A Piano Duet To Remember Pasquale De Marco, 2025-04-10 In this comprehensive guide to the world of piano duets, Pasquale De Marco shares their passion for this unique and rewarding musical genre, providing readers with a wealth of insights and practical advice. From the enchanting sound of two pianos playing in harmony to the challenges and rewards of performing piano duets, this book covers a wide range of topics related to this fascinating subject. Readers will learn about the history of piano duets, the different types of piano duets, and the techniques and skills required to perform them successfully. They will also discover a wealth of information about the great composers who have written piano duets, as well as some of the most famous and challenging works in the repertoire. In addition to providing practical advice and guidance for musicians, this book also explores the broader cultural and social significance of piano duets. From their use in movies and television to their role in therapy and education, piano duets have a long and varied history that is sure to fascinate and engage readers of all backgrounds. Whether you are a seasoned piano duet performer, a student just starting out, or simply a music lover who is curious about this unique genre, this book is sure to provide you with valuable insights and enjoyment. With its engaging writing style, informative content, and beautiful illustrations, this book is a must-read for anyone who loves piano duets. If you like this book, write a review. The Piano Duet Ernest Lubin, 1970 The author outlines the basic organization of a duet, discusses many pieces written for four hands, giving their varying degrees of difficulty, and generally makes clear the problems and intricacies of playing piano duets. The book includes nearly 200 musical illustrations, illuminating discussions of most of the important compositions, and composers. There is also an exceptionally valuable appendix that lists the entire piano duet repertoire. Dances for Two, Book 1 Catherine Rollin, 2005-05-03 All of the pieces in the Dances for Two series are intended to capture the rhythmic essence of dance music. Just as two dancing partners work best when they're in sync, playing duets with great rhythmic chemistry is just as wonderful. Both the primo and secondo parts in Book 1 are written at the early intermediate level. Youths, teens, and adults will all enjoy these charming pieces and interesting parts where each partner has plenty of opportunity to lead and play the melody. **Mr. "A" Presents First Lyric Pieces, Book 1** Dennis Alexander, This collection is for teachers wanting to prepare students for the Romantic style early in the development of the student. Since no intervals larger than a 6th are used, these are good for small hands. Offers a lot of variety. Late elementary. **Essential Keyboard Duets, Volume 8** Gayle Kowalchyk, E. L. Lancaster, 2015-08-06 This collection of 45 piano duets for one piano, four hands, consists of selections for teachers and students at the elementary to late elementary levels. Duet
