Ayer,2001 Visit our website for sample chapters      **1 Peter** Harry Uprichard,2019-12-06 Writing to Christians facing trials and possible persecution Peter begins his letter not with their problems but with the solution Individually as believers they inherit a triune salvation where God chooses Christ cleanses and the Spirit consecrates Corporately brought from darkness to light Christ as cornerstone both establishes and shapes them Practically amid adversity within society in work and at home Christ s death as atonement saves them and his example motivates them He is also their overseer and shepherd Generally and potentially suffering for righteousness s sake means following Christ s example of nonretaliation setting him apart in their hearts as Lord and living for him at all times like this Even in their fellowships leaders and led must be diligent and humble like Christ the chief shepherd The Christian life is really all about Christ This recalls Peter s word to Jesus at Caesarea Philippi You are the Christ the Son of the living God Matt 16 16 That is what First Peter is essentially about Living for Christ in a suffering world involves believing in Christ s atoning death and following Christ s example whatever the circumstances That done all is done

**1 Peter** The Navigators,2014-02-27 Over 3 million LifeChange studies sold Looking like Christ Living like Christ How do we persevere in the face of suffering For first century Christians who were persecuted by their neighbors staying focused on their living hope was hard to do The Apostle Peter wanted to remind these hard pressed Christians of their rich identity in Christ and encourage them to respond to their sufferings as Christ did Peter doesn t deliver abstract teaching but applies it to their daily lives His words will connect with your own life too as you dive into his heartfelt letter LifeChange LifeChange Bible studies will help you grow in Christlikeness through a life changing encounter with God s Word Filled with a wealth of ideas for going deeper so you can return to this study again and again Features Cover the entire book of 1 Peter in 13 lessons Equip yourself to lead a Bible study Imagine the Bible s historical world Study word origins and definitions Explore thoughtful questions on key themes Go deeper with optional projects Add your notes with extra space and wide margins Find the flexibility to fit the time you have      *The Wiersbe Bible Study Series: 1 Peter* Warren W. Wiersbe,2011-11-01 Often those with the deepest hurt appreciate grace most Which may explain why Peter the apostle who once denied his Savior wrote a remarkable letter that celebrated the hope and grace found in Christ Based on Warren Wiersbe s Be Hopeful this eight week of study of 1 Peter contains fresh insights that help connect God s truth with everyday life      **Commentary on First Peter** Vincent Cheung,2014-11-25 This commentary offers a basic but thorough exposition on the text of First Peter In the process it touches on topics such as the doctrine of election the meaning of divine foreknowledge issues with Bible translations the right perspective toward suffering and persecution the gospel in the Old Testament the atoning work of Christ supralapsarianism vs infralapsarianism the priesthood of all believers the intellectual and moral depravity of unbelievers submission to authority citizens to officials slaves to masters wives to husbands divine command ethics bearing witness to

Every Christian faces storms in life Throughout the world many are being persecuted even murdered for their faith And there are other forms of suffering which may not threaten our lives physical pain emotional pain broken dreams conflicts tensions and stress Peter s message written and inspired by the Holy Spirit offers good news to Christians God has given us the power and strength to face any and every situation power to overcome every form of suffering and the peace and calm which is always present for those who know Jesus Christ      Study 1 Peter Jason Dexter,2020-02-24 Peter writes to saints dispersed throughout the Roman empire who are starting to face persecution encouraging them to persevere and hold on to their eternal inheritance Powerful themes of holiness salvation and perseverance in the face of suffering can encourage you in the middle of trials The Study and Obey series helps you to navigate through the passages either for personal or group study Our goal is not only to help you understand the rich theology found in 1 Peter but most importantly know how to live out Our easy to follow 1 Peter Bible study contains Passage by passage lesson notes to take you or your group through 1 Peter one verse at a time Discussion questions for each passage to stimulate critical thinking and group discovery of the important principles Thematic and relevant cross references to save your time flipping through the Bible while having related verses at your finger tips Hundreds of teaching points and observations to help you understand the text in a deep but practical way Emphasis is placed on obedience throughout Applications designed to show how 1 Peter is relevant to our lives today and encourage practical obedience and life change in response to the text If you have been spending or wasting a lot of time trying to find study materials for this book our Study 1 Peter E book can help The lessons are designed for everyday believers rather than for academic scholars We hope you will enjoy the ten lessons inside as you draw close to God and help others to know Him better      **A commentary on 1 & 2 PETER** David Pawson,2017-04-01 These two letters were written by the man who tried to persuade Jesus not to be crucified also wanted to erect three shrines on a mountain top for Moses Elijah and Jesus also was targeted by Satan to be sifted separated from the other disciples and whose self confident loyalty was shattered three times within twenty four hours But he had a special place on his Lord s prayer list which was undoubtedly a major cause of his transformation from a reed Simon into a rock Peter which enabled him to be the first pastor not pope of the church and the first preacher of the gospel after Pentecost This high calling qualified him to protect both the church from the persecution outside and the gospel from the corruption inside That is why his first epistle majors on suffering and the second on backsliding the latter containing the clearest warning against once saved always saved complacency His boldness led to his own crucifixion upside down at his own request Bear this in mind as you read both his pastoral letters      *1-2 Peter* Robert Charles Sproul,2019 R C Sproul has compiled sermons on 1 2 Peter into this volume delivering careful exposition and readable application to a contemporary audience Part of the St Andrew s Expository Commentary series      **A Practical**

**Commentary Upon the First Epistle General of Saint Peter** Robert Leighton, 1799      Suffering, Certainty and Hope  
Rich Castro, 2021-01-14 Suffering Certainty and Hope is for the busy pastor and the interested lay person who wants to gain a deeper understanding of Peter's first and second letters Through Peter God provides some clear and helpful answers to the age old question of suffering urging his people to look out and look up as we navigate both personal and corporate pain The message of both letters is especially vital for all of God's church in 2021 amidst the challenges of the world's coronavirus pandemic      *Resurrection Life in a World of Suffering* D. A. Carson, Kathleen Nielson, 2018 With contributions from popular Bible teachers such as Piper Wilkin and Carson this collection of biblical expositions explores the book of 1 Peter and the gospel perspective it gives on our lives      **Suffering Saints** Prairie Bible Institute.
