truth to protect their young daughter To save the little girl she's come to cherish Carrie will have to confront the demons in her own past a feat that will take all of her bravery and the help of the man she's come to love and depend on above all others The Sweet Blue Distance is the unforgettable story of one woman's courage to heal herself her family and the women and children entrusted to her care

Regular Army O! Douglas C.

McChristian, 2017-05-04 The drums they roll upon my soul for that's the way we go runs the chorus in a Harrigan and Hart song from 1874 Forty miles a day on beans and hay in the Regular Army O The last three words of that lyric aptly title Douglas C McChristian's remarkable work capturing the lot of soldiers posted to the West after the Civil War At once panoramic and intimate Regular Army O uses the testimony of enlisted soldiers drawn from more than 350 diaries letters and memoirs to create a vivid picture of life in an evolving army on the western frontier After the volunteer troops that had garrisoned western forts and camps during the Civil War were withdrawn in 1865 the regular army replaced them In actions involving American Indians between 1866 and 1891 875 of these soldiers were killed mainly in minor skirmishes while many more died of disease accident or effects of the natural environment What induced these men to enlist for five years and to embrace the grim prospect of combat is one of the enduring questions this book explores Going well beyond Don Rickey Jr's classic work Forty Miles a Day on Beans and Hay 1963 McChristian plumbs the regulars accounts for frank descriptions of their training to be soldiers their daily routines including what they ate how they kept clean and what they did for amusement the reasons a disproportionate number occasionally deserted while black soldiers did so only rarely how the men prepared for field service and how the majority who survived mustered out In this richly drawn uniquely authentic view men black and white veteran and tenderfoot fill in the details of the frontier soldier's experience giving voice to history in the making

Writing Westerns Mike Newton, 2012-04-15 Craft a novel that evokes the spirit of the West Western Movies don't appear as frequently today as they did in the 1960s but those that make the cut in Hollywood prompt frequent Oscar buzz

Nor have Western novels been eclipsed In 2010 Amazon com offered 213 new Western novels for sale plus many reprints of older classics Writing Westerns examines what a Western is while teaching you how to research and write one You ll benefit from the author s experience 248 books published since 1977 and the example of masters in the field from Zane Grey and Max Brand to Louis L Amour and Cormac McCarthy Each chapter includes a short list of recommended sources for further reading Appendices to the main text include a glossary of Old West slang and jargon which is helpful in writing realistic dialogue a timeline of significant historical events and a list of classic Western films and novels Research talent and imagination are the keys to writing a successful novel Join us now as we set off into the West
