## **First Theologians A Study In Early Christian Prophecy:**

The First Theologians Thomas Gillespie,1994 This title focuses purely on company accounts rather than dealing with areas such as group accounts sole traders and partnerships Many accounting reference works are aimed at larger businesses and take into account the additional requirements imposed by the Financial Services Authority for listed companies or international financial reporting standards It is aimed at accountants in small to medium sized companies as it will focus on the UK accounting requirements as they affect private companies and will pay particular attention to the exemptions available to companies that qualify as small under the Companies Act 1985     The First Urban Churches 5 James R. Harrison,L. L. Welborn,2019-11-23 A fresh examination of early Christianity by an international team of New Testament and classical scholars Volume 5 of *The First Urban Churches* investigates the urban context of Christian churches in first century Roman Colossae Hierapolis and Laodicea Building on the methodologies introduced in the first volume and supplementing the in depth studies of Corinth Ephesus and Philippi vols 2 4 essays in this volume challenge readers to reexamine preconceived understandings of the early church and to grapple with the meaning and context of Christianity in its first century Roman colonial context Features Analysis of urban evidence found in inscriptions papyri archaeological remains coins and iconography Proposed reconstructions of the past and its social religious and political significance A nuanced informed portrait of ancient urban life in the cities of the Lycus Valley     *Revelation, Literature, and Community in Late Antiquity* Philippa Townsend,Moulie Vidas,2011 Papers from a conference held 2007 Princeton University     Having the Spirit of Christ Giovanni B. Bazzana,2020-01-07 A provocative reinterpretation of accounts of spirit possession and exorcism in early Christianity The earliest Christian writings are filled with stories of possession and exorcism which were crucial for the activity of the historical Jesus and for the practice of the earliest groups of his followers Most critical scholarship however regularly marginalizes these topics or discards them altogether in reconstructing early Christian history This innovative book approaches the study of possession from a different methodological angle by using a comparative lens that includes contemporary ethnographies of possession cross culturally Possession besides being a harmful event that should be exorcized can also have a positive role in many cultures Often it helps individuals and groups to reflect on and reshape their identity to plan their moral actions and to remember in a most vivid way their past When read in light of these materials these ancient documents reveal the religious cultural and social meaning that the experience of possession had for the early Christ groups

**Religious Experience of the Pneuma** Clint Tibbs,2012-04-26 This book explores the Christian religious experience of the pneuma given in 1 Corinthians 12 and 14 The experience Paul mentions in these texts as well as the mention of spirits in three different places suggest that Paul was actually writing about communicating with the spirit world     **Fulfilling the Law and the Prophets** Matthew Anslow,2022-07-18 Matthew s Gospel makes mention of prophets and prophecy more than any other canonical Gospel Yet its perspective on prophecy has generally been neglected within biblical scholarship when in

fact Jesus prophetic vocation is a central christological theme for Matthew This new study by Matthew Anslow seeks to draw attention to this underdeveloped focus within Matthean studies The central claim of the book is that in Matthew s Gospel Jesus prophetic vocation is presented as a multi faceted phenomenon drawing on several prophetic traditions Like biblical and popular prophets before him Jesus is depicted by Matthew as calling Israel back to covenantal faithfulness thereby providing guidance for the identity theology and communal life of God s people *Marginalized Voices* Timothy B. Cremeens,2018-06-28 The Orthodox Church has been characterized by some as the best kept secret in North America Making use of personal interviews and correspondence magazine and news articles and other publications Timothy Cremeens weaves the story of a spiritual renewal movement that began in the United States in the early 1960s and rapidly spread around the globe touching millions of Roman Catholics and Protestants what is today called the Charismatic Renewal Movement In 2017 this Movement celebrated its 50th Jubilee anniversary in the Roman Catholic Church However Cremeens presents here the never before heard story of that Movement among the Orthodox Churches in North America He recounts the history of this spiritual renewal movement through the first hand accounts and eyewitnesses of Orthodox clergy and laity who testify to their life changing encounters with the Holy Spirit **Paul and the Miraculous** Graham H. Twelftree,2013-09-15 How can we explain the difference between the miraculous Christianity expressed in the Gospels and the nearly miracle free Christianity of Paul In this historically informed study senior New Testament scholar Graham Twelftree challenges the view that Paul was primarily a thinker and reimagines him as an apostle of Jesus for whom the miraculous was of profound importance Highlighting often overlooked material in Paul s letters Twelftree offers a fresh consideration of what the life and work of Paul might teach us about miracles in early Christianity and sheds light on how early Christians lived out their faith **1 Corinthians** Mark Taylor,Mark Edward Taylor,2014-04 A signature volume in the NIV based New American Commentary series New Testament professor Mark Taylor offers his exposition of the popular book of 1 Corinthians to give readers a deeper understanding of its content and context Making See C. M. A. van Ekris,2018-06-20 What is theologically and homiletically happening in prophetic sermons This empirical theological study offers an analysis of the prophetic dimension in contemporary practices of preaching including sermons from Bonhoeffer King and Tutu and from Dutch local contexts After a phenomenological opening five theological concepts are extracted from the studied sermons exposing destructiva interrupting dominant discourses recognising the Word overcoming destructiva and edifying the congregation In this study prophetic speech is reconstructed as an illuminative interplay between epiphanic and inductive aspects *Approaching the Study of Theology* Anthony C. Thiselton,2018-08-28 From the opening pages of the Bible we learn of God as one who communicates with humankind This introduction to theology from Anthony Thiselton is divided into three parts first mapping the main approaches then introducing us to the major ideas and thinkers and finally giving concise explanations of all the words and phrases readers need to know **1 Corinthians** Anthony C.

