First Seasons A New Journey:

Innamorata, Contessa, 2019-05-23 In Italian *innamorata* translates to being in love Who would dispute love being the most controversial rewarding gut wrenching fulfilling powerful emotion on the planet Love has been described as a two way street that s constantly under construction A constant battle of head versus heart my needs over yours and more exercises in flexibility than hot yoga can teach Let s face it love and relationships are among the hardest things we deal with No matter how or why we fall in love we hope to be encouraged inspired stimulated and positively influenced If the relationship works out great But if it goes south does that necessarily mean it was a failure When love goes wrong can we view it as a positive thing a tool to put us on a forward constructive path *Innamorata* highlights valuable life lessons learned by a limited unworldly but determined young girl as we follow her journey to a more enriched life We share her relationships and how they propelled her to keep going forward as well as channeling their outcomes to a progressive road of personal and professional success The consummate example of turning the bitterness of hardships in life into the sweetness of realizing your dreams *Innamorata* is a story of emotional struggle heartbreak empowerment independence relentless perseverance being true to and believing in oneself embracing hardships and finding lessons in life in the least expected places
