First World War Major Issues In History S:

Researching World War I Robin Higham, Dennis Showalter, 2003-12-30 World War I was the greatest cataclysm Europe had ever known directly involving 61 million troops from 16 nations Yet the history of the war and the reasons it started and spread so rapidly were vastly more complex than the players realized Written by highly respected authorities this book discusses the literature on all aspects of the war making it an excellent starting point for anyone seeking guidance to the immense and often daunting body of World War I literature The struggle mobilized manpower from home troops from the colonies abroad and in most countries women as well as men Governments increasingly intervened in everyday life New weapons and organizational structures were developed Yet the history of the war and the reasons it started and spread so rapidly were vastly more complex than the players realized Written by highly respected authorities this book discusses the literature on all aspects of the war Dennis Showalter's opening chapter covers the controversial issue of the war's origins a complex subject that has been much debated by historians Ensuing chapters consider the literature on each of the participating countries The broader subjects of the war at sea and the war in the air are also covered Daniel Beaver's final chapter discusses the mobilization of industry and the new military technology This book is an excellent starting point for anyone seeking guidance to the immense and often daunting body of World War I literature *The Ottoman Mobilization of Manpower in the First World War* Mehmet Beşikçi, Mehmet Beşikçi, 2012-09-28 The Ottoman Mobilization of Manpower in the First World War examines how the Ottoman Empire tried to cope with the challenges of permanent mobilization and how this process reshaped state society relations in 1914-1918 focusing mainly on Anatolia and the Muslim population The Jewish Experience of the First World War Edward Madigan, Gideon Reuveni, 2018-11-27 This book explores the variety of social and political phenomena that combined to make the First World War a key turning point in the Jewish experience of the twentieth century Just decades after the experience of intense persecution and struggle for recognition that marked the end of the nineteenth century Jewish men and women across the globe found themselves drawn into a conflict of unprecedented violence and destruction The frenzied military social and cultural mobilisation of European societies between 1914 and 1918 along with the outbreak of revolution in Russia and the collapse of the Ottoman Empire in the Middle East had a profound impact on Jewish communities worldwide The First World War thus constitutes a seminal but surprisingly under researched moment in the evolution of modern Jewish history The essays gathered together in this ground breaking volume explore the ways in which Jewish communities across Europe and the wider world experienced interpreted and remembered the war to end all wars A Companion to International History 1900 - 2001 Gordon Martel, 2010-03-29 A comprehensive overview of the most important international events movements and controversies of the 20th century Written by distinguished scholars each an authority in their field Explores influential underlying themes such as imperialism nationalism internationalism technological developments and changes in diplomatic methods Addresses a broad range of topics including diplomacy of

wartime and peacemaking the cold war era and the new world order the end of European empires the rise of nationalism in the Third World globalization and terrorism Chronological organization makes the volume easily accessible Includes useful guides for further reading and research

The Great Powers, Imperialism and the German Problem 1865-1925 John Lowe, 2013-06-17 This is a lucid and well structured text dealing with key issues in international affairs from the period of German unification to the aftermath of World War I It Provides excellent explanation and analysis of the central issues Clarifies a notoriously complex period of international history Updates traditional books in this field of 19th and 20th century diplomatic international history Takes a thematic approach Leads students through the main events and reviews recent trends in historical debate and scholarship Includes an annotated bibliography Consideration of the German problem and the Balkan problem have taken on a new urgency and relevance with recent developments in Europe and this book provides an excellent introduction to the subject

Between Mass Death and Individual Loss Alon Confino, Paul Betts, Dirk Schumann, 2008-07-01 Recent years have witnessed growing scholarly interest in the history of death Increasing academic attention toward death as a historical subject in its own right is very much linked to its pre eminent place in 20th century history and Germany predictably occupies a special place in these inquiries This collection of essays explores how German mourning changed over the 20th century in different contexts with a particular view to how death was linked to larger issues of social order and cultural self understanding It contributes to a history of death in 20th century Germany that does not begin and end with the Third Reich

Imagined Histories Anthony Molho, Gordon S. Wood, 1998 This collection of essays by twenty one distinguished American historians reflects on a peculiarly American way of imagining the past At a time when history writing has changed dramatically the authors discuss the birth and evolution of historiography in this country from its origins in the late nineteenth century through its present more cosmopolitan character In the book s first part concerning recent historiography are chapters on exceptionalism gender economic history social theory race and immigration and multiculturalism Authors are Daniel Rodgers Linda Kerber Naomi Lamoreaux Dorothy Ross Thomas Holt and Philip Gleason The three American centuries are discussed in the second part with chapters by Gordon Wood George Fredrickson and James Patterson The third part is a chronological survey of non American histories including that of Western civilization ancient history the middle ages early modern and modern Europe Russia and Asia Contributors are Eugen Weber Richard Saller Gabrielle Spiegel Anthony Molho Philip Benedict Richard Kagan Keith Baker Joseph Zizak Volker Berghahn Charles Maier Martin Malia and Carol Gluck Together these scholars reveal the unique perspective American historians have brought to the past of their own nation as well as that of the world Formerly writing from a conviction that America had a singular destiny American historians have gradually come to share viewpoints of historians in other countries about which they write The result is the virtual disappearance of what was a distinctive American voice That voice is the subject of this book

soldiers who were executed but also the untold cases of 197 men sentenced to death but spared Looking beyond stories of callous generals and quick executions Iacobelli reveals a disciplinary system capable of thoughtful review and compassion for the individual soldier Published to coincide with the centennial anniversary of the outbreak of the First World War Death or Deliverance reconsiders an important and unexamined chapter in the history of both a war and a nation

Handbook of International Relations Walter Carlsnaes, Thomas Risse, Thomas Risse-Kappen, Beth A Simmons, 2002 NEW IN PAPERBACK FEBRUARY 2005 The most systematic and wide ranging survey of the multi faceted field of International Relations yet produced It is sure to become a standard reference work and teaching text and is unlikely to be superseded at any time in the near future It should be considered as essential reading International Affairs The Handbook of International Relations published 2002 in hardback quickly established itself as the benchmark volume providing a state of the art review and indispensable guide to the study of international relations It is now released in paperback in order to be accessible to students in classroom use Divided into three parts the volume reviews both the historical philosophical analytical and normative roots to the discipline and the key contemporary topics of research and debate today The first part introduces the major approaches within the field and unpacks many of the on going debates within the discipline including those between rationalist and constructivist approaches The second part moves on to explore the key concepts and contextual factors important to the subject from concepts like the state and power to international and transnational actors debates around globalization and contending feminist perspectives The final part reviews a number of the key substantive issues in international relations and is designed to complement the analytical tools and perspectives presented in Parts I and II Examples of the many topics included are foreign policy war and peace security nationalism and ethnicity finance trade development the environment and human rights

Non-Fiction Cinema in Postwar Europe Lucie Cesalkova, Johannes Praetorius-Rhein, Perrine Val, Paolo Villa, 2025-10-01 After WWII cinema was everywhere in movie theatres public squares factories schools trial courts trains museums and political meetings Seen today documentaries and newsreels as well as the amateur production show the kaleidoscopic portrait of a changing Europe How did these cinematic images contribute to shaping the new societies emerging from the ashes of war both in the Western and in the Eastern bloc Why were they so crucial in framing and regulating new places and practices political systems economic dynamics educational frameworks and memory communities This edited volume explores the multiple ways nonfiction cinema reconfigured public spaces collective participation democratisation and governmentality between 1944 and 1956 Looking back at it through a transnational perspective and the critical category of spatiality nonfiction cinema appears in a new light simultaneously as a specifically situated and as a highly mobile medium it was a fundamental agent in reshaping Europe's shared identity and culture in a defining decade

Tracing Your Royal Marine Ancestors Richard Brooks, Matthew Little, 2009-04-22 Whether you are interested in the career of an individual Royal Marine or just want to know more about the part played by the Marines in a

particular battle or campaign this book will point you in the right direction Assuming that the reader has no prior knowledge of the Royal Marines their history or organization Richard Brooks and Matthew Little explain which records survive where they can be found and how they can help you in your research They also describe in vivid detail the evolution of the Royal Marines from the tentative beginnings of the service in the seventeenth century to their present position as a key part of the British armed forces Graham Wallas and the Great Society Terence H. Qualter, 1980-06-18 This book sets out to prove that Wallas was more appalled and frightened by the anti intellectualism of the twentieth century than by the naive over intellectualism of the nineteenth Attacking unreal assumptions about the role of reason he sought not to deny men the capacity to think but to show them how to do so more clearly in order to improve the human condition Collier's Once a Week ,1922 *Congressional Record* United States. Congress, 1971