Thiselton,2011-05-03 Anthony Thiselton's lengthy New International Greek Testament Commentary volume The First Epistle to the Corinthians 2000 has become a standard work on 1 Corinthians In this shorter commentary Thiselton draws on his excellent exegesis from that volume but combines it afresh with keen practical and pastoral application for readers at all levels Thiselton delves deeply into the context and text of Paul's first Corinthian letter as he suggests section by section how the book applies to pastoral and practical issues He draws vivid parallels between the growing church in Corinth and the twenty first century church demonstrating that today's church also faces a seductive culture of competition and consumerism The church in Corinth preferred its self centered theology to the Christ centered gospel of the wider apostolic church Paul's response in 1 Corinthians amplified by Thiselton's commentary becomes a living practical transforming word from God for Christians today

**Perpetua's Passion** Joyce E. Hurtado,2000-09-07 At the Origins of Christian Worship can deepen readers understanding of early Christian worship by setting it within the context of the Roman world in which it developed Hurtado highlights the two central characteristics of earliest Christian worship its exclusive rejection of the ancient world gods and its inclusion of Christ with God as the focus of devotion     **Is Paul also among the Prophets?** Jeffrey W. Aernie,2012-05-03 Aernie examines the prophetic material in the Old Testament and its relationship with the prophetic material in Second Temple Judaism Hellenism and the early Christian movement The subsequent analysis of 1 Corinthians constitutes an investigation of the effect of the Old Testament prophetic tradition on Paul s self presentation in 1 Cor 9 15 18 and rhetorical framework in 1 Cor 14 20 25 as a methodological foundation for the exegetical analysis of 2 Corinthians Aernie explores the influence of the Old Testament prophetic tradition on Paul s apostolic self presentation and rhetoric in 2 Corinthians The analysis of Paul s self presentation examines the apostle s relationship with Moses the Isaianic servant and Jeremiah in order to define Paul s position with regard to the preceding prophetic tradition Aernie analyses Paul s argument in 2 Cor 2 14 16 4 1 6 6 14 7 1 12 1 10 then seeks to examine the influence of the Old Testament prophetic tradition on the formation of Paul s rhetorical framework Aernie s intention is to provide support for the notion that the particularly prophetic nature of Paul s apostolic persona affects both his self presentation and rhetorical agenda in 2 Corinthians     **Are Miraculous Gifts for Today?** Zondervan,2011-10-11 Are Miraculous Gifts for Today takes you to the heart of one of the most dividing questions in the Church today how are the Holy Spirit s miracles at work among God s people now Is he still actively giving the gifts of tongues prophecy and healing that fill the book of Acts Is he driving out demons when Christians

command them to flee Or are these events confined to the time of the early church and the apostles This volume of the Counterpoints series provides an impartial format for comparing the four main positions on present day miracles including the history and distinctions between the three positions that affirm miraculous gifts with voice also given to a large sector of open but cautious evangelicals Cessationist there are no miraculous gifts of the Holy Spirit today Pentecostal gifts are intended for today with certain nuances focused on baptism and speaking in tongues Charismatic gifts are intended for today and should be actively practiced Third Wave gifts are intended for today with greater emphasis on baptism and less on tongues This thought provoking book will help Christians on every side of the miraculous gifts debate to better understand their own position and the positions of others The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion
